# Gay News & Bar Talk

By Henry

We seem to be taking our own sweet time between issues these days, you may have noticed. Health and medicine are the reasons for that. Brian had the flu and I'm taking medication that makes me want to sleep all the time. Which I do. We'll both come out of this shortly, especially in time for our switch to weekly in early March.

Send us your resume, or desires, or your ideas for this publication to our e-mail address on the front cover. I especially want to hear from you if you are the out-going sales type or if you are the news reporter type.

## Bite Me

Well, it's time for me to write another column. Let's lead off with your teeth, or lack thereof.

Everything you buy these days is wrapped in plastic. The little spoons and knives at McDonald's are wrapped in plastic. Your precooked ready-for-the-microwave Aunt Jamima waffles and pancakes are wrapped in plastic instead the box. Your fortune cookie at the end of a meal at a Chinese restaurant is wrapped in plastic.

And you can't open the damn things with just your hands. You must put each in your mouth, tighten you teeth, rip.

What do people with no teeth do? They starve to death.

## Welcome

Oh, and welcome to the 52nd issue of your favorite gay bar rag. **Conservatives**

I've preached on this before but I'll try again. This is the preaching

section. Skip it if you're apolitical. *What is a conservative?*

There is an organization called the Federalist Society. Many judges are members. You can call them federalists. As such, they believe the federal government should stay out of the business of the various states.

## What is a conservative?

Just ask any laymen who calls himself a conservative that question and they'll respond with a meaningless answer.

"A conservative is someone who loves his country."

"A conservative is someone who supports our troops."

"A conservative believes in God."

And, if you're really stupid, "A conservative is someone who wants to protect America from the homosexual agenda."

As it stands now, the Republicans are the white collar party and the Dems are the blue collar party. But since the workers of America outnumber the executives of America many fold, the Republicans needed a gimmick.

So how can Republicans win an election when they are so outnumbered? "Why don't we tell everyone that conservatives love their country, supports the troops believes in God and wants to protect your family from the homosexuals who are out to steal your children."

So, the coalition of the white collars and the bamboozled people at the lower end of the IQ spectrum are enough to win elections for the Republicans. That is until, after many years, it finally sinks in, as it did a month back. The G.O.P. is using its influence in government to create loopholes for the rich to get richer while cutting back on social services needed by the non-rich.

Is this too much of a civics lesson? Sorry. But, seriously, ask your friends who claim to be a conservative to answer the question. *Accidents?*

This just in on the television news. An "accident" at Montrose and Westheimer involving a school bus has left some children dead, their precious bodily fluids smeared into the Valero station. Here's our reporter, Pricilla Ashley, at the scene.

"I'm standing here with my feet soaking in blood and unidentified kiddie parts and I can hear other little children trapped in the bus screaming in excruciating pain as we await the arrival of the ambulances.

"We're going to zoom in now to the carnage. I think I can detect a child's head, partially severed, dangling from a window."

"Pricilla, this is Melaine Ashley back at the studio. What else can you tell us about the accident?"

## Accident!

Things like this, even a simple fender-bender, are **NOT** accidents. An accident is something no party could have prevented. The bus driver could have traveled slower on the slick road. The car that cut them off could have obeyed rules of the road and not cut the bus off.

The news media cannot jump to judgment, of course, as they don't know how fast the bus was going or if the car cut off the bus. But they can assume reasonably that someone did something wrong. Therefore, this is an incident (or whatever name you want) but not an accident. But, no matter. They always call everything an accident. *Allegedly Guilty or Not Guilty*

And here's my other pet peeve about our TV news people.

"The alleged perpetrator

apparently got away through these bushes." No, the perpetrator got away through these bushes. Whoever the perpetrator is, we may not know. If you toss some names out, then these people are alleged.

When a person going to trial is in the news, he's referred to as the alleged killer (or whatever). Once convicted he's then referred to as the killer or the convicted killer. NO! my sweet little reporter on the ground. Just because a court finds someone guilty does not itself mean they're guilty. It just means they were found guilty in a court of law.

You can refer to him now as "Bubba Bullpit, convicted of eating his neighbor" but not "cannibal Bubba Bullpit." And not even if Bubba says he did it with blood drooling out of both sides of his mouth. He might be lying.

You know what you know and you don't know what you don't know. You know he was found guilty in court. You know he said proudly he did it. But you don't know that he did it. Only Bubba knows that. Reporters should not pass judgment even if courts do.

## L.U.E.Y. Weekend

Houston's big leather event will be Feb. 22-25. Registration locations are determined but dates of some other event are still in the works. Thursday evening the E/J's is the first registration followed by Friday evening at Mary's.

If you were registered last year, you no doubt have already received info in the mail for this year. If not, you can find forms at the usual locations, including the above-mentioned bars plus the Ripcord.

## Charities Show

The annual PWA Holiday Charities Show, hosted by Don Gill and Bob Bouton will be Sunday, Dec. 10, at the cowboy bar, the BRB.

## Scorpio: Quick Changes

**HOROSCOPES by HELGA**

**ARIES** (March 21-April 19): At home, you're at ease and enjoying life's pleasures. This is especially true in your dreams at night. There, your thoughts light a sense of pleasure as intense as that you feel when you receive. And everyone has areas of less experience.

**TAURUS** (April 20-May 20): Your New Year's resolution, already in addition to the ones you have made, is harness your talents for fun and playful relaxation. Then, if you could not stop giggling. Problems could be solved as you read this now.

**GEMINI** (May 21-June 21): You can travel wherever you want. This will be a good thing. Take the time and make the call. There will be limits but you will operate safely within them.

**CANCER** (June 22-July 22): Ah, your co-workers may help you take a dive into uncertainty in the next week because, well, you will see that you will have no choice.

**LEO** (July 23-Aug. 22): Flirting. This helps you get through each day of this life. Show respect. A cloud of joy will explode around you in the next few days. The man in the mask will look very tempting.

**VIRGO** (Aug. 23-Sept. 22): Don't buy more than you need, avoid the big bargain; what was that about snakes and apples? Pisces and Cancer are in your future and you're experiencing the depths of your love. A Libra is in your immediate future. Far-reaching schemes for Christmas are under the tree for you this season.

**LIBRA** (Sept. 23-Oct. 23): You will enjoy what, where and how. Which shall prevail: your serious side or your silly side. And that may well be some initiative to get you to move from one stage to another.

**SCORPIO** (Oct. 24-Nov. 21): Do not to rush into quick changes. A little quarrel may pop up, but it is not all that important. A Scorpio friend has some confidential advice. A Sunday coming up will be a day to remember.

**SAGITTARIUS** (Nov. 22-Dec. 21): Yes, you are the object of someone's intense desire. You will have an inspirational effect on them and that will inspire you. Helga sees an effervescent romance possibly on the horizon. Praise first, then advise.

**CAPRICORN** (Dec. 22-Jan. 19): It will be lucrative. Go ahead and sail to the next coastline of life. Flare-ups can be controlled with a splash of life. Others could use your help.

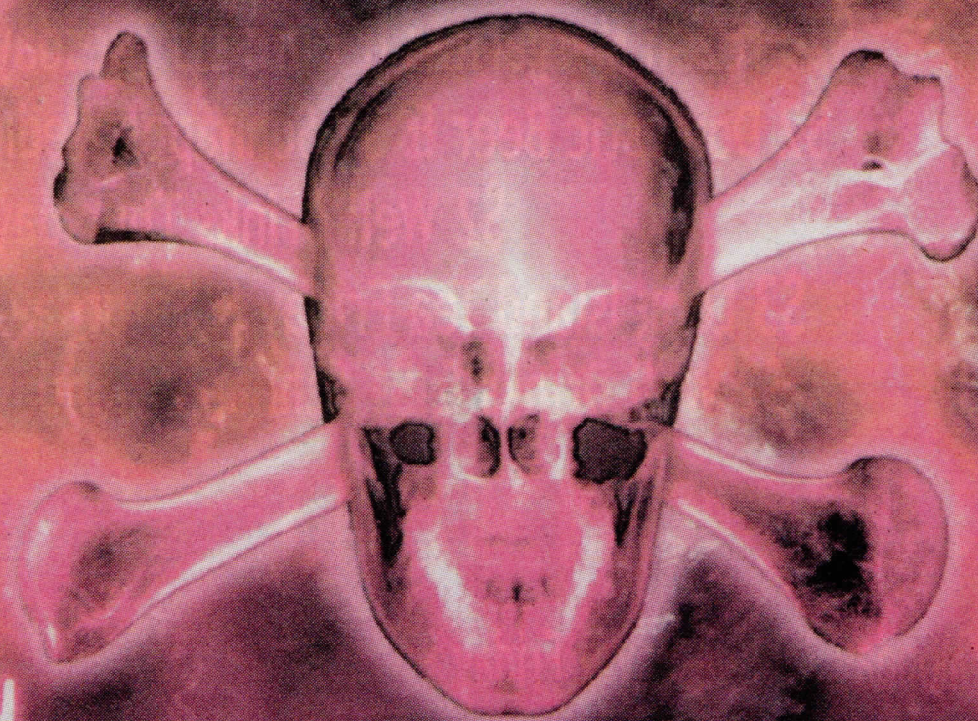

**AQUARIUS** (Jan. 20-Feb. 18): You will become delirious, perhaps, in a week. Yes, give in. You will get recognition from those on the other side of the room. Helga sees that shortly you will spot a message in an unusual place.

**PISCES** (Feb. 19-March 20): This could go either way but Helga senses you will make the right decision. People and animals will be involved. Helga sees you lightening up this December and you will be secretly rewarded.

*Helga's lottery results from last issue:  
1 number . Cumulative: Down \$99.*

*Here are Helga's picks for Dec. 1 and 2, 2006. Mega Millions Friday: 46, 3, 26, 21, 51. Mega Ball: 23. Megaplier? Yes. And for Lotto Texas Saturday: 14, 45, 18, 8, 48, 27.*
