

True Diversity in Lending Options

Mortgage Associates is the oldest and largest gay-owned/operated brokerage in Texas.

We're not your grandfather's type of Mortgage Brokerage. We've assembled a young, wonderful team of experts who know what today's young up-and-comers really need. Other companies promising to be "oh-so-fabulous" pop up all the time but then close down unexpectedly. Mortgage Associates has been around for over 12 years and is here to stay!

the chamber

the greater houston gbt chamber of commerce

Dear Cristina,

On behalf of the Greater Houston GLBT Chamber of Commerce and our growing membership of over 580 corporations, businesses, non-profits and individuals, we offer our sincere congratulations and we wish you continued success with your Gay & Lesbian Rainbow Pages™, a great resource to access the GLBT community and those who seek to do business with us.

It is imperative that the GLBT communities support those who support and embrace us. It is also essential that those who seek to do business with us understand us as consumers and respect us as people who deserve to be given the same benefits, protection under the law, and rights as our fellow citizens.

As a member and a Board Member of the Chamber you and your staff will have the direct access and opportunity to build relationships and further strengthen your business and the community. Our ongoing efforts will make Houston a place where all of us can live productive and happy lives, where we can be entrepreneurs or employees, and where we can build a future of opportunity for generations to come.

We would like to extend the offer to each of your advertisers to "put a face" on your marketing and join the Chamber so that we may all learn and grow by sharing our resources, talents and network of friends. Visit our website at www.ghglcc.org or give us a call at 713-523-7576!

I look forward to seeing you continue to grow and prosper as you assist others to reach a new consumer market, find new ways to give back, and develop new relationships for consumer and business to business commerce.

Sincerely yours,

Coy Tow

THE SMART BUY...

FOR THE QUEER EYE...

When you advertise in *OutSmart*, you're hitting over 50,000 of the hippest, hottest, and most discerning consumers out there. Because *OutSmart* is a one-of-a-kind publication, our readers keep issues as a reference guide, resource tool, and community bible. Why? Because of our award-winning editorial and our smart, savvy advertisers. They want to know about both. And frankly, *OutSmart* looks awesome on a coffee table—so our readers keep us around.

That's why an ad in *OutSmart* speaks stronger, lasts longer, and is seen more often than an ad in any GLBT publication in Texas. What's more, our competitive ad rates are a bargain, especially when you consider what *OutSmart* delivers (and, more importantly, who we deliver to).

OutSmart is the only GLBT Texas magazine with circulation figures guaranteed through Verified Audit Circulation.

HOUSTON HUMANE SOCIETY

Non-Profit • Supported by Donations

14700 Almeda Rd • Houston • 77053

The Houston Humane Society is a non-profit organization dedicated to eliminating cruelty, abuse and overpopulation of animals.

We do not receive any government or national group funding. It is through the generosity of people throughout Southeast Texas that we continue our care of more than 30,000 animals each year.

During that time we offer a variety of services including pet adoptions; acceptance of all animals; pet burials; "Burnies Buddies", providing safe keeping for the pets of domestic abuse victims; paw prints, working the Houston AIDS Foundation, providing care for the pets of AIDS patients; low cost spay/neuter clinic; vaccinations; microchipping and now Houston's A.C.I. (Animal Cruelty Investigations). Through this program, Houston has its "first and only" Animal Cops. The Houston Humane Society is proud to have on staff Sgt. Mark Timmers, a 19 year veteran of Texas Law Enforcement and Deputy Marco Leal of Precinct 6. Together these Houston Humane Society Law Enforcement officers are setting the standard and working every day to stop animal cruelty in its tracks. Thank you for being a part of making all of this possible.

Veterans for Equal Rights.

We all know that at some point the Ban against Gays and Lesbians in the military will be overturned. American Veterans for Equal Rights (AVER)* has been working for twelve years to achieve this goal. Although we have suffered many setbacks, and lost a few battles, there have been some significant victories. None of this could have been done without the support of people like you. The military, and the federal government have never been interested in just giving us the same rights that everyone else in this country enjoy. We have had to fight them at every turn. We will continue to keep the pressure on until we get our rights as American citizens.

ASSISTHERS713 521-4628

PO Box 541095 • Houston • 77254 www.assisther.org

AssistHers is dedicated to creating a community of caregivers who:

- 1) Educate ourselves about important health issues, with particular emphasis on lesbian-related health issues.
- 2) Eradicate discrimination and break down barriers which lesbians face when accessing health and social service systems.
- 3) Provide a network of support to lesbian women struggling with chronic

or disabling illness.

AssistHers is a volunteer organization formed in 1996 to provide non-medical inhome support and care to lesbian women with illnesses such as cancer, fibromyalgia, HIV/AIDS and multiple sclerosis. Volunteers work together to provide transportation and care to help clients remain in their own homes. Half of our clients live alone. The other half have friends or partners who are struggling as the caregiver and sole breadwinner. Naturally, support and friendship is extended to our clients' partners, caregivers, children and other family members.

AssistHers is a lesbian-based organization which uses the Care Team model, provides ongoing health-related education to its volunteers and is willing to take clients affected by illnesses other than cancer.

Good health is a blessing which affects our relationships, financial stability and every day quality of life. AssistHers is committed to promoting good health and helping women in need.

AssistHers, now celebrating eight years of service, is achieving its goal to create a more positive, organized response to lesbian health needs in the Greater Houston Area. The mission is accomplished through the work of volunteer care teams and committees. We have no paid staff members. Since the inception of the program, over 400 women and men have been involved as volunteers enabling the organization to serve 58 clients over time. AssistHers is currently providing direct care to 22 women through the volunteer work of 20 care teams. There are currently 118 active volunteers who give a minimum of six hours a month as a member of a Care Team or committee.

We are committed to the importance of making connections and sharing information in a world that seems to keep us isolated from one another. Every year we welcome more than 11,000 calls from the Houston Metropolitan Area, as well as from travelers to our city. We have up-to-date information on cultural and special events on both the local and national level. From our resources, we are able to help make connections to thousands of local and state-wide organizations, businesses and professionals.

In addition to providing callers with up-to-date information, we provide telephone peer counseling. Often persons in our community feel isolated, especially during times such as the onset of serious illness, during the "coming out" process, or after the breakup of a relationship. Our phone volunteers are trained in effective listening and crisis intervention skills and offer nonjudgmental support to callers. We are convinced that sometimes a sympathetic ear and a caring voice can make a difference in someone's life.

HOUSTON GLBT COMMUNITY CENTER.....713 524-3818

3400 Montrose Blvd, Ste 207 • Houston • 77006-3441

PO Box 2304 • Houston • 77252-2304 www.houstonglbtcommunitycenter.org

Established by a dedicated group of activists in 1996, the Houston Gay, Lesbian, Bisexual & Transgender Community Center is an all-volunteer, nonprofit organization. The Center moved into its first home on Hawthorne Avenue in March 1998. In February 2003 the Center moved to its present location on Montrose Boulevard. Since that momentous day when the Center first opened its doors, it has served to fortify and enrich Houston's gay, lesbian, bisexual and transgender community. The Houston Gay, Lesbian, Bisexual & Transgender Community Center provides a home for the birth, nurture and celebration of our organizations, institutions and culture. The Center cares for GLBT groups in need. The Center educates the public and our community. The Center empowers our individuals and groups to achieve their fullest potential. The Center promotes many health-related, civic and cultural programs. In addition, one of the Center's prime functions is to provide affordable meeting space for gay, lesbian, bisexual and transgender organizations, many of which would otherwise have no place to go. Each month the Center hosts over 40 meetings and events representing more than 30 different community organizations. The Center provides a secure place to come together and plan, advocate, share our knowledge and our expertise, and shape our future. The availability of meeting space has been a major organizing tool for our community. Since we opened our doors, the number of gay, lesbian, bisexual and transgender organizations in Houston has multiplied many times. The lack of affordable, safe space in this city has pushed several organizations to the brink of extinction. Stepping forward more than once, the Center has kept doors open and ensured the delivery of much needed services and programs. We have the opportunity to leave the next gay, lesbian, bisexual and transgender generation a legacy on which to build. The Center is certain to play a part in our community's future: to give shelter to our struggle and to participate in the shaping of our destiny, while memorializing and honoring our past. We look forward to providing a heart and home deserving of Houston's gay, lesbian, bisexual and transgender community, in this and for many years to come. The Center is a 501(c)(3) nonprofit organization. All donations are fully deductible as allowed by law.

Rugby is a unique sport for many reasons, but one of its greatest qualities is the camaraderie, both in and outside of a given club. In addition to the beer, the Roughnecks (as we came to be called – check the definition...you get the point) would not have made it this far without help from some of the existing teams in the Houston area and predominantly gay teams around the United States.

The Roughnecks are now a full member of the Division III of the Texas Rugby Union (TRU) and International Gay Rugby Association and Board (IGRAB). We field a damn good competitive team, play some awesome rugby, and have a fanstastic time on and off the pitch.

Using noninterventionist techniques to achieve their goals, the patrols are on the lookout for potential troublemakers (for instance, vehicles packed to the gills with teenagers). They log vehicle license plate numbers and location and send this information to the police when circumstances warrant. If there is an offense, they send a postcard relating the details of the incident to the registered owner of the vehicle (often a parent). When more serious offenses occur, they press charges, and they have in the past appeared in court on several occasions to testify. Branching into community education, they have provided or will provide self-defense and first aid/CPR workshops to the public. There is much to be done here, and they believe that a large part of the solution to the problem is in education.

Are you searching for a church home ? The Reform Church of Galveston, Texas, 3712 Broadway in the old Fire Station No. 6, will welcome YOU and your loved ones. Founded by Pastor TOM MARTIN, it began holding services on May 5, 2002.

The Reform Church of Galveston is a non-denominational church whose teachings and services follow closely that of the Catholic and Episcopal churches. It is an all-inclusive church that welcomes those who feel exiled from mainstream churches due to sexual orientation, divorce, etc. The church's mission is to minister to those who, for whatever reason, are not attending a church, as well as those who feel alienated from mainstream churches because they resent being made to feel that they must submit to a subservient role in worship as well as everyday life because they are women. This mission also encompasses those who are uncomfortable with both a mean-spirited fundamentalism and an insistence on a literal translation of the Bible, as well as those who feel they are discriminated against because of divorce, physical infirmities or sexual orientation. We, at The Reform Church, believe that our first and most important task is to be a Community of Proclamation. What we proclaim by word, example and liturgy is the Good News of Jesus Christ. That Good News is best summarized in Paul's letter to the Ephesians: "For by grace you have been saved through faith, and this is not your own doing; it is the gift of God..." (Ephesians 2:8)

Too many people feel that salvation, the very wholeness and acceptance that God wants for all people, is out of their reach; they feel that they are

not worthy, and that they could not do enough to win God's favor. This is why The Reform Church is here to assure everyone that salvation is a gift from God and all you have to do is ask for it! We at The Reform Church are here to proclaim in no uncertain terms that you have already won God's favor, and that Jesus Christ is the living sign of that complete acceptance. One cannot earn salvation; We have several ministries in our Church, but they are not there to help us work our way to salvation. They are there as our response to the salvation that is already ours. You see, when you know that you are loved that much, you cannot help but reach out in love for others. We wish to be perfectly honest. If you are looking for hell, fire and brimstone theology, you will not find it here. If you are looking for a church that says : "When I want your opinion, I will give it to you," you will not find it here. If you are looking for a church that peddles guilt and shame, you will not find it here. If you are looking for a church that labels people, judges people, or in any way would suggest that some people fall outside of the salvation of God, you will not find it here. We are not a Church that says : "you had better subscribe to a specific list of beliefs or your membership will be in question." We are a Sacramental Church. We simply say : "come and join us in a Holy Communion. Come and break bread with us. Come and celebrate the free gift of salvation that our God has so graciously given us through Jesus Christ our Redeemer. Come, let us explore our faith together. ".

We do not worship on Sunday mornings out of a sense of duty, but out of a sense of joy-filled gratitude. We hold that the Bible is the word of God. The Holy Spirit's influence upon the Bible is obvious. But we are not literalists. We take the Bible as a whole and we see every word through the love and forgiveness of Jesus. Member of The Reform Church are allowed great latitude in their interpretation of Holy Scripture and of theology in general. We think of ourselves as Catholic's in love with freedom. We are an all inclusive church. We do not believe we have the right to draw circles and extend an invitation to some and deny others membership. God accepts everyone and we are God's church! It does not matter who you are or what your status in life, you have a place here, and you are welcome here. Your lifestyle, your social status and your sexual orientation are not used as an entrance examination here. Everybody will be received with open arms and considered holy before our gracious God. Our Communion table is open to every body for our altar does not belong to us. It belongs to God who we know welcomes all.
