FROM THE EDITOR

It seems that one holiday is past and soon the 4th of July weekend will be upon us. And a lot of festivities are planned across the Southwest between now and the 4th.

I understand that June 13th will be Chuck Ort Day at Queens Point in Dallas with a big beer bust. Be sure to check it out.

Sunday drag shows at the Dallas OP seems to really be making a big hit. Ernestine has really made a splash in that town. Ernestine and Jennifer George will be hosting the Mr. Gay Texas Pageant on June 24 in Big D. So be sure to get your tickets early from the Old Plantation for good seats.

Coming up the 4th of July, the Bayou Landing will be having a big bash at Queens Point on Lake Dallas. It should be one of THE events to attend.

And over at the TANGIER, every cloud has a silver lining, especially on Sundays with Bloody Marys and

screw drivers for just 75¢ from 2 until 8.

And for all you film buffs in Houston, the Montrose Art Films is now open at 3207 Montrose showing adult films for everyone. It's becoming quite a popular place, so stop by and check them out.

A note in the "not there anymore" column - the Movie Room was recently broken into and so much was done to it, that it has shut its doors. Whether or not it will be permanent, time will tell.

Lewis Garcia can now be found over at the Old Plantation in Houston. Lewis recently joined the staff and is helping Bob Four-nier.

Til next week,

Dear Aunt Sofa:

Maybe you can tell me what is wrong with me. Why can't I find a true sincere lover. I am 29 years old, 5'4", blue eyes and brown hair, look butch and straight, but am fem in bed.

It seems like when people meet me they back off because I will not put up with s/m, drugs, or drunks. It seems that they lose interest.

Because I do not go around playing with every one or every thing, it seems that others don't want me around. I was born into the Gay world, and was raised different than that.

Is it that I can't find what I'm looking for in a lover, or is it because there isn't anything as a true sincere lover now days? Enclosed is a photo of me. Tell me what's wrong.

Lonesome Little Cowboy of D.

ADVISE:

From looking at your picture, I can't find anything wrong. Maybe most people have the same problem when looking for a lover. They just can't seem to find "Mr. Right". I think it is a common problem among most Gays. I myself have certain standards I would like to have for tricks or even a lover, but sometimes our standards are too rigid for even the best of people.

I don't mean that one should drop their standards, but rather sometimes they have to be lowered to help prevent mental dilemmas. I can truthfully say that having gone with someone I would not normally have gone with turned out to be a very rewarding experience. Isn't it always the case that the person one is madly in love with could care less about them.

As far as you, I don't really see that there is anything "wrong". Perhaps if people would try doing things a little differently than what they usually do, maybe lowering their "standards" a little, everyone could become a little better adjusted to other peoples needs.

Dear Aunt Sofa:

I know this must be a strange letter for you to receive, but I have this one problem that I just can't seem to resolve.

I know it is nothing new for a lot of people, but I have never had anal intercourse before. I must admit that the thought of it terrorizes me! According to some guys that I have tricked with, "my buns look very inviting." I must add that if I were out cruising, I wouldn't mind picking myself up for that very purpose. But that still doesn't change my mental attitude.

I have been seeing one guy quite regularly, but I am afraid I won't be seeing him much longer if I don't give in to his demands.

HELP!!!!!!

ADVISE:

I'm not really sure after reading your letter whether you want to take the "big plunge", or rather let your boy friend take the big plunge. Most relationships are on a give and take basis, unless other agreed upon by both parties.

If his taking you anally is the determining factor in your relationship, then the decision is, and has to be, up to you. Why you have this mental fear, I don't know with out knowing more about you. If you are more than satisfied with the style of sex you are now having, then why change?

The only determining factor I can see for you is how much you want to hang on to the guy you are seeing. And no one but you can make that decision.

EXPENSIVE WORDS

New West Magazine calculates that Barbara Walters -- at her \$1 million a year salary at A.B.C. -- will be earning about \$9.50 for each word she reads aloud during the nightly news.

SURPRISE, SURPRISE!!!

Two surprising names appear on lists of the 10 women and men with the year's best hair styles, compiled annually by the New Jersey Mast Hair Dressers and Cosmetologists Association.

Among the women in the top 10 is Phyllis Diller, who just five years ago was listed among the "worst 10" by the same group. Among the 10 men is none other than David Bowie, famous for his orange hair. Explains the Society's president: "At least orange

by T. G. Pretender

Across the United States on Thursday, June 3rd, the film version of *Ode to Billy Joe* by singer-song writer Bobby Gentry premiered.

Nine years ago Miss Gentry wrote the song about a girl (named Bobbie Lee and played by Glynnis O'Connor) and Billy Joe McAllister (played by Robby Benson) who jumped off the Tallahatchie Bridge. The girl fits in due to the fact that she was in love with Billy Joe and they were seen throwing something off that now famous Tallahatchie Bridge in the song. The song never discloses just what is thrown off the bridge or why Billy Joe jumped off the bridge and killed himself.

In the film, both answers are revealed for the first time. In all

your wildest dreams I cannot begin to tell you that what everyone has guessed as to what was thrown off that bridge is not what you guessed! And for the reason of Billy Joe killing himself - well, unfortunately this is one of those films you can't say much about without giving away the plot. I will say that never in your imagination would you suspect the "reason" for Billy Joe's jumping. I must admit it even left me a little speechless.

Max Baer (remember Jethro from the *Beverly Hillbillies*) is the man behind the scenes who brings the tale of Billy Joe to the screen. Max Baer has previously brought you *Macon County Line* and *Return to Macon County*. But surprisingly enough, this Grade B flick is done with a touch of class and some true 1953 backwoods Mississippi realism. Herman Raucher (*Summer of*

42) wrote the screenplay, and as always, wrote for real people. The film, as can be expected, is a tragedy, although it is not played as one. And that is the best point in *Ode to Billy Joe's* favor. I went expecting a tear jerker, but found a surprisingly high grade film.

Glynnis O'Connor who plays Bobbie Lee is simply a campy individual. She adds a toast of encouragement to her character. Robby Benson is Billy Joe McAllister. Robby's characterization is truly smooth with just a touch of uneasiness. His characterization is convincing, and what else can I say, but real 1953 Mississippi.

All in all, *Ode to Billy Joe* is quite simply an all around delight. A very good movie. Michael LeGrand's music score along with Bobby Gentry's original song only adds to the enjoyment of the film. So don't keep hanging on and wondering what happened on the 3rd of June on the Tallahatchie Bridge. Go and find out!

it all fairly well, rumaging through Memorial Day Weekend and is getting set for a twirl across Texas, so keep your closets locked!

Word has just come to me that **Bud Mack** is giving away diamond

Is **BUD MACK's** happiness because of the good feeling that comes from giving?

rings. I understand you don't have to do anything to be the lucky recipient. Isn't that right, **Dickie Chason**?

And **Valerie Vaughn** will soon be a star once again. I understand that a special show featuring **Valerie** will soon be taking place at Houston's **Horn-It**.

And just when the Old Plantation's **Bob Fournier** was about to break his own party record, the doctor made him throw in the towel.

Naomi Simms, the reigning Miss Gay Texas, now has another title to add to his collection - **Miss Gay Southeast**, won recently in, of all places, Biloxi, Mississippi. I understand that **Donna Day** had hoped to enter the contest, but was forced to pull out at the last minute when he learned that a KKK convention was being held at the same hotel!

And the Bailey Street's **Kimberly**

BOB FOURNIER was on his way to a new party record when forced to quit.

Roberts, well, he keeps asking to become a star. It may be in the very near future.

DONNA DAY didn't know about the KKK Convention in Biloxi!

And Houston's **Rudy Lee** has just bought his own personal limo. I understand that **Tooter's Norman** looks just divine in the driver's cap!!!

And Hot Springs High Priestess, **Tuna Starr**, didn't get to make it to

Gay South Pageant. It seems that some production cast members had Tuna billed for their wardrobe.

TUNA STARR, is she really the High Priestess of Hot Springs?

And **Dani Diletto**, the new Miss Gay America, is handling himself quite well. Seems that most folks have been quite pleased with his performances.

DANI DILETTO satisfying the crowds.

Houston that seems to know him quite well. Isn't that right, Mel?

VALERIE VAUGHN - is he really going to star in the **GREEN HORN-IT**?

And one last personal note to **T. G. Pretender**. It seems that you have started "pretending" a little too much lately. Just remember, "It's not nice to fool Mother Nature."

Til next week, kiddies, keep your garbage in the cans and off the streets.
