In recent months we have noted so many changes in the GAY FUN PLACES of the world that it was decided that the INTERNATIONAL GUILD GUIDE should be released as early as possible so that our faithful readers could have the latest, most complete listing available anywhere, immediately.

Realizing that ours is the most copied guide on the market, we want to assure our readers that we appreciate their kind letters informing us of the various changes since this publication went to press. We encourage everyone to notify us of any errors. After all, "to err is human" and we certainly try to keep such errors at a minimum.

We realize, however, that despite all efforts to curtail errors, some will probably occur in these pages. Because of this, all users of the Guide are encouraged to send your corrections to me, and you may rest assured that when the next edition of the International Guild Guide hits the market these corrections will have been made, checked, and updated to benefit its users.

We are deeply interested in getting new information anywhere in the world, but resort areas, college towns and areas with military installations are of particular interest to us and the users of the Guide

Happy hunting,

Ronnie Anderson

We have introduced a coding system and some entries are already coded. It will take many editions of the Guide before all entries are coded and here again we must ask your help. We ask our readers to realize that there will be differences of opinion with respect to coding, but do send in the coding that you would use for any particular bar. We will do our best to arrive at a consensus of opinion. Inevitably, different users of this Guide will have varying experiences at any given bar. However, over a period of time, we should be able to provide a reasonably accurate classification of the listings.

The code is as follows:

- AYOR:** *"At Your Own Risk."* Designates an entry where you might like the people there, but it is highly questionable that they will like you.
- B:** *"Beer."* No other alcohol served.
- C:** *"Colored."* Predominantly, but not exclusively.
- D:** *"Dance."* Individuals of the same sex may do so.
- E:** *"Elegant."* Coat and tie.
- G:** *"Gay."*
- GI:** *"Heavy military patronage."*
- H:** *"Hustlers."*
- L:** *"Lesbian."* Not always strictly, but predominantly.
- LJ:** *"Leather Jacket."* Also implies S-M.
- M:** *"Mixed."* Appears straight but sufficiently active to make it worthwhile.
- OC:** *"Outside Cruising."*
- P:** *"Private."* Members only.
- RT:** *"Rough Trade."* If the atmosphere is very tense, add a hyphen and the AYOR classification!
- S:** *"Show."* Has drag and/or other appropriate entertainment.
- WE:** *"Weekends."* Not too active otherwise.
- YC:** *"Young Crowd."* Collegiate age.

BELGIUM

(Despite a seeming liberality, homo-
sexuality is legal over the age of 16,
Belgium is a strict and, in sexual mat-
ters, a repressive country. There are
hustlers in the larger cities and the
pickups are easy, but the hotels are
not at all friendly in this regard.)

CHILE

(Chile is completely under the dom-
ination of a rigid military rule. Every
unpleasant aspect that you could pos-
sibly associate with this type of re-
gime is more than true. There are
reports of the castration of even sus-
pected homosexuals, mutilation of
the genitals of those wearing long
hair, etc. We urgently advise all
GUILD GUIDE users to stay away
from Chile.)

DENMARK

(The age of consent in Denmark is 18. While the entire culture is liberal, the police do enforce the laws on indecent exposure, rape, etc. There are plenty of areas for cruising, notably the Tivoli and around the University. No young Dane will be insulted if you proposition him — good little boys are home in bed by 10:00 p.m. anyway! Some of the rough trade is precisely that, so be careful of the late night hustlers.)

the Merchant Seamen arrive from their ships. This is the best in the early evening when they are going into town, and late at night when they are returning to their ships. ENGLAND

(In England, "licensing hours" are in effect, which means that all pubs which do not also serve food must close around 10:30 - 11:00 p.m. every night, including weekends.)

(Homosexual acts in private between adults over 21 are legal. However, the word "private" is construed as in one's bedroom. It is illegal to engage in homosexual activity with any member of the armed forces or the merchant navy. Stay away from public toilets, etc. Bars, clubs and street cruising abounds and is safe.)

(Both homosexuality and male prostitution are legal above the age of 18. You will have no problem finding partners in every large city. Gay life is rapidly becoming more open and accepted in all of the larger cities and is probably more dynamic in Germany than anywhere in the world. Forget all of the stories about Copenhagen and Paris and go to Berlin and Germany instead.)

Glyfada Beach, good H. H—
\$5.00-\$15.00. Don't get
smart with the H and you'll
have no problem.
Steps under the Acropolis

Cruising:

Omonia Square. Both outside
the square and underground in
the shopping area is very active
with military and young
Hustlers.

Zappeion Park. Very, very
active at night, especially with
military. Large barracks right
on the edge of the park area
known as the Tomb of the
Unknown Soldier.

Also good for teenage hustlers,
and tourists and probably the
best place in Athens.

Various railway stations (7 in
Athens) are good for the mili-
tary.

NOTE: Cruising military in
Greece is fairly easy. Most
hustle pretty cheap.

HERACLEION, GREECE

Island of Crete

OC: Makarios (Bentenaki Ave.,
along the sea.) It is active at
night with military.

Park Greco, it is a small park
near the Morosins Fountain.
Good at night for the military
and good for hustlers.

Large park on Vasileus Constan-
tinus Ave. (King Constantinos
Ave.) where Wine Festival is
held every year in September.
It is very active at night with
military and young hustlers.

TRIKKALA, GREECE

OC:

Underground men's room in

the city is active at night.

Fortress overlooking the
Bazaar is active at night.

DELPHI, GREECE

Cruising:

ists from all over Europe, es-
pecially German teenagers.
Outside the Men's room is
very active all night.

CITY OF RHODES, GREECE

(Island of Rhodes)

Cruising:

Near the main entrance of
the Old City, there is a flight
of steps leading to a garden
overlooking the Old City.

This is active both night and
day. Military and hustlers.

At the bottom of the street
with the Outdoor Bazaars,
there is a large park that
winds itself around the Old
City. This is active both
night and day. Military and
hustlers.

The area along the Quay near
the Governor's Palace is ac-
tive at night.

NOTE: Most of the military
hustles, but you can bargain.
It's usually not much.

Also on Rhodes and other is-
lands near the Turkish Coast,
you will notice almost no
military except when a ship
is in port. Instead you might
see hundreds of police. This
is because of a treaty with
Turkey that does not allow
Greece to keep troupes in or
on the islands near Turkey.
So, the Greek Government
puts the drafted men in po-
lice uniforms instead.

Cruising (continued)

So what you see are police that
are available. Feel free to cruise
them.

Ask any young hustler when the
next American ship will be in
port, and they will know most
of the time.

ISLAND OF MYKONOS, GREECE

Piero's Bar

Cruising:

Very active when American
ships and Navy are visiting.
Outdoor men's room near the
dock.

Halfway around the Harbor
away from the cafe area is a
pickup station for military
on their way back to the base.
This can be good at night.
Outside town. Paradise Beach.
Nude swimming and camping.

ISLAND OF KOS, GREECE

(City of Kos)

docks to the town, especially
near the Castle walls is active

ITALY

(There are no bars that are strictly
gay and, conversely, none that are
free of a gay element. To put it
bluntly, almost everything in Italy
is available for a price. The price is
frequently too high. Always settle

(The tender age of 13 is the legal age for homosexual activity in Japan. These younger types generally like older "friends" and for this reason Americans have always liked the gay life of Japan. SOUTH KOREA

(South Korea, other than American
GIs, is one of the least appreciated
countries we know. The Koreans
are open and friendly, virtually any
young man will gladly go to bed
with a tourist and only a tip is ever
expected. You need not hide your
interests.)

MEXICO

(Mexico is one of those pleasant countries where "anything goes." Homosexual activity is widespread, beginning at an early age, but the Mexicans resist any "gay" label and do not like to discuss the subject. Your cabbie can get you virtually any age boy you want if you are bashful. Street cruising can be quite open and hotels do not notice the parade of native visitors! We have never had any user of the Guide report anything but the best about the Mexicans.)

people are beautiful and gentle. Vir-

them are grateful for even the slightest

male prostitution, but the ready avail-
