ON THE TOWN... PHILIP

Hello Austin: So, how is everyone this week? This week was definitely an improvement over last week. Things seemed a little more organized. I'm sure the reason this week went better is because I spent most of Saturday afternoon at **Hippy Hollow**. So, who cares if I had 37 loads of laundry to do? Hippy Hollow was well worth it. There were lots and lots of pretty men!! Fortunately, my friends and I called it quits before the rain came late that afternoon.

Actually, my first trip of the season to Hippy Hollow was quite a unique experience. Some friends and I took a severely handicapped young lady of eighteen years on her virgin tour to Hippy Hollow. The young lady is confined to a wheelchair because she has the disfunctional body of a four-year-old. She is quite intelligent, but can only communicate yes and no, or she can point to images on a special word/picture board. Naturally, we took her to the gay section of Hippy Hollow. Girl got an education in a hurry! It's OK--her daddy knew where she was going!

So, who watched the Academy Awards on Monday night? I just love watching the awards because there are usually some fabulous evening gowns. The Academy Awards evening gowns have a little more imagination than the Miss U.S.A. Pageant. Of course they have their share of today gowns too.

I think the award for "Most Beautiful Display of Hollywood Royalty" definitely goes to **Elizabeth Taylor**. Did you see her flawless gown she wore in all her Piscean glory? Size six, no less. She's definitely one of my all-time favorites. To bad **Audrey Hepburn** wasn't on this year. Classic, classic charm, grace, poise, and beauty.

You know who really works me? Pretty **Molly Ringwald**. Miss Breakfast Club and Miss Pretty in Pink herself. Everyone says how pretty she is. I'm over it!! She's not that pretty. Cute will do. At least she has a snappy hairdo. That's it! To top it off, she has to squint at the cue cards because she can't see.

Let's get the girl some contacts or something.

Oh well, I can't really talk about the films or the stars who won because I've not seen any of the films except for **A Room With A View**. But please, half the fun of the Academy Awards is dishing the stars. After all, isn't that what they get for being stars? I didn't really say that.

For those of you who haven't yet been exposed to the **Austin Lesbian/Gay Political Caucus'** endorsements for tomorrows elections, they are: Place 1, Sam Griswold; Place 3, Sally Shipman; and Place 4, George Humphrey. Polls are open all day tomorrow. Get out and vote! It's your duty and your right.

This Sunday at 6:00PM, **Snuffy's Saloon** is hosting the **Austin preliminary competition for the Statewide Country/Western Dance-off**. **Michael** and **Shelby** of Austin scored quite well in Fort Worth. Let's hope they do even better in Austin. Good luck to all the Austin dancers. I hear **Snuffy's** in San Antonio is scheduled to open Saturday, April 11th.

Bruce at **The 505** told me **Maria's Margarita Madness** is every Tuesday starting at 9:00PM with \$2 cover. Make Maria happy. So what's all this hoopla with **The 505's** patio? They're either landscaping or having fun with dump trucks. Check it out this weekend.

If you're into feminist humor, don't miss **Kate Clinton** tomorrow night at **Ellington's** at the **Villa Capri**. Her shows are at 8:00 and 10:30 PM. Guitarist and singer **Ann Reed** opens **Kate's** shows. For details call 459-1722.

The Headliners and **The Nexus Naughties** raised over \$450 for **AIDS Services of Austin** this past Tuesday at **Petticoat Junction**. **Marcy Fletcher** emceed and **Nicole** and **Wanda** entertained.

Brent Nicholson Earle was escorted to the Austin bars by **Felix's Aerobics Class of Badlands** and **TGRA** this past Tuesday. The group started at

Badlands and visited **The 505**, **the Crossing**, **Chain Drive**, **Private Cellar**, **Uncle Charlie's** and ended the benefit-run at **Petticoat Junction**. Mr. Earle is running 10,000 miles around the perimeter of the U.S. and is promoting safe sex and raising money for the **National AIDS Network**. He might be back in Austin this weekend. We'll see.

Over at the **Private Cellar**, the "boys were girls" with **Tatiana**, **Mama Motown**, and **Riki Rousseaux**. You know, the Cellar has live entertainment almost every night of the week. Have you seen the new video room at the Cellar yet? **Killer Bees!!** **Word of Mouth Women's Theater** is presenting "**Romance... Leave a Message at the Beep**", through April 19th at the **Acting Studio**. Performances are at 7:00 and 8:30 PM on Sundays.

Reservations are recommended and may be made at 452-5989.

John "Wax" is now deejaying at the **Chain Drive** on the weekends. You might stop in and check it out if you're in the neighborhood.

The Getaway is having "The Best Little Getaway in Austin" Friday, April 17th at 8:30 PM. Nicole is guest starring. There will be door prizes and drink specials.

Expose is appearing at **Hall's** this Thursday, April 9th at 10:30 PM. Definitely a hot act not to be missed.

Hall's is also hosting, along with **The Austin Mirror**, an important benefit for **AIDS Services of Austin** this Monday, April 6th at 10 PM. Tony Rose will be back in town, as will Pamela "The Bear" McCarthy. After that show, a handpicked selection of Texas' hottest male strippers will entertain. This is what I call quality entertainment in support of the AIDS Services of Austin. So why not break the monotony of the usual Monday night routine and join us at Hall's for the show?

Don't you know there will be gobs of hot leathermen and cowboys in Austin at the end of April? **Badlands** and **Chain Drive** are both celebrating their **First Anniversaries** April 23-25th. That's also the weekend of the **TGRA** state meeting. Stay tuned for details!

Get ready for **Homecoming Weekend** at **Snuffy's Saloon** and **Badlands**. The Homecoming Queen will be selected this Thursday, April 9; the pep rally is Friday the 10th; Saturday evening is a "jockey shorts football game" between "Badlands/Snuffy's University" and **TGRA**; and Sunday is the awards presentation. I know there will be lots of beeyootiful hair and simple circle skirts.

The 3rd Annual Spring Cotillion is Saturday, April 11th. The cotillion is a benefit for **AIDS Services of Austin**. Tickets are \$15.

The Boathouse is having another crazed theme party...**The White on White Party!** Never mind what **Amy Vanderbilt** says about wearing white this late in the season, **Miss Manners** says it's okay... as long as it's tasteful. The party is Saturday, April 11th.

Looks like Austin is going to get a new bar. **Rupert's** is re-opening as **Rupert' Corner** sometime soon.

Don't forget the **Hunter & the Headliners** shows with **Marcy** at the **Crossing** every Monday night. And by the way, did you know that the first person to enter the Crossing each morning receives a free cocktail? That's called the early bird getting the worm!!

Well kids, please call me if you have anything fit for print. I can be reached at 495-9553 from 11:00 AM 'til 5:00 PM Monday through Friday.

So, for the rest of the week, be good, have fun, and do safe sex.....

Fortune in the Stars

by Sister Good Fairy

ARIES (March 21-April 20):

The changes just keep on coming, your popularity, especially sexually, is at it's peak. Don't allow the physical to pleasures over/shadow either work or school. Don't expect any long term romances to come out of your current frolic, just enjoy. **LUCKY DAYS;** Sunday, & Monday.

TAURUS (April 21-May 20):

Introspection is still the rule. Don't become depressed and shut everyone out of your life, just be your natural practical self. Do try to get out and get some exercise and try not to overeat. Expect some wild sex with a person whose first name start with an R. **LUCKY DAYS;** Friday, Monday, & Thursday.

GEMINI (May 21-June 20):

Zip it up and keep it there, the stress is on friendship not lovers. Business could take a good turn but only if you invest a lot of energy. Your energy level will be very high at this point, especially regarding groups of people or community activities. Satisfaction can be found in charity work. Beware of someone from the past. **LUCKY DAYS;** None.

HERB ALPERT-KEEP YOUR EYES ON ME-A&M RECORDS, USA

DON'T BE DECEIVED BY THE PERFORMER. HERB ALPERT HAS BEEN KNOWN IN MUSIC SINCE THE 1960'S. FOR THE LAST FEW YEARS HE HAS BEEN RELEASING OCCASIONAL SINGLES WHICH HAVE MADE IT TO DANCE CLUBS. "KEEP YOUR EYES ON ME" IS BY FAR THE MOST COMMERCIAL AND DANCEABLE OF THESE SINGLES. AT ABOUT 116 BPM'S, THIS SONG HAS A STRONG STEADY BEAT, A SIMPLE TUNE MARKED BY MR. ALPERT'S TRUMPET SOLO, AND A SIMPLE LINE REPEATED THROUGHOUT THE SONG BY LISA KEITH.

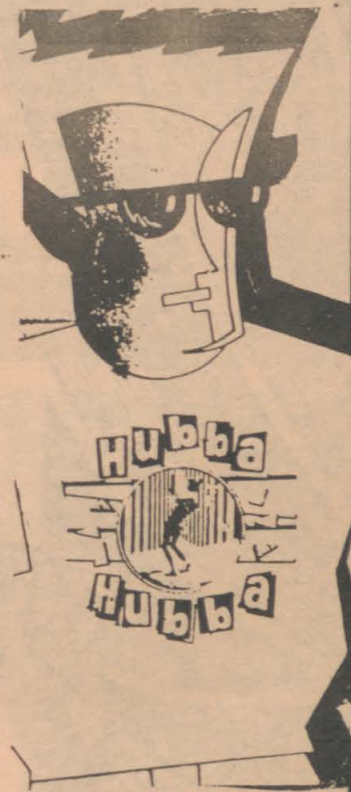

THE FLIP SIDE IS A BALLAD, "OUR SONG", VERY MUCH IN THE STYLE OF HERB ALPERT AND TIJUANA BRASS. "KEEP YOUR EYES ON ME" IS NOT A TRUMPET SHOW OFF SONG, IF YOU DIDN'T KNOW THIS WAS HERB ALPERT, THIS FACT WOULD GO COMPLETELY UNNOTICED. THIS IS A TURN FOR ALPERT WHO IS KNOWN FOR GAY CLUB MATERIAL. IRONICALLY ENOUGH, HE HAS BEEN EXTREMELY SUCCESSFUL WHEN DOING SOMETHING DIFFERENT; ONE OF HIS BEST SELLERS WAS A SONG IN WHICH HE DIDN'T PLAY THE TRUMPET, HE SANG.

LIME-GOLD DIGGER-TSR RECORDS USA

IT WAS ABOUT TIME LIME CAME OUT WITH SOMETHING NEW. THE LAST TIME THEY HAD A MAJOR RELEASE WAS TWO YEARS AGO WHE THEY RELEASED TWO ALBUMS IN THE SAME YEAR; UNEXPECTED LOVERS AND LIME- GREATEST HITS. BOTH OF THESE ALBUMS HAD A HEAVY ELECTRONIC LINE.

THIS NEW RELEASE IS MORE IN THEIR EARLIER STYLE. ACCOUSTICS LEFT AND RIGHT BACKED WITH KEYBOARD MELODY, A GOOD BASS LINE AND RIGHT BACKED WITH KEYBOARD MELODY MELODY, LA GOOD BASS LINE AND THE VOCALS OF DENIS AND DENYSE LE PAGE. THIS SONG IS ABOUT 119 BPM'S AND FULL OF ENERGY. THE SINGLE INCLUDES 4 DIFFERENT REMIXES, INCLUDING ONE BY BOB MIRO, WHO REMIXED THEIR LAST HIT "UNEXPECTED LOVERS". ALL VERSIONS ARE GOOD AND EASILY MIXABLE.

LIME IS A GOOD EXAMPLE OF DANCE MUSIC WITHOUT STICKING TO A FORMULA. THEIR MUSIC HAAS VARIED IN STYLE AND SPEED MAINTAINING HOWEVER THE ESSENCE THAT TELLS YOU, THIS IS LIME.

CANCER (June 21-July 20):

You are in the center and need to stay calm. A lot of "Important" people are demanding your attention and time. Enjoy their antics as you would a treasured pet and don't worry to much about them. Money and business records need your attention as there may be errors. BE careful when meeting a stranger, he is only interested in your money. **LUCKY DAYS;** Tuesday.

LEO (July 21-August 21)

Love is in the air for your magesty and then you're going to think you'll never get any more again. Not to worry, enjoy the present. Travel is indicated and a long term romance with an Aquarius partner is possible. Call your mom.

LUCKY DAY; Saturday, Monday & Thursday.

VIRGO (August 22-September 21):

You may make some changes in sex style during this week-top to bottom etc... It's Spring and you can go ahead and feather your nest cause you are going to experience a new love in romance. You may have a wealthy relative pass away with you receiving money or property. **LUCKY DAYS;** Friday, Tuesday, Wednesday.

LIBRA (September 22-October 22):

Now is a time of commitment, from you either renewed in a relationship or else in a beginning of one. Remember, don't push too hard for the balancing commitment from your new partner to be. Sex will be vital during the next two weeks and then balance out during the rest of the month. **LUCKY DAYS;** None.

SCORPIO (October 23-November 22):

Relationships are taking a strange turn as you can not force commitment from a reluctant partner. Accept this with grace and cut your losses. Concentrate on business matters and be cautious as the unexpected is going to be happening, good and bad. Be careful about getting or giving hot checks. **LUCKY DAYS;** Friday.

SAGITTARIUS (November 23-December 20):

Play babies play! Serve pleasure on a platter or in a hot tub. Travel, especially to Vegas, will be favored. Order extra linen as you are in for numerous romantic encounters and your partners in for some energetic play. Try to be careful about putting your hoof in your mouth and remember to play safe. **LUCKY DAYS;** Friday, Saturday, Sunday, Tuesday, & Thursday.

CAPRICORN (December 21-January 17):

Emphise your relationship with friends, family etc... Don't call in to work with the 24hr flu, or if you do, be constructive at home. Do try to get out but don't expect to. You may be moving into a new home. You won't be able to cuddle as much as you would like but may make an all time record. **LUCKY DAYS;** Tuesdays.

AQUARIUS (January 20-February 18):

Your family needs reassurance, this includes your blood relatives as well as your gay family. Get caught up either by mail or phone and don't worry about the phone bill going up because you are soon coming into some money. Try to avoid getting caught up in too many activities right now or you run the risk of burn out. **LUCKY DAYS;** Saturday, & Sunday.

PISCES (February 19-March 20)

Aren't you just the party girl! Your worries are lessning and if you listen up on the drugs and alcohol you will experience even more romance. A dark stranger, maybe a scorpio is in your immediate future, if you aren't too grand this romantic encounter could become love, **LUCKY DAYS;** Saturday, & Sunday.
