LARRY BOXX'S

Well, Girls,

I'm gone for a week and what do you know, but Madamn Boxx (Let's get the spelling right this time) has invited that tacky drag queen, Rachel Wells, down from Atlanta for Easter Week!

Really, I'm outraged after the manner that Ms. Wells (Raquel Welch's confused brother) slandered my journalistic endeavors. Rachel opens Sunday, April 11th with "Jesus Christ, Superstar", where she will portray Mary Magdalene (believe me, she's had plenty of experience) and I was just wondering whether Rachel will attempt to walk across the pool during her performance. No harm done if the girl falls in....we all know fish can swim. On the evenings of April 12, 13, 14 and 15, Rachel will do "regular drag" and will return on Easter Sunday for a Command Performance of Jesus Christ, Superstar. In spite of Ms. Wells' and my personality conflicts, you're a damn fool if you miss her... she is truly a Superstar!

The hotel is filling up for Easter pretty quickly but Madman Boxx will still take a few reservations, even if he

DISCO NEWS

by DONNA LOU

has to put them up in his own closet which has been empty for years. Listen, Sis, I'm giving you fair warning and I hope you can restrain your ruthlessly insulting tongue or I'll tell the whole world who I caught you cruising by the pool at 5:30 a.m. (I've got two witnesses).

Hot up on the Boxx's! It seems as though Miss Vicki, who has made up to \$100 an hour up in Toronto, got butch and too a cherry. I don't believe it but Madman Boxx said it was so ridiculous that even Miss Vicki laughed hysterically throughout the whole ordeal.

Dougie, our Tape Jockey, was named the "Other Woman" in a divorce suit... what some girls will do to get their names in the paper!

My dear, if this column gets much juicier, I'm sure it'll win the Noble "Piece" Prize!

Before it slips my mind (and with all this Vaseline in my hair, you know how that is) On Saturday, April 17th, after the Stonewall closes, we'll serve coffee and doughnuts Poolside before a 6 a.m. Easter Sunruse Service by the Metropolitan Community Church. If it's not too late to save my soul, it's not too late to save yours.

Least and probably last, an old Sandboxx Buddy tells me that he was an exceptionally talented child. When Larry used to play doctor, he specialized in Proctology.

Ta Ta,
Donna Lou

THIS WEEK

Welcome to DAVID'S homeland, the South, and all the fun things we have to offer! Whether you're here for the first time or on a return visit, we hope you'll enjoy your stay and visit many of the funthings, people and places advertised in THIS WEEK WITH DAVID. You'll find this complimentary guide with it's accurate listing of establishments catering to gays easy to follow on it's compact tear out-page. Take advantage of the advertised specials designed for your enjoyment on these pages and, if you should be moving to the area, let our weekly classified section find you a place to live, a job, and possibly a much-needed article or a new friend. We sincerely hope you enjoy your stay, no matter how long and that we will have been of some assistance in showing you a good time. You can return the favor by simply mentioning to our advertisers that "You saw it in DAVID." Thank you.

April came in like a lion this year keeping everyone busy and somewhat confused...we checked with Broward County fuzz over recent visits to gay establishments... word is that the total "hands off" policy has worked well in most cases, but a few establishments have gotten a little lax in self-policing as a result. Recent visits were merely a reminder to "keep your noses clean". However, if any particular "overzealous" policeman gets carried away with a possible "newfound thrill" he is to be reported for possible transfer to some less tempting position.

The introduction to Coyote (Call Off Your Old Tired Ethics) to the scene is causing quite a lot of enthusiasm for possible changes in Florida Laws. At a recent A.I.R. meeting, leader, Margo St. James, captivated those in attendance with a humorous and very personable approach to the subject. Ms. St. James feels that Florida is one of the top five states on their list of places where these laws may be adequately revised. She explained that the corporation, a "Loose Woman's Organization", has way of getting into places that would take others twice as long. Judging from the nationwide publicity already given their 'Hooker's Ball' and their successes in California, Coyote will most likely continue to be well received by the community.
