INFORMING THE LESBIAN & GAY COMMUNITY SINCE 1973

Unprecedented Adolescent.

In June of 1973, Gay Community News was brought into this world. Wide-eyed and eager to give the gay and lesbian community its first weekly journal of information. Provocation. Celebration.

Now entering our fifteenth year, GCN is still precocious. Ahead of its time. Willing to explore tough topics. Prod sacred cows. Question "authorities."

So don't get your news from pre-pubescent sources. Subscribe now and save seventeen bucks off the newsstand price.

Okay, GCN. Don't baby me. Send me Gay Community News.

*Paying the bills is
the last worry
a person
living with
AIDS
should face.*

*But for many,
it's a primary concern.*

We've developed a way for you to maintain financial independence by converting your life insurance into cash.

Once you qualify, your benefits are the same regardless of life expectancy (no "sliding scale") and usually are paid within five to ten weeks.

We can handle everything over the phone or through the mail.
