FESTIVAL GENERAL INFORMATION

Festival booths and exhibits will line the streets of McKinney, Walker, and Bagby with additional space on either side of the Reflecting Pool in front of City Hall. The City of Houston estimates the annual attendance of the festival to be 150,000-200,000. General attendance typically progresses throughout the day leading up to the parade where it is estimated that over 700,000 individuals will be in attendance.

Booth Information:

Each booth is a 10x10 space (unless otherwise agreed upon with Pride Houston). Tented spaces will be provided with a tent, a table, and two chairs. Non-tented space is simply just a space (no table, chairs, or electrical are provided ((unless purchased ahead of time))). If you have a non tented space and need to rent tables or chairs or purchase electricity, please purchase it at register.pridehouston.org or visit Festival Command Central and speak to the Logistics representative. All entries must stay within their assigned booth space and may NOT enter or encroach upon another vendor's assigned area.

Any exhibitors found to have retrieved tables/chairs or that is using electricity without payment will be invoiced a flat \$300 fee at the end of the festival.

NO GLITTER AND NO STICKERS TO BE SOLD OR DISTRIBUTED.

FESTIVAL REMINDERS

The Heat: With the Festival occurring during the warmest part of the day, your well-being is a concern. We recommend that you eat a nice breakfast, pack a lunch, and bring a lot of water (remember that is you have volunteers working in your booth to bring water for them too). If you have an electrical drop in your booth it is also encouraged that you bring a fan. Also, don't forget sunblock!

Courteousness: With temperatures flaring, sometimes attitudes do as well. It is strongly recommended that you are courteous to your fellow neighbors. Pride Houston staff and volunteers will be working hard along with you to make the festival a great event for the LGBT community. Unprofessional, disrespectful and abusive individuals/organizations will be asked to leave.

Remember: No glitter or stickers allowed in the Festival or the Parade.

Illegal Substances: Not permitted...need we say more? If you are found to be in possession, you will be asked to leave the festival site IMMEDIATELY. Exhibitors drinking alcohol during festival exhibitor hours will be asked to leave the festival site IMMEDIATELY.

Exhibitor Activity / Soliciting: All exhibitor activity must be conducted within the assigned/reserved space in the festival. Roaming solicitation is not permitted within the grounds of the festival or entrances. Distributing printed material, sampling, hawking or other business activity is NOT permitted outside the assigned space. Signage may not be placed outside or above the assigned space, without prior written approval from Pride Houston, Inc.

Insurance: It is highly recommended that you have proof of liability insurance present at your booth during the Festival.

Ice: Pride Houston will have bags of ice available for purchase at command central for vendors while supplies last. All ice sales are cash only.

Promotional Products: Exhibitors are encouraged to be smart with attracting consumers to your booth. Different types of promotional products will draw consumers in. Exhibitors are not permitted to distribute food or beverage products unless approved by the Pride Houston, Inc.

Activity Limitations: Exhibitors must limit their activities at the Festival to those stated on the completed application, which must pertain to the organization/business. Pride Houston prohibits the use of these images or terms without initial written consent from Pride Houston.

In the result of removal from the Festival, refunds are not issued.

Protestors: Any event that is this large is likely to attract people of differing opinions. Although we may not agree with what these people are saying, we do not want to violate their right to free speech. Remember that all protestors have a constitutional right to be at the festival. Now, if a protestor tries to block entry to your booth or becomes abusive, please contact Pride Houston representatives or HPD immediately.

- Parking along the Festival fencing line and the Parade route is strictly prohibited and will result in the vehicle being towed
- Theater District Parking, just north of Festival grounds is recommended for exhibitors

MOVE-OUT PROCEDURES

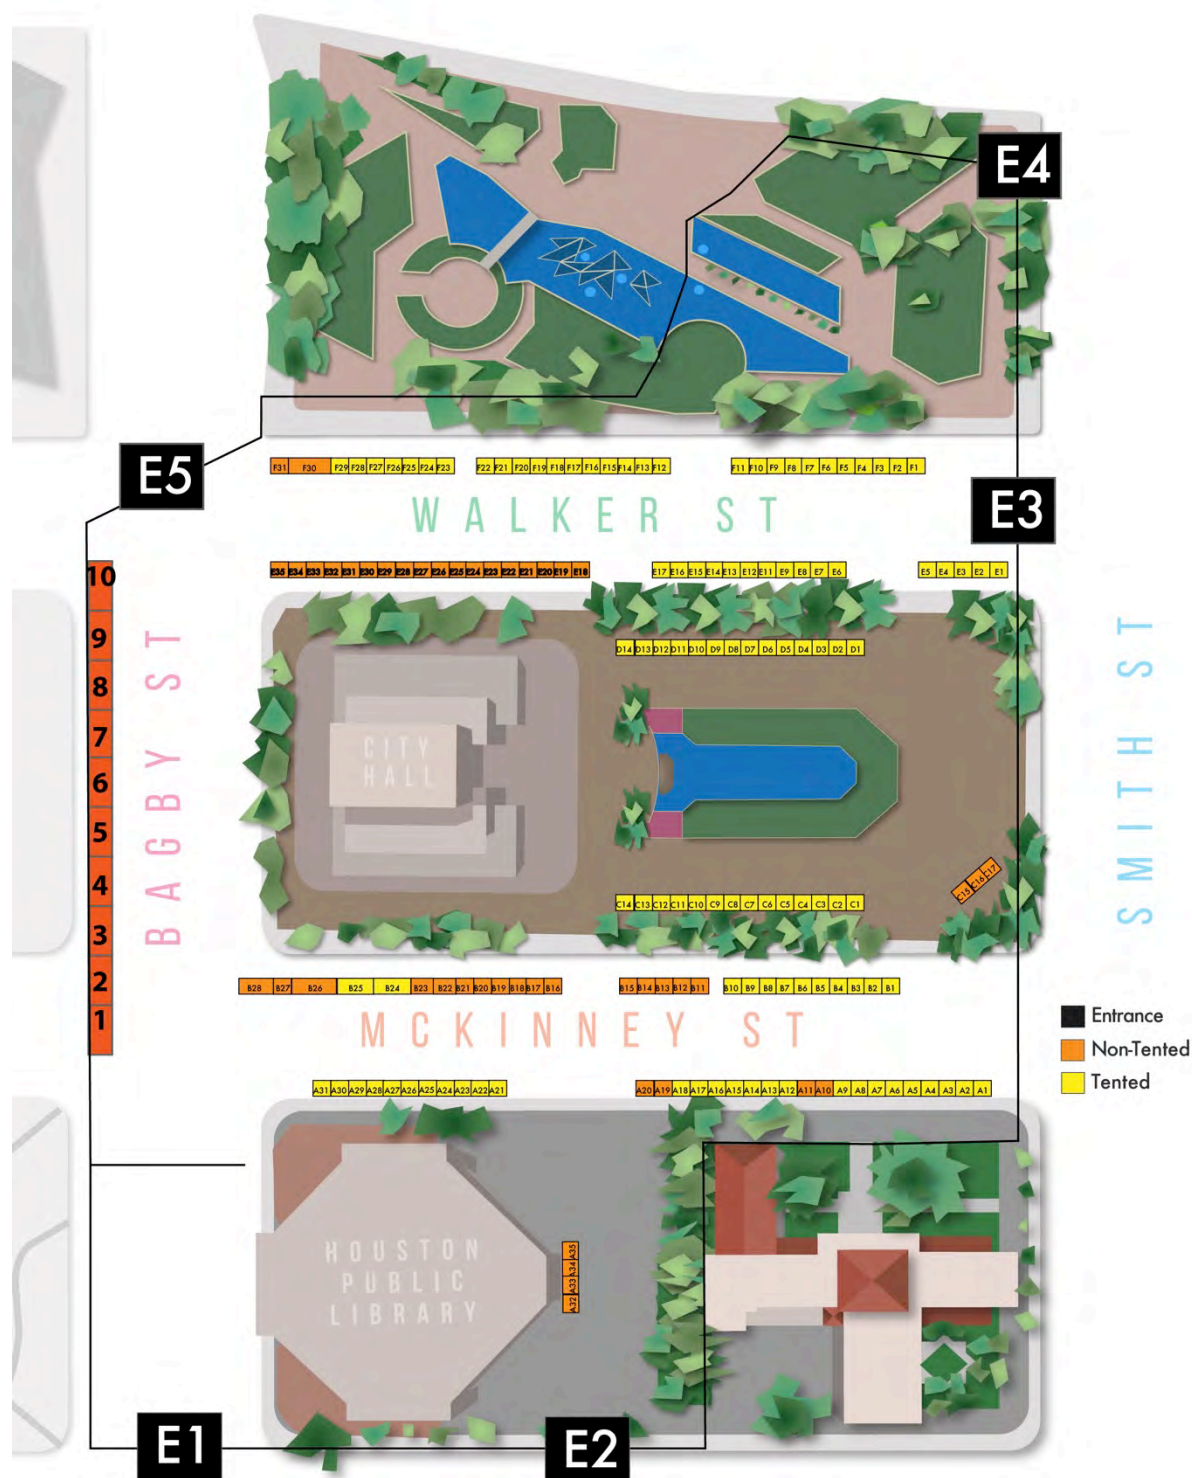

We expect move-out to be relatively hectic due to the nature of the Parade route and of the size of the Festival, for this reason, we recommend exhibitors utilize Theater District Parking, just north of Festival grounds, and move out as much of their booth space as possible without utilizing a vehicle.

Food trucks will be given priority move-out as Bagby must be quickly cleared. They will exit at the corner of Bagby St. and Walker St. and may take Walker St. towards Sabine and 45 North or Bagby St. north towards Rusk St. and other downtown exits.

Food exhibitor vehicles will be unable to access Festival grounds until 10 p.m. at the earliest and must display their vehicle pass at all times while on Festival grounds.

Exhibitors may utilize Bagby St. for move-out after it has been cleared by Pride. This may not occur until 10 p.m. or later. Bagby St. will be reopened to the public at 2 a.m. on Sunday, June 25 and all vehicles will be expected to vacate the street by that time.
