Be My VALENTINO!

FOR ADVENTURE... FOR SEX...
FOR DATING... FOREVER.

LONG TERM

I'm a 39 yr. old, professional, black male who's creative, articulate, caring, honest, sensitive, friendly, sincere, unpretentious, dependable, trustworthy, reliable, loyal, intelligent, real, & unique. I'm seeking true platonic friendship only. Race is unimportant to me. I enjoy going to the art galleries, the theater, movies, & I love to go dining out. I love to cook, play tennis & I go jogging, hiking, & much more. I also enjoy the symphony & the opera. If you're interested, & you would like to know more, please get back to me. **Box 1408.**

This is Chris. I'm 36 yrs. old, 5'8" tall, black hair, green eyes. I'm very outgoing, straight looking & acting, & just an average guy. I'm looking for someone around 25 yrs. old, maybe to start a relationship with, preferably about my height, maybe shorter. I'm looking for someone who enjoys the outdoors, likes live music, straight looking & acting. If this sounds good to you, leave me a message. **Box 1203.**

My name is George. I'm a 36 yr. old, 5'8" tall, 130 lb., Spanish male with black hair & brown eyes. I'm seeking a young male who's a top & is mature & wants to start a relationship. **Box 1094.**

This is Ken. I'm a 5'9" tall, 170 lb., African-American male. I enjoy travel, outdoor activities, & different cultures. I think it also helps that I speak Spanish & French. I'm looking for someone who also enjoys different cultures & definitely enjoys having a good time & being around positive, optimistic people. If you're interested, definitely check out my box. **Box 1213.**

My name is Chris. I'm 19 yrs. old, 6'4" tall, 250 lbs., with long brown hair, brown eyes, & glasses. I'm stocky, a little overweight, but that's okay because I'm starting to work out at a new gym. I'm looking for someone to work out with me & go out & have fun with as well. I enjoy book stores, long walks, cooking dinner, & much more. I'm emotionally & financially stable. I'm looking for someone to be friends with. I'm ready to take a monogamous step & if you might be interested, please leave me a message. **Box 1574.**

My name is Danny. I'm looking for new friends & people to hang out with. I like going to the movies, dancing, conversation, travel, & much more. I'm looking for friends who are 20-30 yrs. old. I'm 35 yrs. old, young looking, & feeling very good. I relate better to younger men. While I'm looking for friends, a relationship would be welcome also. Be honest & be ready to get to know me. **Box 1411.**

I'm a genuine, honest, down-to-earth, white guy who would like to make your acquaintance. I'm 38 yrs. old & getting better all the time. I'm 5'10" tall, 150 lbs, lean, with brown hair & green eyes. I'm healthy & work out. I don't smoke. Like everyone, I've got some good parts, some bad parts, & yea, even some outstanding parts. Together, they make me & I think it's a fine package. Likewise, you need to be in very good shape. To find out more, call **Box 1339.**

This is Sam. I'm a 30 yr. old, 6'1" tall, 185 lb. male with blond hair & green eyes. I'm clean-shaven. I'm looking for guys to hang out with, rollerblading, cycling, jogging, all that good stuff. I guess I'm just looking for the whole package: youthful looks, straight looking & acting, good personality, emotionally & financially stable & trustworthy. These are qualities that I possess & I'm seeking someone the same. I'm an attractive, straight acting & looking, white guy with brown hair & brown eyes. I'm 6' tall, 165 lbs., with a swimmer's build. I'm seeking someone who's probably in his mid to late 20's, white or Hispanic, & ready to settle down. TOUR CLUB FOR DETAILS-OFFER GOOD ON SELECT MEMBERSHIPS

BY CHRIS GRAY

Welcome back to **SURFING THE NET**, where we're totally over all the cold weather and have been dreaming of sunnier climes lately. And on the wide world of the Web, of course, there are plenty of sites offering to whisk you away and show you a great time....

Okay, so you've heard that line before, but try these: Odysseus Travel Company will take you and your friends to Argentina, Greece, Italy, Japan, Spain or a myriad of other places, for a price, of course. Check out their site at www.odysusa.com. Club Atlantis, at www.atlantisevents.com, will show you a really good time at their Mexican resort, with two weeks in April set aside just for "us." Olivia Travel is the authority on cruise and resort vacations for all you women "out" there, and they're online at www.oliviatravel.com. An entire list of their cruises and other info is included. Another excellent site is www.gaytraveling.com, whose name says it all, though their business is limited to the U.S. Mardi Gras in New Orleans is just days away, so if you'd like to find out what's going on in the party city on the party day of all days, try *Ambush Magazine's* on-line effort at www.ambushmag.com....

All this party talk has reminded of First Splash in Austin, the Memorial Day fest

SHOPPING, TRAVELING, PARTYING AND MORE

that'll be here sooner than you think. We've found some great Austin sites, leading off with www.partyaustin.com, which talks about all the club happenings in the capital city and includes news about circuit parties all across the country. Yet another Austin resource is www.citysearch.com, which lists clubs, night life and all

sorts of other cool info on over a dozen American cities. An excellent guide, this site provides maps that pinpoint gay clubs and other spots in the cities listed....

If you're headed to Houston, one of your party spots will likely be the dance club Rich's, which has a web site at www.richs-houston.com that will tell you all about the club and give you links to other like-minded establishments. Liquid Lounge is another club that's up on the Web, at www.theliquidlounge.com. Their site tells you what's happening every night....

And if the winter weather has you stuck inside and you're suffering withdrawal pains because you can't "shop till you drop," then try the Net, especially www.gayweb.com, which is an expansive site of over 15 pages of books, movies, music (and audio clips), erotic CD-ROMs, XXX-rated gay videos, calendars, live video sex, photo galleries and more. Another great place to shop is at Alyson Publications' electronic store, www.alyson.com. They

specialize in gay and lesbian titles and offer a huge selection, which you can browse through in the comfort of home!...

We're sure you male readers will get all steamed up at www.latentimages.com, a photographic site that features hot-looking men in the raw in excellent black and white portraits by Mark Lynch. This site is adult in nature, and you'll need AdultCheck or another "adult" validation program, although there are several G-rated galleries you can cruise through here. In addition, Mark has included an excellent links section that will take you to other photo sites and other gay places of interest....

With Valentine's Day coming up, do you have a honey, or someone you want in the worst way, or do you want to let that someone know how you feel? Then how about a "virtual" flower bouquet? www.virtualflorist.com will send your intended a free on-line flower assortment, or you can order the real thing from them. But if you're not at the flowers stage yet, you can send a free greeting card from www.bluemountain.com and they'll even let you personalize the message....

We've found an interesting site recently that's rated "D," as in "diva," which can only mean it's the official Web locale of none other than RuPaul. At www.rupaul.net you'll find out all about the diva of all divas, and can travel links to even more sites devoted to the statuesque female impersonator. And speaking of drag queens, the Lady Chablis may give RuPaul a run for her "diva" money; her official site is at www.theladychablis.com, but there are over a dozen others we found with references to the Southern "belle." (For starters, try www.simonsays.com, www.savannahnow.com, www.welovemidnight.com and www.valint.net/chp.)...

If you'd like to find even more about your favorite subject, then try the "Ask Jeeves" search engine at www.askjeeves.com, which is how we found ten or more sites devoted to our favorite singer, Debbie Harry, ex of the '80s rock group Blondie (like www.geocities.com/Area51/Cavern/7748). You can also find info about drug companies at this search site; we found Agouron Pharmaceutical, Inc., at www.agouron.com, which talks about the firm's HIV medications, including Viracept. At www.hiv.dupontmerck.com, you'll learn about the expanded-access program for

the new HIV drug Sustiva, meant to help those who can't otherwise afford the medication....

And we again have a few great sites for the leather set: Masta Entertainment, producers of some excellent B&D videos, now have their on-line site up and running at <http://masta.com>, but since this is such an adult site and includes graphic shots from their movies, you'll need AdultCheck to access it. You can sign up for AdultCheck at this location. We were "tied up" here for quite some time! The men — and we do mean MEN — of the leather-oriented Close Up Videos are waiting for you at www.closeupmen.com, where they'll tease you with choice shots of their hunks, but they want you to join up for a fee, so beware. We don't think Kay-Bee-Toys will have anything that Nasstoy's has at their online store of goodies. See what they've got at www.laheat.com. Of course, you'll need to stock up on batteries if you buy anything from this site! Brushcreek Media, which publishes *Mach*, *Powerplay*, *Gay Black Men*, *Hombres Latinos* and other gay magazines, offers you previews of those publications at www.brushcreek.com....

Lastly, for AOL subscribers, we've found a wavsite (audio site) offering ten or so wavs, and some of them are quite adult in nature, especially the Barbie wav and our favorite, which involves a duck...find it on AOL at <http://members.aol.com/towebright/wavatyou>....

That's all for this issue. Thanks to readers Oz and John, who provided some of the choice sites we've mentioned this time around. If you know of an interesting website, gay or nongay, e-mail me at chris.dalas@aol.com and we may just mention it in our next installment. Fun surfing!

THIS WEEK IN TEXAS assumes that every individual entering an adult website is over 18 and capable of making his or her own choices. Some sites contain nudity, and some of them also lead into pay sites, so make sure you read everything. TWT accepts no responsibility for such fees or for anything else that happens when readers access the sites in question. Also, some Web pages change locations, go down for a time or disappear completely. All sites mentioned in this article could be reached as of earlier this week.

Perhaps one of the biggest techno/electronic records of 1992 that still get loads of club play is "Open Your Mind" by **Usura**. Usura began as a union of four Italian producers in 1991, and "Open Your Mind" became an instant underground techno dance anthem right at the beginning of the Eurodance explosion, leading to a steady string of European top ten hits for the team. This pivotal record, commercially unavailable for several years, returns to the U.S. marketplace courtesy of Interhit Records, and it's been remixed for 1998 and is right in line with today's most cutting-edge sounds. An added bonus is the inclusion of the original version, which has been completely remastered. "Open Your Mind" (Remixes) definitely has something for fans new and old. The new 12" vinyl features mixes by **D.J. Quicksilver**, **M.U.T.E.** and **Time Social**. No club deejay or dance music fan will want to be without this powerful new rendition of one of clubland's great classic works. It's also available on Maxi CD....

New from Pagan Records is **Terry Francis Presents Architecture CD**, a mixed compilation of various artists creating a house sound with a melodic but techno sort of edge. The project comes out at the end of this month on both double vinyl and CD configurations and features the much sought-after **Kevoorian** remix of "Ame Strong," "Pure Science," "Aubrey" and "Digital Boogie." The other piece will be four new and exclusive tracks from Terry himself, including "Furry," which has already been getting loads of play on underground floors all over. Other tracks include the **Hardkiss** remix of **Damon Dreamer's** "Dreamers," **House 909's** "Shakedown" and **Presence's** "Better Day." Francis, voted "Best New DJ" at the recent SAS awards, is widely regarded as the UK's ambassador of "Tech House." Visit the Pagan Web site at www.Ark21.com/pagan....

A new and thriving force on the U.S. dance scene, **Edel Records** continues to bombard the speakers with one tasty morsel after another, and the latest single is no exception. Grab a copy of "Get Ready to Bounce" by **Brooklyn Bounce**. Produced by Hamburg deejays **Mattias "Double M" Menck** and **Dennis Bohn**, this progressive Euro treat is from the group's new album, *The Beginning*, out this week. Lean, mean and funky, the track has already been a hit in France, Germany, Canada, Hungary, Denmark, Nor-

way and Sweden, while here in the U.S. it's on its way up the club charts. If you're heading to Florida for spring break or the Winter Music Conference later this year, catch Brooklyn Bounce's performance at Miami's Shadow Lounge on Tuesday, March 10....

Also from Edel, and also sheer perfection, is **Chicane's** album *Far from the Maddening Crowds*. Chicane is the construct of that mood-elevating genius **Nick Bracegirdle** of Buckinghamshire, England. Starting with last year's huge hit, "Offshore," Chicane has gone on to record a brilliant aural assortment of beauties, all of which you'll find on the CD. All you really need to know about this album is in the title. Slip this one in, relax and let the delicate and evocative work just take you there. Each of the tracks is a journey in and of itself. The music is electronic but not overprogrammed, simple yet complex, melodic to the highest degree. *Far from the Maddening Crowds* is the most innovative album in this genre to date, a true masterpiece top to bottom. Each track runs right into the next, creating a nonstop "floating" experience of ambient excellence. You'll also note the slight hints of drum-n-bass interspersed throughout the work, placed ever so properly at just the right moments. This collection is quintessential listening, make no error. It blows everything else totally out of the water. Pop it in next time you're doin' tha do.

And that's dance music **THIS WEEK IN TEXAS.**

February 6 - February 12

Jennifer Aniston-February 11, 1969

Want to feel something swell? Just wait until expansive Jupiter moves from Aquarius to romantic and mystical Pisces this week. Jupiter, the jolly planet of luck, spends over a year in each sign before moving on. Now, with its entry into Pisces, this happy sod manages to bring us some magical moments in rather unexpected places. Pace yourself accordingly, cousin; don't blow the entire wad all at once.

AQUARIUS (Jan. 21 - Feb. 19) Jupiter leaves your sign this week, which is not at all bad; the jolly old sod now highlights money, money, money. Rake it in this year while you can, Aqueerius, but also take care to note that Jupiter is a planet of extremes. You can save big and squander bigger, if you're not careful. It may be time to hire that financial advisor who puts you on a very strict budget.

PISCES (Feb. 20 - March 20) Jupiter in your own sign has its good and bad points. It's good for pink Fish who intend to make a big public splash, but not so hot for those who thought they could still fit in last year's swimsuit. Jupiter expands everything from opportunities to waistlines. You know, of course, that you're beautiful in any size package, but you should be comfortable in your own clothes.

ARIES (March 21 - April 20) Proud Rams are given a planetary push out when Jupiter enters Pisces. Anything hidden or repressed cannot be contained any longer, and I say just in the nick of time. This means that if you are not openly out, you soon will be, sweetheart. Also, thanks to the luck of this planet, hidden enemies will be exposed for the slimy rats they are. Are guillotines out of the question? I say no.

TAURUS (April 21 - May 21) Gay Bulls are fairly chummy folk and now, with Jupiter in

Pisces, pivotal pals become even more so. You'll be surprised at all the influential folk you know and can meet now. Your circle is not limited to those who can get you in free to the hot spots in town, but even those who can do their bit for you in simple daily ways. Do you have a fan club? If not, launch one.

GEMINI (May 22 - June 21) Superiors sit up and take notice of you when Jupiter enters Pisces. Anything queer Twins undertake professionally now pays off handsomely. Use this fabulous energy to latch onto a mentor (perhaps a shooting corporate star) and hang on tight. The sky is the limit, cousin, so don't be a back office drone. Get dressed and hurry over to the ball. Even Cinderella had a little help.

CANCER (June 22 - July 23) The world is your oyster this year, so slurp it up. Jupiter in Pisces entices you with glorious adventures and exotically delicious strangers. Gay Crabs should take a vacation of a lifetime now; Jupiter almost guarantees that you'll get a big bang for your buck and lots of good gay times. Legal matters also tend to go well now. Ask for a big settlement and rest your case.

LEO (July 24 - Aug. 23) Lusty gay Lions will either have much more sex than usual or experience a grand personal epiphany when Jupiter enters Pisces. Gee, which

one will it be? Maybe both; thanks to Jupiter in mystical Pisces, over the span of a year anything and everything may coax you out from comforting soup to hot nuts. No matter what, let this be the year that you can't think straight.

VIRGO (Aug. 24 - Sept. 23) Even independent proud Virgos need a little TLC now and then. Jupiter in romantic Pisces gives you what you need in the nestle-and-cuddle department. If you're unattached, things could go from meeting to moving in to married before you know it. If you're in a relationship, this can be a year when you two grow especially close. But please don't call each other smoochie-pooch in public.

LIBRA (Sept. 24 - Oct. 23) Jupiter in Pisces creates tremendous opportunities for you at work, you lucky thing. Detailed projects undertaken in the next year should go very smoothly and provide greater than average satisfaction and success. It's also an excellent time to get that body ship shape in time for cruise season. Jupiter works wonders on those gams and pecs. Hello, sailor!

SCORPIO (Oct. 24 - Nov. 22) You'll be tempted to bet the farm when lucky Jupiter sweeps through optimistic but peniless Pisces, but don't. Yes, Jupiter gives you greater gambling luck, but the best use of this inspiring energy is in the arts. Proud Scorps create masterpieces in anything they tackle now, so follow your great gay muse and paint, act, write or even plan a fabulous *fin de siècle* party.

SAGITTARIUS (Nov. 23 - Dec. 22) Jupiter in Pisces throws a strobe light on anything having to do with family and family history. This could be a time of greater understanding and reconciliation. Who knows what might happen when both sides are listening? Queer Archers can also enhance their living surroundings now. That may mean bagging those macramé hanging plant holders.

CAPRICORN (Dec. 23 - Jan. 20) Proud Caps usually like to work quietly behind the scenes and take care of business with political understatement. Now, however, with boisterous Jupiter in watery Pisces, you can't help but make a few tidal waves every time you open your mouth. Make a statement, push an agenda. Things will come your way by just asking. Come to think of it, don't ask; just tell.

HIV REPORTING ISSUE HEATING UP IN TEXAS

*State Department of Health Seeks
Public Opinion on Possible Move
To System That Would Include
Names; AIDS Foundation Houston
Also Asking for Input.*

TEXAS — Would you get tested for HIV if you had to report your name? That question may soon become more than just hypothetical for many Texans if the state Department of Health succeeds in changing the way cases of the infection are reported.

Cases of fully developed AIDS are already reported by name everywhere in the U.S., and numerous states report HIV infections by name as well. Texas and Maryland are the only two states that use an HIV-surveillance method involving so-called "unique identifiers" [UI]. That system was adopted in Texas in 1994 with the hope that statistics could be collected without sacrificing the confidentiality of the individual. The UI system uses a 12-digit numeric code composed of the individual's date of birth, gender, ethnicity and the last four digits of his or her Social Security number. Reports are initiated by hospitals, physicians, dentists, correctional facilities, laboratories, blood banks and HIV counseling and testing sites.

Texas already mandates name reporting for HIV infections in children 12 years and younger.

TDH said recently that a three-year evaluation conducted by the Centers for Disease Control and Prevention of the systems used in Texas and Maryland revealed that reporting of HIV cases with UI codes is unreliable. The CDC study found that thousands of reports with missing or incomplete code numbers are turned in every year.

Under the change currently being considered in Texas, which would have to be approved by the state Board of Health, HIV cases would be reported under a hybrid system that would include the option of anonymous reporting in some cases.

Reporting cases of full-blown HIV disease by name started early in the epidemic. Health officials have said that full reporting of HIV cases has also become necessary now that new treatments are

delaying the onset of AIDS in many people.

TDH argues that name reporting will benefit the fight against AIDS by increasing referrals to HIV care and services, supporting voluntary partner notification efforts and helping ensure that limited funding is properly allocated. "We have a critical need for a system that will provide accurate and reliable information on HIV disease," said Dr. Charles Bell, chief of the state health department's bureau of HIV and STD prevention. "Without such a system, we can't effectively target prevention strategies to populations most vulnerable to HIV infection, and our ability to validate increasing HIV caseloads is hampered."

But Sandra Wicoff, JD, Public Policy Coordinator with AIDS Foundation Houston, said numerous questions remain to be answered in the light of a possible move to names-based HIV reporting. "Will at-risk individuals be deterred from getting tested if they have to give their names?" she asked in a statement issued by her agency last week calling for public comment. "If so, will the statistics accurately reflect the number of HIV infections? What would this mean for asymptomatic HIV-positive individuals who already face limited protection under the Americans with Disabilities Act?"

TDH is conducting meetings around the state to allow the public to express its concerns and ask questions. A meeting will be held in Austin on Tuesday, Feb. 10, from 2-3:30 p.m. in the Commons Building of the J.J. Pickle Research Center at the University of Texas, 10100 Burnet Rd. In Houston a forum will be held Thursday, Feb. 12, from 7-8:30 p.m. at the West End Multi-Purpose Center, 170 Heights Blvd. A meeting will also be held in Lubbock on Tuesday, Feb. 17, from 3:30-6 p.m. at the High Plains Water Conservation District office, 2930 Ave. Q.

AFH in Houston is also asking for public input on the proposed reporting change. To voice your opinion on this matter, contact

Wicoff by mail at AIDS Foundation Houston; 3202 Wesleyan Annex; Houston, TX 77027, by telephone at (713)623-6796 or by e-mail at afh@aidshelp.org.

NATIONAL CIVIL RIGHTS GROUPS SPONSORING FREEDOM TO MARRY DAY FEB. 12

*Dallas' Cathedral of Hope
Will Honor Longterm Couples.*

U.S. — A coalition of gay and other civil rights groups hopes to spotlight the issue of same-sex marriage with a day of observances all across the country next Thursday, Feb. 12, which has been designated "National Freedom to Marry Day."

The Lambda Legal Defense and Education Fund, one of the organizers of the observances, said that Feb. 12 was chosen both because it is Abraham Lincoln's birthday, an appropriate time to think about equality, and because of its proximity to Valentine's Day, Feb. 14, with its obvious symbolism of love and relationships.

"We want to remind people that this issue is imminent, and we need to think about it and start a conversation about it with the whole of America," said Christopher Calhoun, who works in the Department of Policy and Public Affairs at the Gay & Lesbian Center in Los Angeles, and who is helping coordinate the day. "We need to raise public awareness about how important marriage rights are; there are hundreds of rights and privileges connected with marriage that gay and lesbian people are currently deprived of."

Many of the events on National Freedom to Marry Day will center around the "Marriage Resolution," a statement of support for equal marriage rights endorsed by hundreds of organizations, clergy and other prominent individuals.

The Marriage Resolution reads: "as follows: 'Because marriage is a basic human right and an individual personal choice, RESOLVED, the State should not interfere with same-gender couples who choose to marry and share equally in the rights, responsibilities and commitment of civil marriage.'"

In addition to unveiling the names of new allies and introducing couples and families for whom the issue is important, organizers are asking supporters across

the U.S. to participate in a show of support by "Tying the Knot," which will entail knotting ribbons around trees, lampposts, buildings, doorknobs and car antennas. Individuals are being asked to tie a knot around their ring finger or arm, or to wear a knot on their lapel.

In Dallas, the group Friends and Family is sponsoring an evening discussion on the issue of same-sex marriage, and there will be a "marriage booth" at the University of Texas during the day. Cathedral of Hope MCC will honor longterm couples on Sunday, Feb. 15. For more information on that event, call the church at (214)351-1901.

In addition to LLEDF, members of the National Freedom to Marry Coalition are the Lambda Legal Defense and Education Fund; the Human Rights Campaign; the National Gay & Lesbian Task Force; the Gay & Lesbian Alliance Against Defamation; the American Civil Liberties Union; the Gay & Lesbian Advocates and Defenders; the National Organization of Women; Parents, Families and Friends of Lesbians and Gays; and the Los Angeles Gay & Lesbian Center.

HOUSTON PRIDE SETS ELECTION OF GRAND MARSHALS

*Female, Male and Honorary
Titles Will Be Awarded
At Feb. 17 General Meeting.*

HOUSTON — The Pride Committee of Houston will accept final nominations for and will elect the Grand Marshals for Houston Lesbian and Gay Pride 1998 celebrations at the organization's next general meeting, to be held Tuesday, Feb. 17, at the Metropolitan Multi-Service Center, 1475 W. Gray.

Three Grand Marshal titles will be awarded. The title of Honorary Grand Marshal goes to a self-identified heterosexual man or woman who has shown outstanding support for lesbian and gay causes. The remaining two Grand Marshal titles will be awarded to one woman and one man, both of whom must be self-identified as lesbian or gay, must be residents of Harris or its surrounding counties and should be seen as role models within the community as a whole. The Pride Committee also chooses an organizational grand marshal.

Nominations for each of the titles will be accepted from the community at large and must be presented as written summaries of nominees' qualifications. Every nominee must be aware of and accept the nomination in person or have a written letter of acceptance presented to the Pride Committee.

The title of Grand Marshal carries with it certain obligations in connection with pride preparations and festivities. Each Grand Marshal will be included in all public relations efforts and media releases, and will be expected to attend certain pride events as well as participate in the Pride Parade.

According to Pride Committee policy, all persons nominated for Grand Marshal will be considered regardless of race, color,

creed, gender, age, sexual orientation or other arbitrary reason, with exceptions, of course, in the categories of gender for the two gay/lesbian Grand Marshal positions and the category of sexual orientation for the honorary title.

Grand Marshals are to be selected based on their commitment and their outstanding contributions to Houston's lesbian and gay community. Areas of contribution considered in choices are social, political, health, child welfare, education and business. Types of contributions considered are mentoring, volunteerism, generosity, leadership roles and civil pride.

Grand Marshals are expected to adhere to the rules and guidelines pertaining to any pride event they attend.

The honorees are chosen by those attending the meeting who qualify as voters under the organization's rules, which require that those casting votes attend the meeting in question as well as the previous general meeting. Voting is conducted after all nominations are accepted.

The Feb. 17 meeting is open to the public and all are encouraged to attend.

SILK STOCKING BALL BRINGS 'ROARING '20s' TO MOODY GARDENS IN GALVESTON FEB. 20

11th Annual Mardi Gras Event Benefits Local AIDS Charities.

GALVESTON — A local Mardi Gras tradition celebrates its eleventh anniversary this year when the Eleventh Annual Mardi Gras-Galveston's Silk Stocking Ball lights up the night on Friday, Feb. 20, from 8 p.m.-1 a.m. in the West Arena of Hope Arena Convention Center at Moody Gardens, Two Hope Blvd., in Galveston.

The Silk Stocking Ball started in 1988 as a private, by-invitation-only event. The theme of this year's Ball is "The Roaring '20s," with costume or semiformal as requested attire. In line with tradition, the Ball will again feature a costume contest, highlighted this year by a "Parade of Costumes." Trophies will be awarded to the winners in several categories.

This year's Ball will feature the nationally renowned group Vince Vance and the Valiants, who not only play dance music but create a show-type atmosphere with numerous costume changes throughout

the evening. Master of ceremonies this year is Carey Richards, a former deejay at KQUE-FM radio in Houston who is now with a station in Dallas.

Tickets are \$50 for open seating, and \$650 for a reserved table seating ten. Advance registrations are being accepted through next Friday, Feb. 13. After that date, any remaining tickets will be available at the door at \$60 per person for open seating.

The Caven Enterprises Benevolence Association's Turnabout Show last Tuesday was a scream and a half. The proceeds benefited CEBA and ImmunOcise. Thanks to the vivid and valiant efforts of the employees from all of the Caven Enterprises clubs for putting on the paint and pumps. A good time was had by all. There's nothing like the roar of the grease-paint and the smell of the crowds to bring out the actress in the butchest of men. Thanks to everyone for making the evening such a huge success....

The balconies at JR's have been dripping with the dreamiest of the dreamy dudes and dudettes partying until the wee hours. The sightseeing is fabulous inside the club, starting at 11 a.m. daily and at noon on Sundays. Make your way over to JR's for a great time every time and see the sights for yourself.

HOUSTON TEA — Sundays at JR's are a Houston weekend tradition. Robert, Greg and Eva [above, l-r] never miss a minute of SRO Karaoke, magnificent male dancers and that infamous well vodka drink special. Tuesdays are doubly delightful at JR's. The 2(x)ist underwear strip contest features \$200 in cash prizes along with your chance to win a free pair of 2(x)ist underwear. In addition to the parade of beautiful bodies and skimpy skivvies, there's Video Post Office to help you send messages to your favorite contestant or to someone that you think should be showing off their assets....

The Montrose Mining Company is the place where the party never stops. The Mine's weekly lineup includes Monday night pool tournaments, Anything Goes

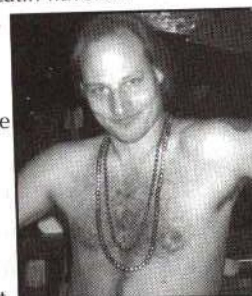

Tuesdays with amazing anything-in-the-house drink specials and partying to the music of deejays David Nastasi every

Wednesday and John Sims every Thursday. Seven nights a week, hunks like Anthony [above, c] strut the stuff that keeps loyal patrons like Samuel [l] and Edwin [r] coming back for more....

Wednesday nights at Inergy are hotter than ever. Get on over to Inergy and spice up your night with some Latin flavor....

Next weekend, Pacific Street manager Jeff Roberts [right] has a double dose of decadence waiting for you. On Friday the 13th, the club is having a Hard Luck Party. If we know the gang at P.S., it won't be very hard to get lucky at this fun-filled event. Saturday, Feb. 14 offers you a Stoplight Party that's a green light to a good time. If that's not enough to entice you, they also have Caged Heat dancers and low drink prices all week long....

Next Friday, Soiree Aubergine continues its fundraising efforts for the Bering Care Center with "The Late, Late Show: A Moving Tribute to the Silver Screen" starring Miss Houston for Female Impersonators titleholders Lindsey Love, Tara Dion, Kara Dion, Lauren Taylor,

If you haven't heard about Eagle Mountain Saloon's Monday night "Dash for Cash" event, come on over and experience the fun along with an opportunity to literally pick up some cash at 11 p.m. and 1 a.m. The EMS has also introduced Monday night guest bartending with members of the local TGRA chapter. When you combine all of this with their absolutely incredible low drink prices, you just can't find a better place to spend the evening. On Thursday nights, the EMS features an amateur talent night, starting at 10 p.m. If you can dance, sing, "strut your stuff" or bring the house down with an unusual act, you could win some cash....

Saint bartenders

Greg and Brian [right, l-r] invite everyone to dance the night away each Friday and Saturday for the Saint's ultra-hot dance party weekend. Friday, Shady Lady hosts the party featuring stunning go-go gods and super low drink prices, while on Saturday the dancers return for table-top dancing from 11:30 p.m. to 2 a.m. Both nights boast an out-of-this-world after-hours party with deejay Junior Hernandez and truckloads of the finest young men in South Texas. Finish off your weekend with a dose of the Super Sunday Show featuring emcee Shady Lady, the legendary Pauletta Leigh, the goddessy Erica Andrews and this week's special guest, Ashley Krutz.

AUSTINteaCIOUS — With Valentine's Day right around the corner, we hope all of you ladies and gentlemen have been preparing for the big day. Here are a few gift-giving pointers for all of you who have no clue about what to get: one month together — roses and a romp in the sack; six months — an extravagant dinner and a romp in the sack; 1-3 years — tickets to see *Phantom of the Opera*, a bottle of bubbly and a romp in the sack the next morning after coffee; 4-7 years — a card, a little something in the shower before work, dinner somewhere you've never been and a romp on the sofa that should be paid for by now; and seven years and up — our

heartiest congratulations, see you when you return from your trip to Greece!...

Rainbow Cattle Company had quite the big weekend, with not only their usual crowd of Wrangler-clad studs, but a spectacular show benefiting the Pediatric AIDS League. The all-star cast was headed by the up-and-coming Dee Dee Davis, the Dolly Parton of Austin. Great show, girl! The rest of the week was the usual great fun — tacos and dance lessons on Tuesday, karaoke on Wednesday and twirling with the boys on the weekend. We love a man in boots! Actually, we have "loved" a man in boots, but that's another story! The Babbitt Women and the United Court of Austin present their annual Valentine's benefit on Sunday, Feb. 15, so make sure you'll be there for a sure bet of a great time....

On the other side of downtown at Country Edge, the cowboys were also twirling and having a ball. Bartender Steve poured us a shot and gave a good laugh with a cute story. Li'l Debi is the happy hour bartender, so you know he'll show you a good time. We all love his big smile...been our friend for years. We hear the club is having male impersonation show in a couple of weeks — a festive twist on a fun theme. And the free pool on Thursdays is quite the crowd-pleaser, so stop in and play with someone else's stick...oops, we mean cue!...

Charlie's is still your weekly party place, with something festive to enjoy every night of the week. Jordyn Scott was the special guest this week for the Nacha Type show. She's the newly crowned Miss Gay Austin International — congrats, girl! Lauren Taylor has that winning look and attitude, and she's still the reigning diva on Sundays.

Speaking of looks, who was this sexy man [right] standing around in a T-back this week? We think he was a dancer, but you never know. He could certainly come stand around our house in that same little outfit, and we'd be just happy! With pumping

music by deejay Tony and cocktails abounding, the boys keep piling into Austin's oldest gay bar. Bartenders Army, Jessy, Bradley, Carl, Gerald, Milsey, Gilbert, Rob and Cheyenne will all take good care of you. Speaking of taking care, which bartender broke his toe in a ceiling fan? You figure that one out! Where was Gilbert this weekend? What a coincidence!...

The Forum is in mourning — Darren's moving to San Francisco, and the River City will miss him. Our loss is San Francisco's gain. Knowing Darren as we do, we say the city by the bay should lock up their sons! Back to the Boathouse Wednesday is still packing them in from wall to wall. Kelly Kline presents her talent

night on Thursdays, and seems to be working that for points as well. This week the bevy of lovelies was headed by the multitalented Scarlett Leigh; we just love her! Last week we had a taste of spring and ventured out onto the rooftop patio and

relived memories of summer. This young man [left] was one of our favorites; We're looking forward to seeing him again. A little sun, a cocktail and a view like that will

truly brighten your day....

The Edge has been trying some new ideas lately. They now have Freakquency Thursday, when deejay Bang spins all your high-energy favorites. Bring your dancing shoes and get ready to work it for points. Once again we got the opportunity to watch another "straight" boy attempt to pick up that same lipstick lesbian, and this time her girlfriend wasn't nearly so nice about it. Our laughter doubled when we watched him suck face with a blond guy a couple of hours later. Oh, how things change as the night progresses! We had another shot in his honor...we love him!

Speaking of love, what kind of cutie sandwich would these three [above] make? Just bring some chips, because everything else is already there. You go, boys!...

'Bout Time is having a blowout benefit for the Pediatric AIDS League, with the United Court of Austin serving as sponsors and Augusta Blush as special guest emcee. Stop in at the club and play some darts, or join in on the weekly pool tournaments. Daytime bartender Tom Tolliver is always there for all you early risers, opening up at 8 a.m. so you folks can start the day off early. A special hello to Joe Parker from all the good people at your northside party place....

All you theatre-goers should be sure to put *Forever Plaid* on your list of must-see shows. The melodic sounds of Paul Parkinson [above with director Dave Steakley], Grady Basler, Brian Gaston and Kevin Farr give you a little bit of camp,

some romance, some fun and mostly angelic music. There's just nothing like the sound of four-man harmony, especially when the men are all as handsome as these four. Showtime is Saturday nights at 9 p.m. and Sunday afternoons at 2:30 p.m. at Zachary Scott Theater...

The Midtowne Spa invites everyone to join them for The Luv Ball on Saturday, Feb. 14. The journey into romance starts at 10 p.m. On Feb. 21, the Spa presents Party Gras '98, a citywide dance contest benefiting AIDS Services of Austin. Their flashlight party is on Feb. 28 and every Tuesday is Youth Day with free lockers for 18-25 year olds.

PAGEANT TEA — Following the recent triple crown pageant at Bamboleo's in Dallas, the **CRUISE CAMERA** focused in on Miss Southwest At Large Aretha Wells [above, r] and last year's winner Ashley Rhone [l], as well as contest emcee Candy [below, l] with Miss Lone Star At Large Caress Riata [c] and last year's winner

Eartha Quake [r]. The list of winners also included Miss Mid-Cities At Large Melissa Mason and first runners-up Della Contessa, Tori Wells and Delilah Delite. All six ladies will compete at the Miss Texas At Large pageant to be held Labor Day weekend in San Antonio.

David Christopher (Chris) Whitford
Born Feb. 21, 1965
Died Jan. 15, 1998

On Jan. 15, Chris Whitford lost his ten-year battle with AIDS. He died in Park Plaza Hospital surrounded by the

love of his parents and friends. Chris called many cities home in his 32 years and had only recently moved to Houston. In his short time in Houston, he touched many people. He was a member of the Houston Area Bears and the Royal, Sovereign and Imperial Court of the Single Star of Houston, Inc. He held the title of Mr. Win It, Name It (WINI) Emeritus.

Chris is survived by his parents, Don and Sharon Howk; his father, David Whitford; numerous siblings; and many loving friends in Tennessee, Florida, Houston and around the nation. A special thank-you to all the nurses at Park Plaza Hospital, Eighth Floor, who made him feel at home every time he returned to the hospital. Their caring and love were greatly appreciated by Chris and those who loved him.

All those who knew Chris knew the depth and beauty of his soul and continue to carry a piece of him within their hearts. Therefore, he can never truly die.

"You are safe in our hearts
And our hearts will go on and on."

OBITUARIES

In Loving Memory
Jack Pierson
Born Feb. 16, 1962 - Died Dec. 2, 1997

Sometimes we have something without truly knowing what we have. Sometimes we hold something without knowing completely what we hold. Sometimes we are given something without fully appreciating what we are given. But that knowledge usually comes when we realize what we have lost.

Jackie, till we meet again, I will always cherish the memories and always have you.

Love,
Jeff Davis
