Greetings, gang.

Well, this week marks the beginning of several important events, so listen carefully.

First off, this is the Labor Day weekend, so ya'll pay close attention to the extra specials each one of our gay establishments is having. Read the Calendar on page 8 in order to see what your favorite bar, etc., is doing for Labor Day. Be sure to check out all the special ads the bars and bookstores have had Blase and Sam (our two staff artists) so capably design for your reading pleasure. They work so hard and nobody appreciates them. Ya'll say thanks.

Another important event the end of summer brings is the beginning of school. This means two things. Be sure to watch out for all the little kiddies in your area. But even more important — you should be sure to not only watch for but actively seek out all those gorgeous hunky young college jocks that you will again see cruising in your favorite bars and book-

stores; also on your university campus. So keep a sharp eye out for good-looking college men; Lord knows there are enough of them to go around.

Chuck and the Cruise Camera have just returned all breathless from the Miss Gay South Pageant in Dallas with lots of pictures and glitter. Check Hot Tea for all the latest on that.

Be sure to get the next few issues so you can see some more of those ever-popular photo spreads of some of our more popular cover boys. Incidentally, our cover shots are done by those two shutterbugs at pHOTography, so if you would like to be on our cover, call them. See the Guide on page 50 for their number.

Oveta is up to her usual tricks on page 39, and be sure to consult *Bulletin Board* on page 44 to find the love of your life, or perhaps that old four-poster bed you've been looking for and can't find.

Dig in and enjoy,
Here's issue number 179.

YOUR SEPTEMBER LOVESCOPE

VIRGO LOVESCOPE: September promises to be a month of romantic changes! You will be more security-minded with Saturn now in your sign. Good September days for love are the 2nd, 14th and 29th. The period around the 18th can be argumentative. You may have trouble having a good time this month.

LIBRA LOVESCOPE: September promises to be a month of romantic activity! With Mars firmly implanted in your first house, expect sexual action. Good September days for love are the 5th and 13th. A day to be cautious in love is around the 7th. Relationships play a major role this month.

SCORPIO LOVESCOPE: September promises to be a month of romantic charm. You will attract others like a net in clear water. After the 7th, love becomes easier to acquire. Around the 29th single Scorpions can meet a new partner. Your worst love day this month is around the 25th.

SAGITTARIUS LOVESCOPE: September promises to be a month of social gatherings and travel which colours new romance! Since you like to take trips anyway, avail yourself of new encounters around the 16th and 27th when you'll most likely meet a hot new mate. Avoid love around the 24th.

CAPRICORN LOVESCOPE: September promises to be a month of romantic turnabouts! In fact, mid-month can be most stressful. Watch your tongue closely around the 15th. The 2nd and 28th are best for finding someone new. In fact, the 2nd can see you reaching an important conclusion with your new partner.

AQUARIUS LOVESCOPE: September promises to be a month of weddings for those of you who are single and for happy anniversaries for those who are married as lucky Jupiter enters your 7th house of marriage after the 5th. For those looking for a mate, look towards traveling or around educational and learning centers.

PISCES LOVESCOPE: September promises to be a month when you open a new chapter on romance! This month

will find you looking at romance in a different light, from a different view, and under a new philosophy. If the 15th is a stressful day for love, blame it on a Mercury/Neptune square. Otherwise, the new month rolls smoother than previously.

ARIES LOVESCOPE: September promises to be a month of love affairs. Lucky Jupiter enters your 5th house of romance on the 5th heralding a nine-month cycle of "luck in love." Your worst day this month will be around the 25th. Mars in your 7th house of marriage indicates you should not push your mate too far.

TAURUS LOVESCOPE: September promises to be a month of romantic favor! With both Venus (love) and Mars (sex) in your 7th house of marriage, you can expect the month to be romantically and sexually charged. Avoid being your stubborn bullheaded Taurus self on the 24th or you'll spoil all previous good in an existing relationship.

GEMINI LOVESCOPE: September promises to be a month of romantic variety! And no one in the zodiac requires more variety in sex and love than you than you. And no one in the zodiac can handle it better than you. The only September roadblock is the 24th when you might not be able to handle too many admirers at once.

CANCER LOVESCOPE: September promises to be a month of romantic excitement. Thanks to the planet of love, Venus, moving into your 5th house of love affairs, you can look forward to a month of one romantic encounter after another. If single, you may have trouble choosing the right one. If married, you may have trouble keeping your eye on the home front.

LEO LOVESCOPE: September promises to be a month of romantic emotion! In fact, you may get too emotional about romance and cause excess to spill over into areas you would regret. Socially the month looks active. Tension day for September is the 18th. Watch your actions then.

MISS GAY SOUTH was held August 20th on the backlot stage of D-III in Big D. And the winner is . . . Lady Shawn! (Photo above, middle) 1st runnerup was Rachael Wells (left) and 2nd runnerup was Alan Allison (right). The field of 7 finalists rounded out with Donna Day, Pauletta Leigh, Gena L'Tate, and Leslie Michaels. Miss Congeniality was awarded to Rachael Wells. At the moment when the sealed envelope from the judges was opened and the announcement of the winner was made by Norman Kristie's Tuna Starr, the Cruise Camera zoomed in for the actual crowning of the new Miss Gay South (photo below). Helping with

the crowning of a kneeling Lady Shawn were Lady Baronessa, Hot Chocolate and Jimmie Dee. Miss Gay South is a preliminary to the Miss Gay America Which will be held in Atlanta September 19 through 21.

JUGS OF DALLAS is getting to be a very popular women's bar in the D/FW metroplex. One reason is liquor by the drink. The other reason is the happy bartenderettes as shown in this Cruise Camera photo (below) by TWT Dallas reporter Mike Eagen. Meet pretty Cathy (left), doo-dah Peggy (middle) and sexy Gina (right). Just three pair of the jugs at Jugs!

TATTLE TALE: Following a bodaciously mellow, "amber, you fool," party, The Venture-N is planning a series of sound and light spectacles called "the Rainbow" . . . Allan Allison guests next Thursday night at Austin Country . . . Rick Price won the Mr. Macho Man Look Alike Contest at Numbers The Broadway cast of WIZ, which was in Dallas at the State Fair Music Hall, did a surprise delight on the D-III stage August 20th and Dallas is still buzzing about how hot they were . . . Bunch will have his new quiet bar at Austin Country open for the Labor Day Weekend so you can sneak away from the disco and regroup . . . And, a second Midtowne Spa is coming to Houston . . . The Hot Tea is that the spa's new mazed up orgy room has to be seen and felt to be believed.

TEXAS TELETYPE: You can see a sneak preview of WW II at the Sheraton Ballroom in Houston this Sunday at 8:30pm at the Texas Riders Show which winds up it's national run with the campy "Springtime for Hitler" . . . In Dallas, the live rock group, The Coasters, knocked 'em dead with their after hours OP performance . . . Birthday greetings to Mike Powel who's still 22 (!?) . . . Patches in Fort Worth is under the new capable ownership of Glen Martin . . . And we welcome Bob of Friday's Florists in Dallas to TWT . . .

WOMEN'S NEWS: The new neighborhood bar in Houston at 109 Tuam is slated to open in early September according to Marion Panzer. Called Marion's Too, the club will welcome both men and women . . . Furniture stores and furniture salesmen - there are so many in Houston now and they all look alike on the outside; why they even sound alike when they start talking. But then it hits you. They're telling you the same things they tell everyone else. All they want is to peel those dollars out of your pocketbook. Who can you trust? It's gotten so confusing, it's enough to make a person go bananas.

Here at Byman's we look at our customers a little differently.

We know you're not like everyone else. You're special and you deserve to be treated like it. We help our customers get what THEY want. Our design consultants will get under your skin to find out what you really are like and what you really do want. So if it is furnishings for your home or office, a single piece or a complete houseful, draperies, carpets, bedding, upholstery or just some advice...

Byman's is the one to pick.
