Ah, Galveston by the sea. "Mother" writes about Galveston this issue starting on page 4. These photos, taken at the Kon Tiki and Mary's Too, are by Louis Johnston.

Late polls are showing gays are ahead in Miami

Late polls from Miami show a reverse of earlier polls. Gays are now leading.

The Miami campaign is now in the final stretch. Voters will decide June 7, about a week from now, whether to keep an ordinance that bans job and housing discrimination against gays or to repeal the ordinance.

Anita Bryant and her "Save Our Children" organization, which forced the referendum by compiling a petition, were leading in the polls of a month ago, but that lead has apparently dissolved.

According to "Miami Victory Campaign," a gay group, on June 1, the Miami Herald's poll showed the gays leading 44% to 32%. The Miami News showed two out of three voters endorsing the gay-rights measure. A poll conducted by the University of Miami showed a 56% to 38% ratio in favor of not repealing the pro-gay ordinance. And the Harris Poll came up with similar figures: 60% to 40%.

Why the switch? Why do gays and their supporters now lead? According to one gay activist: "The fabulous Anita Bryant has taken her fear and confusion campaign into such an overkill dimension with 'big lie' ads."

On June 7 Miami will be the first community in the country to "say it out loud."

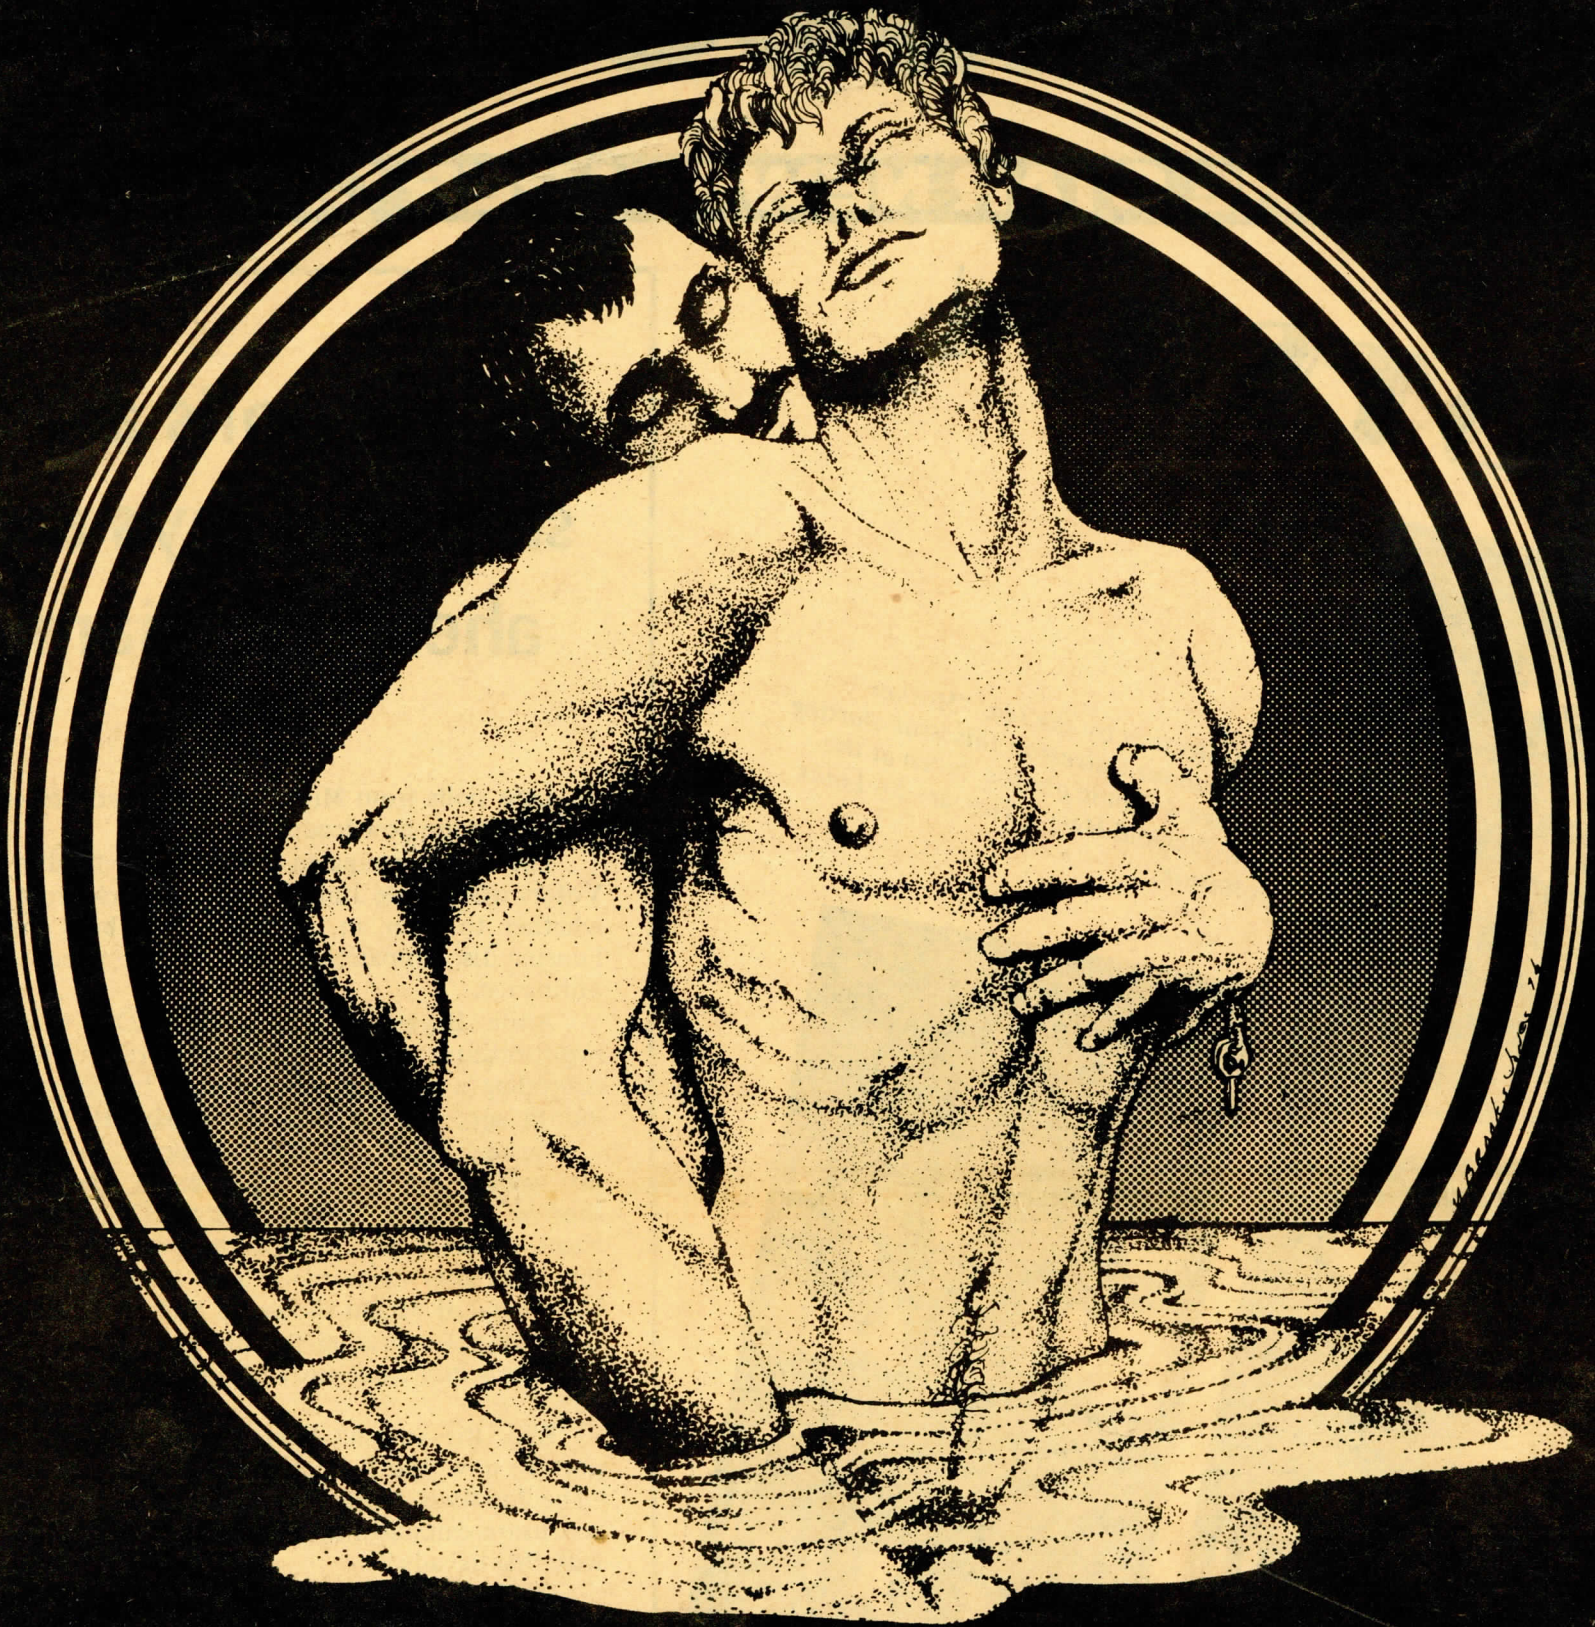

"The whole tone of this campaign has been 'phoney,' as the Bryant forces are obsessed with sex, although the Metro's ordinance has nothing whatever to do with any sex act."

Gay groups also reported they had better success in raising funds for their fight than the anti-gay groups did. The gays raised well over \$100,000.

Preparations are underway for Anita Bryant's visit to Houston

Houston and New Orleans professional groups have each reversed themselves and decided they will work with Anita Bryant.

In Houston, Bryant has been reinvited to sing before the Texas Bar Association June 16. Her first invitation was canceled, according to the attorneys, because they feared violence. Protests within the ranks of the lawyers forced the group to reinvite the singer to their annual convention.

Houston gay activist Gary Van Ooteghem says he has offered Bryant \$1000, her usual appearance fee, to debate the issues in open forum with Karen De Crow, former president of the National Organization for Women, and David Goodstein, publisher of the Advocate.

Van Ooteghem is seeking broadcast time in Houston for the debate, should Bryant accept.

"In any event, whether she accepts or not, we are preparing for her arrival," said Van Ooteghem. "We have set aside a special telephone number, 526-9719, as a clearing source for updates and instructions to those who wish to join our organized protest."

The New Orleans chapter of the American Federation of Television and Radio Artists voted not to boycott Bryant's performance at the New Orleans

Summer Pops June 17 and 18.

"No one really knew what they were voting on before when we decided to boycott her show," a board member said.

Special Report Next Week : The Miami Referendum Results

'We want to prove that San Antonio is by and large anti-homosexuality'

Dr. Joe West, pastor of the Town East Baptist Church in San Antonio, on May 27: "We want to support morals in this

country as they have stood over the years. We want to prove that San Antonio is by and large anti-homosexuality!"

Dr. West went on to brag that his anti-homosexuality rally in front of the Alamo would outdraw a simultaneous pro-gay fund-raising event 10 to 1.

"The homosexual issue is not a political issue," he said. "It is a moral issue."

The gays predicted they would pull in 700 to 1000 supporters for their dance and rally.

Dr. West said he'd pull in 10,000 and that he'd raise more money for "Save Our Children" than the gays would raise for the Dade County Coalition.

The result:

Dr. West's anti-gay rally — 600 people showed. He declined to say how much money he collected.

The gay rally, at the same time, only a few blocks away — 1000 people showed and contributed a total of \$2000 for the Miami fight.

The "highlight" of Dr. West's rally was to have been a telephone conversation with Anita Bryant over the P.A. system. The phone call came, all right, but the telephone connection was poor. The Daughters of the Republic of Texas, which own the Alamo, had withdrawn their permission for Dr. West to use their phones. He had to make the connection through a mobile phone, and it didn't quite work right.

Horoscope

Leo has strange behavior

ARIES (March 21-April 19): Trouble tends to come in threes, Ari, and you are two down and one to go. Battle is with power-lover. When smoke clears, your talent for turning shoddy into shiny yields crucible filled with gold. Despite ultimate victory, week ends in A-flat. Take hot toddy and go to bed.

TAURUS (April 20-May 20): Your capacity for business/love increases ten times ten. Past investments pay big dividends. Try a long shot, Taurus. Week ends on key of B for bullish, blue chip and "Baby Gets New Shoes."

GEMINI (May 21-June 20): Re-evaluation of self results in positive change. Accept honest criticism. The uncut, unpolished stone is not a gem. On last day friend acts as lapidary and brings out your inner beauty. You sparkle.

CANCER (June 21-July 22): "Money, money, money." That's all you hear this week, Moonbaby. What's more, your purse is flat. Lower your tastes for the very best and take care of necessities. Love peeps around the corner. Indulge. Oh, go ahead, it's free.

LEO (July 23-August 22): Your strange behavior puzzles all but you, Leo. But then, this is part of your "master plan". Mysteries come out in the open only at your discretion. By end of week you discover that tried and true outstrips "flash in the pan". You grow.

VIRGO (August 23-September 22): Bread which you have cast upon the water comes back to you, Virgo, and not just as soggy bread. Your cup spilleth all over the place. Your emotions, run the gamut from A to Z. Week ends with an Xtra, a Yippe and a Zow!

LIBRA (September 23-October 22): Lady Luck pursues you on rare occasions, and Lib, and this is one of them. You have lucky week. Leave avenues open for the Lady to travel on. Also doors, windows and transoms. Week ends with a giggle.

SCORPIO (October 23-November 21): The Dance (so stately,) continues. You circle alternatives. One "alternative" drops out of the circle and then there are three. Battle may ensue as others observe. As week draws to a close, play it safe. Stay home in your "frying pan" for a move now could send you straight "to blazes".

SAGITTARIUS (November 22-December 21): An elusive butterfly has finally landed on your flower, Saj, but please bring the net down slowly. You usually make all the right moves, but this week you may have tendency to move too quickly. This is one race that won't go to the swift.

CAPRICORN (December 22-January 19): Distant plans are out of focus. Puzzle will be solved in next quarter. Fight your natural tendency to tackle confusion head on, Cap. Lay back. Week ends with an audible sigh.

AQUARIUS (January 20-February 18): Energy drain is on as planets shift. Health is number one concern. Everything seems to be acting up; old war wounds, football knees, the bathroom scales. you feel under appreciated and overwhelmed. On last day, Aquari, you come out of the bog and into the sunshine. Finally.

PISCES (February 19-March 20): You meet yourself coming and going. Pisces, and always with someone different. Keep it light. Important project needs full attention mid-week. Old friends with old money are your best bet. Save diversions for time when position is more solid.

Baths fire was arson

Houston Fire Dept. investigators have ruled that last Wednesday's fire at Club Baths of Houston, 2205 Fannin, was arson.

Initially it was ruled to be the result of an electrical defect. No one was injured in the three-alarm blaze but damage was extensive.

"Our pool area escaped without a mark, but the rest of the building was heavily damaged," club

manager Lyle Black said.

Arson investigators have remained tight-lipped except to say they believe they have some solid leads and may make an announcement soon.

The club's swimming pool remains open daily, 8 a.m. to 8 p.m., but the rest of the building is closed off. C.B.C. members are being allowed the use of the swimming pool without charge.

Music

New album out by First Lady of Love

Casablanca Records has released the album, "I Remember Yesterday," by the First Lady of Love, Donna Summer. The record contains a very exciting cut called "I Feel Love." It incorporates the use of two Moog synthesizers. The rhythm builds right from the start and continues to sparkle throughout the song. It runs for over five minutes.

Two other strong cuts on the album are "Love's Unkind" and "Take Me." "Love's Unkind" has that middle 60's style similar to the many recordings of the Ronettes, Crystals, and the Shangri-Las. "Take Me" is more in line with Summers past hits. Giorgio Moroder and Pete Bellote produced this incredible album which was recorded in Munich, Germany, as were her three previous releases.

The Love Childs' Afro-Cuban Blues Band second album, "Spandisco" (Midsong) has some fascinating Latin styled disco cuts on it. The strongest is the title cut "Span-Disco" at 5:44. Another good cut is "Speak Up Mambo."

The label has released the first commercial 12-inch single from the album, "Oye Como Va/Spanish Harlem" medley. This is a faster paced up re-make of the Santana classic. Both of these songs have already gained popularity in the New York and Miami area disco scenes.

Former Beach Boy Bruce Johnston has an interesting dance cut on his Columbia debut album, "Going Public." The name of the cut is a former Ven-

tures instrumental titled, "Pipeline." The tune has been given a funky lift. It is already getting massive response on dance floors across the country.

"I Caught Your Act" by the Hues Corporation is the first commercial 12-inch 45 released by the company. The song is a longer and better disco mix than the LP cut.

This group enjoyed some success with their first disco smash, "Rock the Boat," on RCA several years ago.

Another major company to enter into the commercialized 12-inch venture is Mercury with the release of "Everybody Dance" and "Love Bug" by Bumble Bee Unlimited.

The group sounds very much like a bunch of Camp Fire Girls and Cub Scouts gathered around a campfire with Mickey Mouse and company serenading. Both songs are excellent for dancing and are enhanced with a dynamic break.

Simon Sousann producer of well-known disco hit "Uptown Festival" is currently working on a new medley, "Popcorn Collage." The instrumental is a mix of "Popcorn," "Na Na Na, Hey Hey, Kiss Him Goodbye" and "Black is Black."

"Crazy Changes" by Luv is a unique rock-disco song that should be mixed longer with heavy concentration on the drum breaks. The song is reminiscent of the old Buddy Miles melody, "Them Changes."

Philadelphia International records has released the 1972 worldwide hit, "I'll Always Love

My Mama" by the Intruders. A couple of changes have been made on the new version. The tempo has somewhat been slowed down and the strings have been rearranged to give it a modern, funky beat.

Giorgio Moroder, one of Germany's finest producers has released his second album for Casablanca Records. He is calling it the "Munich Machine."

Side one is a 15-minute track of a tune called "Funk Train" that starts off with a whistle blowing and introduces a vigorous, breathless Mae West sound-alike vocalist asking you to "come on and join the Funk Train" and have some wow-wow. She continues to describe what it takes to join the Funk Train while the intensity of the various musical arrangements leads to the dancing beat.

Side two is a medley of all his previous material including all three Donna Summer giants.

Atlantic Records has just acquired the distribution right to Westbound Records. The label's first three LPs are "Devils Gun" by C.J. & Co., "Feel the Need" by the Detroit Emeralds and "Back Home" by Dennis Coffey.

The new Dennis Coffey "Back Home" album promises to be big with the disco crowd. "Wings of Fire" is a hard driving cut with plenty of well balanced percussion and features a funky solo flute sound. This tune runs just under eight minutes long. The other tracks worth mentioning are "Free Spirit" and "Boogie Magic."

Cute, cute.

The non-porns moved on to the Midnite Sun, where the drunkest drag queens went on with the show! All their tips were donated to the Caucus — to the tune of a few hundred! What can I tell you — it was *that* gay!

Next thing you know Queen Elizabeth will fetch all of them for a Command Performance. (But only because she wouldn't be caught dead at the Mini Park. "I'm not *that* kind of queen," she once sniffed.

No Time for Heaven

The Star was the last newspaper in the world to run a picture of Joan Crawford before her final death scene. I was talking to Joanie just a few weeks ago and she gaily told me that she had played enough death scenes in her time to fool *anybody*, and she had been dying to do something like this

ever since she became a Pepsi concubine.

Oh, Joan, you are too camp! But I'll keep my promise to not tell anybody where you are!

Don't miss divine, special and unique Candy Clark (lover of "The Man Who Fell to Earth") in "Citizens Band," which is really neat-o, man, like, I loved it and you probably will, too. Ten-four, not a bore!

Line of the Week

"Care for something to eat you don't have to swallow?"

Quote of the week, from rival hockey player to Paul Newman in "Slapshot": "You suck cock."

Newman: "All I can get."

Coming (gulp): Mother goes to Washington to straighten out Miss Lillian.
