Movie hunk Orlando Bloom has a bizarre keepsake from *Lord of the Rings* — a gay gag reel. Moviemaker Peter Jackson cut together a hilarious mock movie featuring outtakes from Bloom's scenes in the film trilogy as elf hero Legolas. Jackson used suggestive music and clever camerawork to make the elf character look gay.

It was hilarious. They had this homoerotic thing where they had a shot of Viggo Mortensen pulling out his sword and looking at me, and me looking at him and drawing my bow. It was brilliant."

Meanwhile, his co-star, Ian McKellen, is eager to reunite with director Peter Jackson on the set of upcoming remake *King Kong*. Jackson has reportedly also signed up Andy Serkis (who plays Golum) for a lead role in the highly-anticipated movie, and now McKellen is desperate to join the project. According the veteran actor, Jackson has already implied a part is available if he wants it. Shooting on the film, starring Naomi Watts in the role made famous by Fay Wray, is due to begin next year.

Wildchild Kelly Osbourne has praised Elton John for supporting her family when mom Sharon Osbourne was diagnosed with colon cancer. The 18-year-old daughter of legendary rocker Ozzy Osbourne says the flamboyant singer remained a pillar of strength throughout Sharon's ordeal. "Elton was just fantastic. He was always offering to help us out when we needed it," she says. Sharon has now recovered from her illness following chemotherapy treatment.

Kissing Time — Don't forget the "Mistletoe" — it's an annual holiday party. It gets to a late (or is that early?) start at 3:30 on Sunday morning, December 14 at Mint. DJs Josh Gram and Chris Sill will be on hand to add ambiance to cheery dance numbers. Tickets are $12 in advance.

Rockin' Christmas — E/J's gets into the spirit of the season on Saturday, December 13, beginning at 9 p.m. with the show "Rockin' Around the Christmas Tree." The event benefits P.A.W.S. Houston.

Snowball Fight — Well, no need to fight when you can dance. SJ Kimberly S. will be the center of attention at The Snowball at O on Friday December 19 — at least she will until you get there...

Santa Deer — Tired of the same ol' *Christmas Carol* and *Nutcracker* traditions? Then consider starting a new one with the neurotic, dysfunctional livestock who populate *The Eight: Reindeer Monologues*. The show runs weekends through December 21 at Theater New West. Tickets are $15. Call 713-522-2204 for reservations.

Cowboy Christmas — Strap on your jingle-spurs and fur-covered Stetson! Brazos River Bottom hosts its annual Christmas show on Sunday, December 14, beginning at 7 p.m. Proceeds benefit PWA Holiday Charities.

Cheers! — What's the Christmas season without a cocktail party? Rich's thinks not much, which is why the club hosts its 15th annual this Saturday, December 13 from 8-11 p.m. Don your gay apparel and turn out for complimentary well drinks and a music-filled night.

Almost Paradise — Fox's hit summer reality show Paradise Hotel will return next year — but this time with gay participants. Try to be one of them at an open casting call at Meteor on Friday, December 12 from 9:30 p.m. until whenever.

Sagittarius (November 22-December 21) It looks like all systems are go right up until the 16th, so make sure all loose ends are tied up by then. A job offer may have more flash than substance. You shine at a social gathering Sunday evening. Thursday finds you restless and looking for answers.

Capricorn (December 22-January 19) Last week's eclipse pattern still has you charged up. There's so much to do before the 24th, but as usual you'll come through. You'll get to play Santa a bit early to one who's in a shaky space. A Saturday night spent out on the town relaxes you, but stay home Sunday.

Aquarius (January 20-February 18) Like Sag, you'll be able to fly at light speed up until Tuesday. A change in your career direction is right around the corner, but for the time being keep plugging away. You gain support from an unusual source on Monday. It's best to eat lightly for now, so you can really feast heartily next week.

Pisces (February 19-March 19) Unexpected cash or a surprise bonus falls in your lap this week. That'll help to make the holidays much more fun, right Pisces? Admit it! You love to spend money. Don't overdo that new workout regimen — it'll take time to show results. Your sweetie has something on his mind.

Aries (March 20-April 19) Though work matters are going quite well, tensions on the home front are taking the glow off of the positive results. The two of you need to get away from the insanity, even if it's just or a day or two. Watch those lower back muscles when doing any lifting. Cut down on your caffeine intake.

Taurus (April 20-May 20) You'll be firing on all thrusters and it looks like full speed ahead right up to New Year's. So many obstacles seem to have vanished (or had their butts kicked) that now you can begin to lighten up and enjoy the magic of this season. Vacation plans will need to be put off for a few weeks.

Gemini (May 21-June 21) Most of this week will find you working hard and achieving terrific results. Don't sign any important documents from the 17th through January 7th. Extend an olive branch to a difficult family member. Your workload eases by Wednesday — just in time for a new set of tasks to arrive!

Cancer (June 22-July 22) As pressures continue to ease at home, you'll discover a new-found sense of inner joy. It's vital to communicate with each other — long periods of silence don't help at all. Your ship (one of them anyway) is due to come in soon. Your ego gets a major boost from a public relations coup.

Leo (July 23-August 22) A favor you recently did will be repaid many times over. Take that fairly new set of wheels for a long drive on Sunday. That stomach irritation eases up, finally. Avoid that weekend warrior routine, okay? You'll be on the go 24/7 Monday-Thursday — that's what you get for being indispensable.

Virgo (August 23-September 22) A very mixed bag of nuts is waiting for you this week. Energies may be scattered on Friday, and Saturday night looks like a real barn-burner, so take Sunday to regroup. You'll be in charge of damage control on Monday. The pace quickens on Tuesday, then slows to a crawl.

Libra (September 23-October 22) High sensitivity levels make you an emotional magnet. Keep to yourself as much as possible, especially Saturday. Tend to those mundane chores on Sunday afternoon. A long distance call lifts your mood Monday night. It's about time for a PC upgrade or even a brand new PC.

Scorpio (October 23-November 21) Throat problems could sideline you over the weekend. Don't try to run on empty, Scorp. Health concerns for a love one continue to plague you. You'll be required to ooze charm and put on a happy face Tuesday night. Don't shut out your sweetie — hold them tight!
