CHA CHA GONZALEZs' BANDANA CODE IN SPANISH!

BY MEMBER DANNY RIOS

EL CODIGO DE PAÑUELOS DE CHA CHA GONZALEZ

¡Ole, Amigos! ¿Que hay de los pañuelos? En ingles, por favor...

He aqui los pensamientos de Cha Cha Gonzalez acerca de los hombres y sus pañuelos y lo que todo eso significa.

Encuanto a los hombres:

"No me importa lo que el haga en la cama. Si el es bien parecido, ¡yo me puedo adaptar! Y si el es horrible, ¡no importa que tan bien seamos de empates!"

En cuanto a los pañuelos:

En esta edicion cubriremos dos colores, rosa y azulito, y lo que estos significan.

EL PAÑUELO ROSA: Un pañuelo rosa es la marca de Cain, el equivalente gay de la letra escarlata y tan poderoso como la campana del leproso para asustar y alejar a otros hombres gay. Presten atencion al aviso de advertencia del pañuelo rosa y ustedes jamas tendran que irse a casa con un hombre cuya pinga es tan pequeña que se batalla para encontrarla!

EL PAÑUELO AZULITO: El pañuelo azulito es la seña de la jota de lo antiguo. Una visita guiada de todos sus muebles antiguos en su "depto" sera necesaria antes de que ustedes llegen "¡a lo que te traje, Chench!" Se esperara de ti que te expreses con aprecio y envidia a los momentos apropiados. Oh, y no esperes hacer el amor "a la tunda loca." ¡Las camas de madera de nogal de la epoca del renacimiento son tremendamente fragiles y se dañan muy facil!

Ordena tu "Maleman Funzine" para que te enteres de los pañuelos de color morado, caqui, azul, amarillo, rojo, oliva (o aceitunado), verde, mostaza, y paisley.

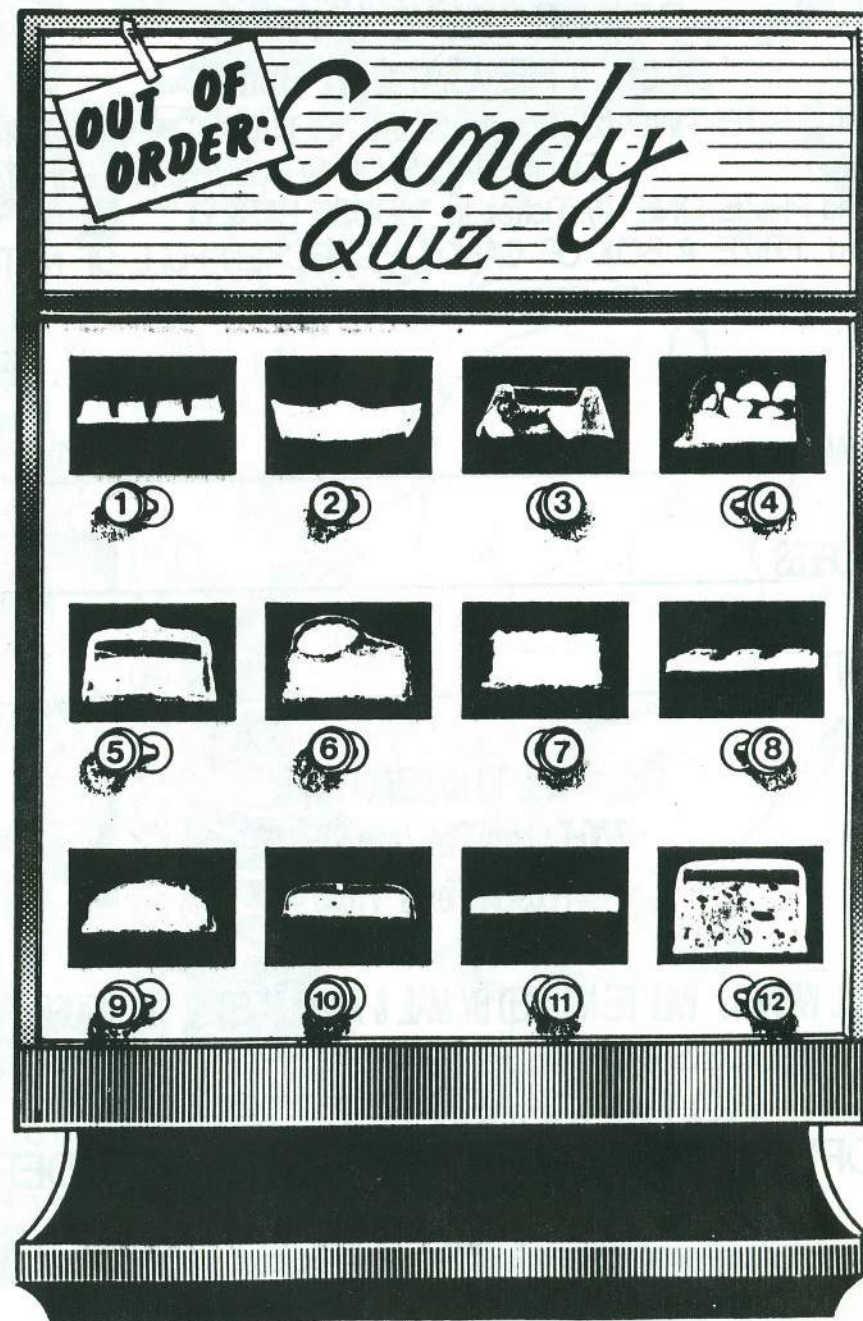

¡Solo \$10 por sies meses de el mejor divertimento!

Sweet ROMANCE

Dear lil' Blueboys:

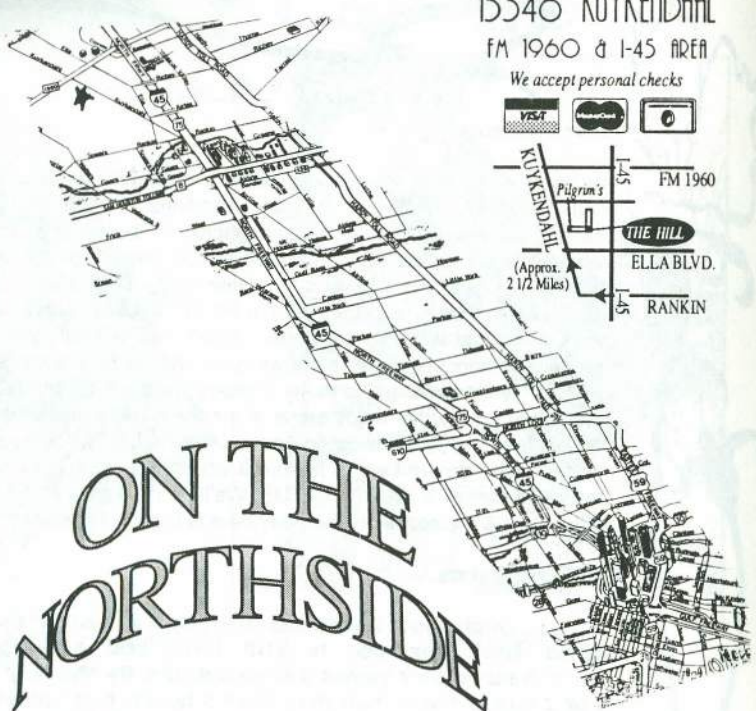

An issue or so ago, we ask our readers to send us some romantic ideas as well as photos of gay weddings. We thank you for responding, however we still need photos of some gay weddings. Also, while we would like to print all of the responses we received, there simply isn't room to do such. However, we have included your special love messages in the Heart to Hardon section. Guys, we got a great letter, and why Hell I just can't wait to share it with you. In fact we were so happy with this letter we have chosen to give the author a "FREE" 1 year membership to the Blueboy Underground so that he and his partner can further enjoy some of the "couples" activities we have. Please feel free to write us on any subject matter, whether erotic or not, and we'll do our best to feature it either here or in our XXX-rated section Maleman-X, SURPRISE US! We'll do the same. It is filled with Love, Care & Compassion, Anyway here is that great letter:

Hello Maleman:

Just a few notations in letting all the lil' Blueboys know that Romance is still alive and kicking, Yes! Sweethearts, dick comes a dime a dozen. By the way maybe 1 or 2 out of the bunch may have a heart, and out of those 2, (1) MAY have a care so strong, that it will turn into love (smiling). The good days are still here, where one knows exactly what he/she wants within their hearts, but, it hangs in very few of us. Wake up and smell the shit, cause it stinks! Ghurifriend, flowers are to acknowledge what is to be in "ones heart", inclinations of caring and beauty, a meaning behind what one feels. In comparison flowers can be like a "good piece of ass" - Cheap Honey, Real Cheap! Think about it - a piece of ass can come seconds apart (smile) if it's in the places of your choice, BUT, flowers come from that Good Ass your getting (both with meaning and that Strong care behind it)! Oh, Yes! Romance is In! To be real is to find realness within yourself, first. So lil' Blueboys - Wake up Honey! You just might come across the Wrong piece of dick or ass (smile) Romance comes in so many forms, for myself, just being with one man is very Romantic; sharing between us - putting smiles within each others hearts! Doing things together, but most of all - Loving each other, really. Based on my morals and belief, within myself, and it's true Maleman, like you said, it didn't take 15 minutes, rather 10 Years to be exact. Being happy is so beautiful at times - mainly All the Time, along with our faith & care. Romance is definitely in! I am a living witness, I'm romanced daily with the blessing of our Good Lord up above! ROMANCE IS IN..... It doesn't matter what's down below, it's what's in the head (not to be confused with Dickheads). Get it - Fuck first, think later, only to cause another life wasted, find someone to Rock your World, NOT for something meaningless and wasteful - Thank You! - S.L. MCBRIDE

CHA CHA GONZALEZS'

BANDANA CODE!

CHA CHA GONZALEZS' BANDANA CODE

OLE' Amigo, Que Bandana? In english please! Here is Cha Cha Gonzalezs' thoughts on men and Bandana's & What it all means.

"I don't care what he does in bed; If he's good looking, I can adapt; And if he's a TROLL, it doesn't matter how compatible we are"

Here is a list of Bandana's and what they might mean:

PINK - A pink bandana is the mark of Cain, the gay equivalent of a scarlett letter, and as powerful as the lepers bell in scaring away other gay men. Heed the warning of the Pink Bandana, and you will never again go home with a man whose COCK is so small you will have trouble finding it!

PURPLE - The Opera Queen, He'll play a recording of Great Arias while you make love. As a consequence, you'll never be completely sure if he just came or if that was Maria Callas hitting a high note!

BLUE - Beware the man with the Blue Bandana. He sees every trick as a possible Mr. right, and every one-night stand as a beginning of a life-long relationship. he will insist upon giving you his phone number the next morning, and getting yours in return.

MILITARY KHAKI - The Lean, Mean, Fuck Machine type, You won't find any Tiara's or crowns hanging in this mans closet. In fact you won't find much of anything hung up. This Beastly Boy forgets that he no longer lives in the Jungle; and Oscar madison is not an Icon. Although short tempered and snorts like a Bull; In bed he'll eat you up and lick the plate. However when he's had his fill - LOOK OUT - he usually rolls over like the Dog that he is and happily falls into Slumberland!

CHA CHA GONZALEZS' BANDANA CODE

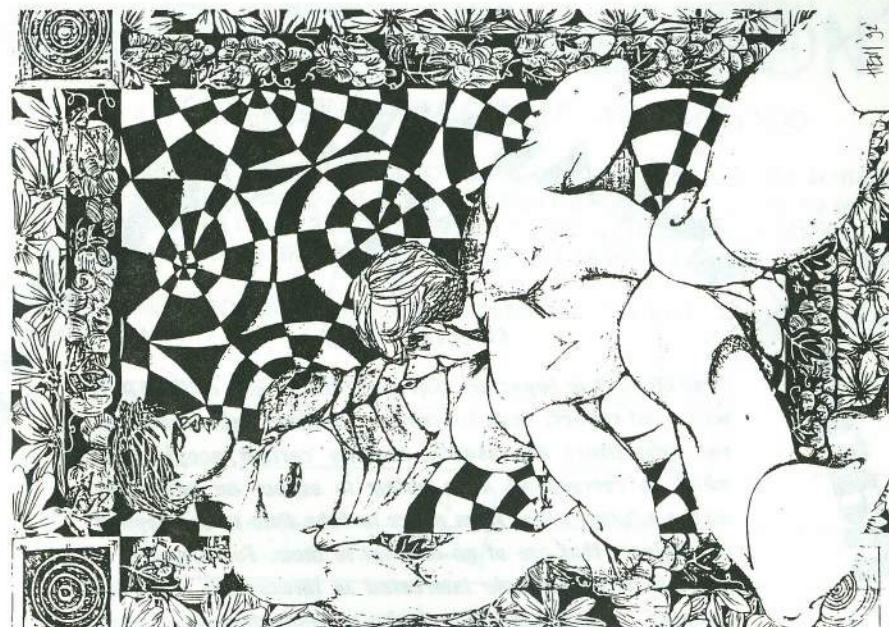

BLACK - The "I was so drunk - I don't remember a thing" Type, He will try to convince you that he's really straight and does "this kind of thing" for kicks. He will often have a picture of his "girlfriend/wife" on the bedside table.

OLIVE - The Alcoholic, He is already two-thirds drunk by the time you leave the bar, But he will need an additional 2 or 3 drinks before getting the courage to do it. By, then, however, It will be too late. He'll puke and pass out on the way to the bedroom. Don't expect much other than him accidentally forgetting to lift any lids on the toilet and pissing all over the wall! - yeeecch!

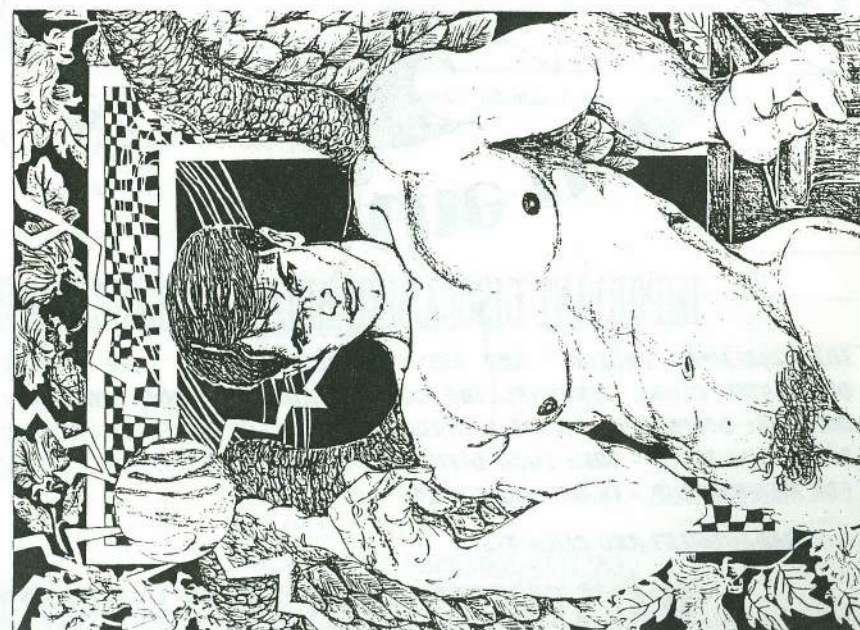

YELLOW - The CHURCH LADY - If you go home with him on Saturday night, don't expect breakfast in bed. He'll throw you out early so he can meet "Mother" for breakfast and "coffee", then he rushes off with mother to get to mass so he can atone for his sins of the night before.

GREEN - The Guppy (Gay Urban Professional) He'll have to phone his stockbroker as soon as you get to his place, so make yourself at home. Turn on his expensive stereo and help yourself to the "Brie and Chablis". For breakfast there will be plenty of croissants and an "aire of continental" and of course the Wall Street Journal.

MUSTARD - The literary Queen, He will squel with delight when you tell him that you, too, like F. Scott Fitzgerald. An hour or two of pleasant talk about your favorite authors will be all this liaison will amount to because in the end, he'll decide he'd rather go to bed with Jackie Collins.

SELECTING AN AD

First of all it is important that you first choose a "BUDDY" whose ad reflects your interests or desires. Remember that our advertisers are usually seeking certain people with which to correspond. It is unfair to expect an advertiser whose interest differ from yours to take time to correspond on subjects that are of no interest to them. For example: If you are a single male interested in threesomes, look for Couples' ad that express a desire or willingness to explore threesomes or moresomes. Don't write advertisers who express no willingness along these lines.

*** REMEMBER ***

Not All advertisers are looking for a serious relationship.... on the other hand, many are serious sincere gay men looking to meet other sincere gay men, seriously!
