Every year though the generosity of organizations and the community PWA-Holiday Charities is able to provide a bit of joy or something extra those living with HIV and AIDS. Over the years this has grown from just a few thousand dollars a year to between \$65,000.00 and \$75,000.00 annual for people living with HIV/AIDS.

We differ from the larger HIV/AIDS service organizations that are here in Houston. Many of them receive their funding through government grants that have restrictions. They have to abide by strict government regulations with the funds they receive. Every penny needs to be used for what it is specified for. Money for one program can not be used for anything else, even if there is a serious need and there is extra money in that certain budget.

With PWA-HC's funding coming from the community we are fortunate to have the flexibility to able to provide something extras for the clients of other organizations at the Holidays, and at other times during the year without government agency regulations saying how each penny is spent.

AIDS Foundation Houston does receive funding year round for Stone Soup. These are limited funds. They do not have extra money for the Holidays to give a little extra to their clients. This is where PWA-HC helps.

Twice a year PWA Holiday Charities provide Kroger Gift card for all of the clients of AIDS Foundation's Stone Soup. The Holidays that these cards are provided for are Easter and Thanksgiving. It allows the clients to purchase some extra food for their Holiday Meal. With Stone Soup having up to, or at times well over 1,500 clients and the gift cards costing \$15.00 each of these annual gifts to them the cost is averaging between \$45,000.00 and \$50,000.00 for Easter and Thanksgiving combined.

In order to be able to provide these cards there are two annual shows put on by the membership of PWA Holiday Charities. In February there is a Valentines Show and in October there is the Halloween Show which also serves as our Anniversary Celebration. These shows supplements other monies raised during the year to ensure that this project continues.

Dalton DeHart, A Celebration

Press Release from Montrose Counseling Center

Our Community Photographer Past, Present and Future 30th Anniversary Kickoff Event, December 6

For many years Dalton DeHart has been a paragon of the community, showing up at almost every event to capture it on film. On December 6, we will turn the camera on Dalton to focus on his prodigious contributions to our community.

In addition to honoring Dalton, this event also coincides with our kickoff to Montrose Counseling Center's 30th anniversary, and our launch of the Building Fund Campaign.

Come and look at more than 25 years of images in Dalton's photo albums, donated to the Gulf Coast Archives and Museum of Gay, Lesbian, Bisexual & Transgender History [GCAM]. You'll see pictures of yourself as well as friends you haven't seen in years, including many who are no longer with us.

There will be pictures of: Pride Celebrations, Houston Black Tie Dinner, Halloween

Magic; Miss Camp America; EPAH; Bunnies on the Bayou; and many other community events too extensive to list here.

What's the connection? In 1978, the same year Montrose Counseling Center was founded, Dalton purchased his first two 35mm cameras. Since that time, he has taken more than 12,370 rolls of film.

Montrose Counseling Center has chosen to honor Dalton because he puts a face (a true face) on the GLBT community, and one that is inclusive of all.

From community leaders to drag queens to activists to

business leaders, anyone could look at his body of work and see themselves in the images represented. Dalton's craft of photography has kept so many memories alive.

As you may know, MCC is a nonprofit 501(c)(3) United Way organization founded in 1978 to provide mental health services to Houston's Gay, Lesbian, Bisexual and Transgender [GLBT] communities. MCC offers a safe, affirming place to receive counseling, attend support groups, obtain HIV/AIDS case management and outpatient chemical dependency treatment, all at very low or no cost for its clients. We invite you to come

take a look at the first floor just before construction starts.

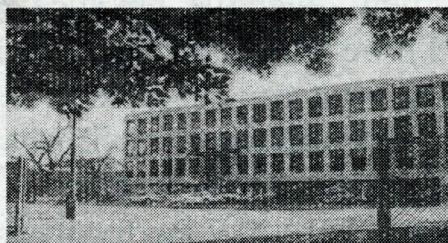

When finished, the first floor will be dedicated to community service, providing a permanent space for Gay & Lesbian Switchboard Houston and HATCH. The Houston GLBT Community Center has committed to moving in, and meeting space will be available to community groups.

Montrose Counseling Center has a vision for the future of our community, a vision we share with Dalton. Below are the levels of support; please consider becoming a sponsor.

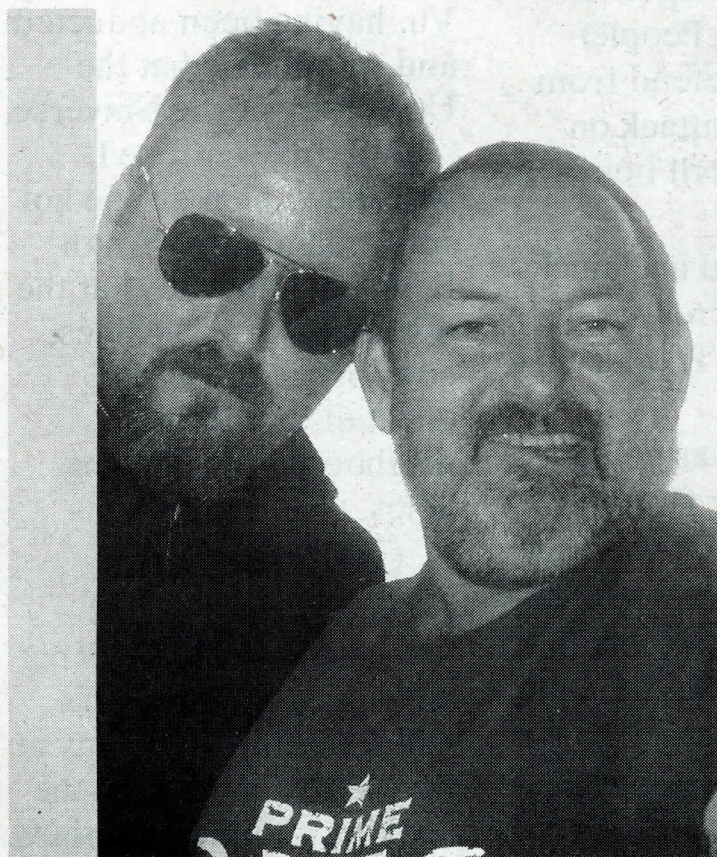

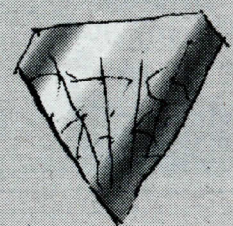

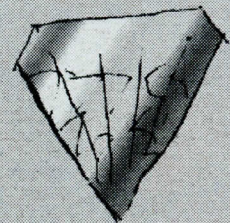

This event will take place on the first floor, pre-construction. Renovations are expected to be completed mid-2008. All proceeds from this event will benefit the MCC Building Fund.

Please consider joining us as we kick-off our 30th Anniversary with Focus on the Past, Present & Future: A Celebration of Dalton DeHart.

GCAM is graciously lending us the albums for the evening. In addition to

30 years of community history, we will have Dalton's photos of MCC's new home during the construction and move.

**THIS IS
MONTROSE**
News, Nonsense, Rants
By Henry McClurg

Welcome to the 70th
issue of the Montrose GEM.
Tacos, Etc.

I am going to share a
secret with you about the
most delicious tacos there
are. The meat is cooked
by Dan, the doorman at
The 611. Normally, you had
to travel to the capitols of
Europe to sample Dan's
taco meat, but now it can
be found on Thursdays at
The 611.

Jimmi makes the con
carne, famously served in
the halls of the Kremlin and
to the Japanese leaders.

Reading, Writing ...

For your info, I'm blind
as a bat, as the saying goes.
Just before Christmas I
will be seeing you with all

"new" eyeballs. I'm sure
I'll be shocked! Shocked!
At what you really look
like. Until then, you'll just
have to put up with my
typos here in your favorite
(and only) gay newspaper.

Really Different

Time..

Time again..

We will explain this.

--The Knowing Ones

*You can see into the
past. In fact, everything
you see is from the past,
such as a nanosecond
ago that you see what
you held in your hands,
to millions of years ago
as you see looking at the
stars,*

*You can travel into the
future. In fact, you're doing
that right now as time
moves on.*

*--Basic Human
Understanding.*

What the hell? It's the

opening to a chapter in
my soon-to-be-published
book about beings from
the planets of Vo. They're
time travelers, you know.
They're lead by The
Knowing Ones.

They come to earth to
form an alliance (to tell
us we are joining their
Federation of People)
and help us defend from
an imminent attack on
earth by the evil beings of
Suuyolu.

The Suuyolu are much
like today's terrorists. They
kill just to kill. They seem to
act stupidly.

At first, I was going to
have the book finished
while George W. was still
president so we could have
him run and hide when the
good beings, the Vo, came
to earth.

But it looks more like
Hillary will be in the

White House by the time I
finish, so we will have her
cautiously confronting
the Vo.

Anyway, after the
Vu arrive and before the
Suuyolu attack, the beings
party down. I'll have them
visit Montrose. (I will be
an early convert to the
Vu, having been abducted
and re-educated at the
University of the Universe.

Here in Montrose I
will show them all the hot
spots: dancing at South
Beach, leather boys at the
Rip, Karaoke at Decades,
cowboys at the BRB,
cocktails at all the
neighborhood watering
holes.

Quickies

Bonnie Bitch is this
Saturday at EJ's. She's big
