Don't forget to stop by the **BRB** on July 30 for their 17th annual **DENIM PARTY**. The club has been hard at work scouting out the cutest guest bartender/hosts for your approval. Tons of tight cowboy butts in even tighter 501s, who would want to miss this? If you would like to be one of the hosts, pick up an application from any bartender at the **BRB**, you'll be glad you did.

On July 22, **RICH'S** is raising the regulated hair height for a special evening of decadent behavior. **WIGS ON FIRE 2000** will be sweeping in at 7 and 11 p.m., with special guest **DJ LYDIA PRIM**. Tickets are \$15 and are available at the door, as well as on their web-site. www.richs-houston.com. This event benefits **MISS CAMP AMERICA FOUNDATION**. In case you missed it the first time, dear your calendar for the week of Aug. 11, as Rich's gears up for one of the biggest events this year. The **14th ANNUAL MR. GAY USA** contest will bring in hunks from all over the U.S. to battle it out in a wickedly fierce competition. The final judging will be held on Friday Aug. 11 at Rich's, where one man will stand out from the rest, and be crowned Mr. Gay USA 2000. Tickets for these festivities are on sale at Rich's. For more information, visit www.richs-houston.com.

Well, folks, that's it for this week. Take a look at our new calendar boy feature on page 31, "Houston according to....," and give me your feedback. We're always looking for people to be our next star, so if you're interested in being the next feature and finally getting a chance to let your opinions be known, drop me a line at markg@coolmail.net.

Name: Joel S.

Occupation: Student
Favorite Color: Blue
Favorite Movie: "Truth or Dare"
Hobby: Working out, riding bikes
Musician: Madonna
Book: Madonna's "Sex" book
Magazine: Men's Health

Monday: I usually study or write a paper, but on break from school I go to **CAFÉ ADOBE** for a couple margaritas, and wrap the evening up at **JR'S**. If I'm still standing after all that, I dance what's left of the night away over at **PACIFIC STREET**.

Tuesday: There is not much going on, so you have to create your own fun. I usually end up inviting some friends over to my house. If I do go out, I head to **RUGGLES** downtown; it's the best option for a Tuesday night.

Wednesday: Ah, hump night... If I'm in the mood, I might go out to one of the Latino bars, like **INERGY**, or **MELA'S**, do some salsa, shake my ass a little bit.

Thursday: If my school load is pretty light, I head over to the **GINGERBREAD MAN PUB** in the Rice Village with some girls from school. They have great pear ciders on tap. After that, I try to ditch the girls, and take off to **RICH'S** and check out all of the straight boys at "**HEDONISM**." If I end

up going out with the girls, we hit the **MERCURY ROOM** downtown, which has great music and hot guys.

Friday: We start at **CABO** downtown. They have dollar margaritas that will knock you on your ass. At some point in the evening I end up at **HYPERRIA**, which has some of the best music in town.

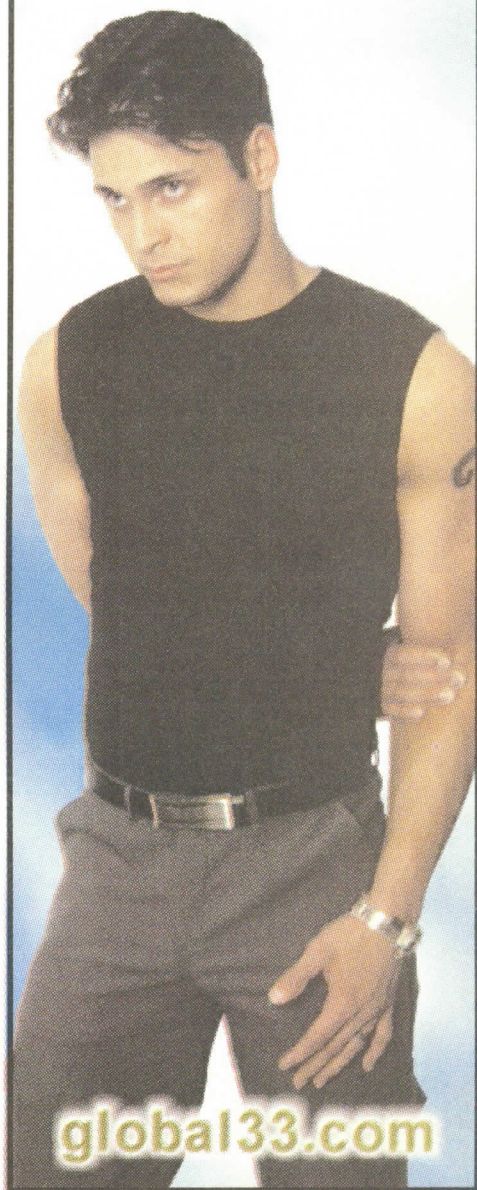

Saturday: Usually start out around 10 at **JR'S**, meet up with some friends, get a big group to head over to **RICH'S**, and if things get really late, end up at **CLUB SOME**, or out to eat at **HOUSE OF PIES**.

Sunday: I usually jog and hit the gym early in the morning. Sunday is family day, so I spend some time with the folks. Finish off the evening at home with a good video from **BLOCKBUSTER**.

Yothu Yindi, which had great success on the dance charts with their songs "Treaty" and "Dajapana" in the early 90s. And there is Midnight Oil and Olivia Newton John, who both had great success in the 80s.

Now, years later, Nomad breaks out with his dance hit "With You," remixed by legendary (remember no talent needed) New York DJ Junior Vasquez. This full length CD titled "Songman" is a nice piece of music with a variety of samples of the Aboriginal chants and instrumentation. (mostly the didgeridoo). The songs are pieced together like a puzzle, using traditional Aboriginal songs and instrumentation to form new songs.

Unlike Yothu Yindi, which writes and performs their songs as a group, Nomad is one guy who has traveled to the Outback to record and sample these songs to use as his back drop for his own music. This CD is pleasant to listen to, and might even

have another hit or two, if Nomad has his way. If you like Deep Forest, then you might like Nomad as well.

Wingmakers

Chambers 11-17

Soulfood

You might want to find out more about Soulfood (www.soulfoodmedia.com). This CD is similar to what Enigma did years ago. Wingmakers uses today's technology to form incredible sound scapes. Taking samples of just about every form of tribal instruments—including African drums, Native American flutes, Aboriginal didgeridoo and a variety of chants—Wingmakers

have put together a relaxing CD.

The modern rhythms and keyboards that are layered with these samples are soothing to the soul. Soulfood has a variety of releases that are all on this mystical theme. If you are looking for some relaxing music to listen to while you burn those scented candles, and give that sensual massage, check out this group.
