FROM THE PRESIDENT

Good Evening and Welcome to the 32nd Annual Miss Camp America® Pageant...."Light Up The Night". Tonight represents the climax of our yearlong effort to do what we do best..."Make a Difference" in the lives of Persons Living With HIV/AIDS.

It has taken a great amount of personal sacrifice on the part of each of our cast and Foundation members to bring us to tonight's event. I am truly grateful that everyone you see tonight has dedicated themselves throughout the last year to bring us one step closer to helping People Living With HIV/AIDS live with dignity. This is apparent through the selection of our year 2000 beneficiaries. The charities themselves represent a broad spectrum of the HIV/AIDS community, providing services from financial aid, counseling, eye care, to programs that focus on the enhancement and quality of life.

Our year 2000 *Designated Charities* include:

AIDS Foundation – Stone Soup
Montrose Clinic
The Assistance Fund
Montrose Counseling Center
Body Positive Wellness Center
PWA Holiday Fund
Colt 45's AIDS Trouble Fund
Steven's House

No longer is the focus of HIV/AIDS fundraising solely on the dignity of dying. Instead, it is concentrated on programs that balance the potential for living with HIV/AIDS.

As a person living with HIV/AIDS for nearly 13 years, I credit my survival to the incredible energy of my partner of 7 years, David Schwartz, my family and friends and organizations such as the Miss Camp America® Foundation, Inc. whose non-existence would create a considerable gap in Houston's HIV/AIDS social service community. I am particularly

proud that since 1992, our Foundation has been able to return in excess of \$426,500 to our greater Houston HIV/AIDS community. I applaud each of you for helping us narrow the gaps in funding for desperately needed community services.

Many of you have supported our community long before supporting HIV/AIDS charities were considered a socially acceptable cause. And, as funding for HIV/AIDS services becomes increasingly competitive, the financial support of community organizations is critical. Persons Living With AIDS congratulate you for supporting efforts that remind us as we "Light Up The Night" that we also "Light Up The Lives" of Persons Living With HIV/AIDS. We truly represent the real "Survivor" story. Your support is worth more than a million dollars as no words can express our gratitude and humility better than...**Thank you!!!**
Be well...

Ray West, President
Miss Camp America® Foundation, Inc.

MISS CAMP AMERICA® 2000

Welcome to the 32nd Annual Miss Camp America® Pageant here in the beautiful Wortham Center.

This has been a fun and exciting year for me as the reigning Miss Camp America® 2000.

The Miss Camp America® Foundation, Inc. is just one of many non-profit organizations whose members devote countless hours to raising money and awareness to the HIV/AIDS community.

I especially want to thank David Kokenes, Kevin Hull, Glen Barley, Randy Grayson, Stephanie Mitchell, and most importantly, my lover, Chris, for all their efforts and patience with me during the year. All the time and energy each of them gave this year, to help me “shine” on and off stage will not be forgotten.

Now sit back and enjoy your evening as our cast and crew “*Light up the Night*” in a fabulous tribute to the beautiful hotels in Las Vegas.

FROM THE DIRECTOR

Good Evening Ladies and Gentlemen –

Welcome to the Lillie and Roy Cullen Theater at the Wortham Center! It has been my pleasure again to direct the 32nd Annual Miss Camp America® Pageant. This year, *"Light Up the Night"* brings to the stage those colorful numbers that the Miss Camp America® Foundation has been noted for through the years.

Tonight's show begins on the Vegas strip and takes you through casino settings throughout Las Vegas. Our cast will embark upon travels from jungle settings to stages on Broadway and to sands in the deserts of Egypt.

This year's Pageant would not have been possible without the talent and efforts of those individuals on the Pageant Committee. A very special thanks to Craig McLemore - Planning and Costume Coordinator, Ted Roundtree - Set Design, Claudia Bernal - Ticket Sales, Vickie Pierce - Administrative Assistant and John Branch - Production Assistant. Each of these individuals contributed countless hours in bringing *"Light Up the Night"* to life.

On a special note, my thanks to Stephanie Mitchell, Choreographer, who through the years, has had the challenging task of transforming our "Stars" (*that would be the Entire Cast!*). Each year, she brings a special quality to the Pageant through dance. Stef, you are truly our "Star".

My thanks go to the cast and crew in tonight's show. Each of The Top Nine and Tantra, Miss Camp America® 2000, are Stars in the "Light of Lights". To Those Lusty Busties and The Boys ... I say, "Break A Leg!"

Lastly, I must acknowledge the following individuals for their support — Ralph Leal, Harold Myrick, Randy Grayson and Ray West. Without their support daily, I would not have made it to curtain call! I also want to thank Stacy Moore a/k/a Tantra, Miss Camp America® 2000, for his hours of dedication and devotion to the Foundation this year. It was a pleasure to perform charity work with him as well as appear in several benefits throughout the year.

A heartfelt thanks goes to each of you here tonight for your support in our efforts in the fight against HIV/AIDS. Without your continued support, we would not be here. Again, a big "Thank You" to all of the advertisers in our program.

Now sit back and relax as the cast and crew of the Miss Camp America® Foundation, Inc. *"Light Up the Night"*.

PRINCESS PAZA MARCELLA BORGHESE TAYLOR MEMORIAL AWARD

If you think your middle name is "Camp," you should have known one of our members, the late PRINCESS PAZA MARCELLA BORGHESE TAYLOR. Back in the days when the MISS CAMP AMERICA® PAGEANT was being presented to you in such lavish surroundings as the Hi-Kamp Club and the Texas State Hotel, Paza epitomized the spirit and fun that we are all about. We couldn't think of a more fitting tribute to Paza's memory than to establish an annual award in her name, to recognize the Miss Camp America® Foundation member who best exemplified the fine art of "CAMP" in the Princess Paza tradition. Sixteen honorees have previously been given this coveted award:

THE CAST OF "LIGHT UP THE NIGHT!"
THE 32ND ANNUAL MISS CAMP AMERICA® PAGEANT

THE MISS CAMP AMERICA® FOUNDATION, INC.

The Miss Camp America® Foundation, Inc. ("MCAF") has been a 501(c)(3) Texas non-profit corporation since June 1992. The mission of the Foundation is to perform charitable activities, which provide relief to individuals affected by HIV/AIDS, and, through fundraising, provide financial support to local non-profit HIV/AIDS service provider organizations, all on a volunteer basis. MCAF is proud of this commitment to the Houston community; and has contributed \$426,500 in financial grants thus far. For 2000, the *Designated Charities* that were selected are: **Aids Foundation Houston - Stone Soup, The Assistance Fund, Body Positive Wellness Center, Colt 45's AIDS Trouble Fund, Montrose Clinic - Frost Eye Clinic, Montrose Counseling Center Client Assistance Fund, PWA Holiday Fund and Steven's House.** Grants will be presented to these benefactors tonight.

MCAF volunteers host several fundraising events throughout the year, leading up to the most significant fund-raiser, The Miss Camp America® Pageant, a spoof on the Miss America Pageant®. The Pageant, complete with talent, swimsuit, and evening gown presentations; cast production numbers; and some of the most creative and extravagant evening gowns ever seen on stage, has played to an audience of up to 1,800 people. It offers an evening of fun, laughter, dancing, oversized wigs, headpieces, and outrageous costumes. The Pageant, in the style of *La Cage aux Folles*, now a local tradition and a major part of the September Houston fund raising scene, has been recognized by Governors Richards and Bush, Mayor Bob Lanier and the Miss America® Organization.

For 32 years, MCAF members have volunteered countless hours for local charitable organizations and have entertained thousands of Houstonians. Since the onset of HIV/AIDS, MCAF has made a concerted effort to become a positive force in Houston, dealing with all the joy and sorrow as well as the good times and bad that have affected our friends and families.

TOGETHER, WE CAN MAKE A DIFFERENCE!!!
