Aries 21 March 19 April

You would like things to happen when you want them to happen dear Aries. You aren't too good at listening to advice either. And as far as sticking to a routine, not on your life. What do you want a challenge? Well that is your challenge, and all Arians love a challenge!

Polarity-Masculine

Taurus 20 April 20 May

Pleasure is more important to you than excitement so far as your concerned, as much as possible, as often as possible. However there are times when you just can't be bothered, for sometimes it feels like too much effort and you simply can't be bothered. You can be ambitious, productive and incredibly practical, like I say to you, you simply can't be bothered!

Polarity-Feminine

Gemini 21 May 21 June

Dear Gemini, you tend to live in your head and why not, there is so much fascinating clutter in there. You say you have a healthy interest in people, others call it you being nosy. Not that you would repeat anything you heard, well at least not for a couple of minutes. You want to be the center of attention of things and can coldly plan to make sure it happens.

Polarity-Masculine

Cancer 22 June 22 July

Caring is what you do best. You are most happy when you have the warm fuzzies due to someone being in your life. Not that your whole life is full of touchy-feely moments. You want to feel safe and protected, on all levels. This is the reason for when the mood strikes, you are full of tenacity and make sure everything around you is sorted.

Polarity-Feminine

Leo 23 July 22 August

Everything you do, everything you surround yourself with, you want it bigger and better than anyone elses. You have passion aplenty, but be careful because everyone knows your flair for the dramatic. You do have a constant search for admiration leaving you little vulnerable to criticism or embarrassment.

Polarity-Masculine

Virgo 23 August 22 September

You take being humble to a whole new level, so much so, that while you're always ready to fight the good fight for anyone, you are not so good at defending your own corner. Your criticism is meant to be helpful but sometimes there is an awful lot to it.

Polarity-Feminine

Libra 23 September 22 October

Your major talent dear Libra is getting along with other people and keeping things running smoothly. You love being diplomatic and know gentle persuasion work far better for you than making loud demands or being bossy. You can see all sides of an argument, pick it apart, and do what's best for everyone.

Polarity-Masculine

Scorpio 23 October 21 November

One does not let anyone find out your weaknesses, this doesn't stop you from digging into others to find their secrets. You will follow any whiff of information just to get to understand someone better. Knowledge for you brings power, and knowledge of another person's secrets brings you the power of control.

Polarity-Feminine

Sagittarius 22 November 21 December

Remove foot from mouth hand immediately insert other foot! Ok, so you are terrible at telling lies. Don't be ashamed of this, but there is a big difference between telling it how it is and talking someone's ear off with all the juicy details. Oddly enough, you have no problem when someone is trying to pull a fast over on you dear Sagittarius.

Polarity-Masculine

Capricorn 22 December 19 January

Being the most goal oriented person I know, you can put enormous energy into achieving your personal objectives but you need to make sure that each step along the way is planned out to perfection. You are able to plan for the right opportunity before coming in and making your move, but once you get going there is no stopping you.

Polarity-Feminine

Aquarius 20 January 18 February

You always look towards the future. However in doing so, sometimes you tend to forget to take notice of what is going on in the here and now. Attracted to new, unusual and sometimes downright weird, you want to experiment with new ideas, feel your way through new experiences and prefer to have plenty of people around you while doing this.

Polarity-Masculine

Pisces 19 February 20 March

Dear Pisces, you are sometimes like a sponge, soaking up everything around you until you are totally overwhelmed. In doing this, it makes it easier for you to sympathize and empathize with others, but sometimes almost impossible to decide who you are and where you are heading.

DEAR DIVA

The Diva is in the house.....

Dear Diva:

What's the deal with all the straight guys in the gay bars?
Green on a Mission

Dear Missionary:

Well, let's think about this....Either they are there for fashion; guys; transsexuals ...or they just walked in for good drink specials DUH!

Dear Diva:

Recently, my sister and I went out shopping for our new summer wardrobe and, of course, we wanted to rush home to my palatial swankienda to play dress-up. When we walked into my bedroom, there - right on my 600 thread count Egyptian cotton sheets - were my partner of 7 years, my father and my sister's twelve-year old boy, completely naked and in the throws of the most disgusting acts of sexuality that I have ever witnessed. My sister fainted, I swooned and the boys in the bed kept right on doing the nasty. Now, my father has killed himself, I no longer have a partner and my sister won't speak to me because her son has been so "tainted" by my deviant behavior. I am at a loss and don't know what to do. Can you help me? I mean, how do I get all of those stains out of my 600 thread count Egyptian cotton sheets????
Devastated in Dallas

Dear Deva

Good Lord, honey...you've got a lot more to worry about than what the hell you're going to do about your damned sheets - starting with your alleged partner. While the Diva never frowns upon extra-curricular activities, she does believe that your partner's choice of whom to have a little afternoon delight with was certainly inappropriate, and certainly says more about how he feels about you than whether he pays for your new wardrobe. His father-in-law AND

his nephew? It might make good porn, but this is the real world, honey. And the fact that your sister, with whom you obviously once had a close relationship - shopping for summer wardrobes IS, after all, a very intimate experience - has decided to take out her anger and grief over the death of her father and the deflowering of her son on you seems to me to be just a tad bit more of an issue than whether your 600 thread count Egyptian cotton sheets are ruined. My suggestion to you is that you dump your partner, pay for your nephew's therapist, beg your sister for forgiveness and, for your sake and the sake of everyone in your circle of friends, seek counseling. And, for the record, 600 thread count Egyptian cotton sheets are a booger to iron, let alone clean, so take the money you get from your divorce settlement and buy a new set.

Dear Diva:

Are there still fag hags around?
Wondering in Waco

Dear WIW:

Such a strange question. Do you need a fag hag, or are you hoping to become one? To answer your question, if Starr Jones and Liza Minnelli aren't fag hags, then maybe they're just lesbians.

Dear Diva:

I'm dating a guy whom I really, REALLY like a lot. The only problem with him is that he drinks too much - almost to the point of being violent. What should I do? I really, REALLY like him a lot
In Love with an Alcoholic

Dear Co-Dependent AA President:

It seems in this day and age that everyone has some problem or another. The only thing to realize is that if this guy loves alcohol more than you - AND gets violent with it - then old lady alcohol has your boyfriend, not you.

CLASSIC TWT

17 Years Ago This Week in Texas

Fresh from the festivities of Pride Week activities across the state, Lone Star Texas-exuals were priming themselves for another round of parties as the country prepared for its July 4th celebrations - and the magazine was prime with a patriotically-themed cover featuring the delicious Jonathan Gilbert of Dallas, draped in the old red and white.... the blue was displayed elsewhere. Inside the magazine, our studly coverman suited up in baseball togs to show us all how to play balls...uh, ball.

Well it IS, after all, America's past-time ...and oh-so patriotic.

Across the state, our community joined in the celebration commemorating the founding of our country with special events designed to set-off fireworks and spur spontaneous outbursts of the national anthem across the land. From Austin's July 4th Picnic in Pease Park - sponsored by the Austin Tavern Guild bars Charlie's, the Boathouse, Sally's Apt, the 505, Buckles Saloon, Chain Drive, Rupert's Corner, Snuffy's Saloon, Mind Erasers and 'Bout Time - to the Cedar Springs Block Party featuring specials at Village Station, JR's, Sue-Ellen's, Hartford's and the Throckmorton Mining Company and the Miss Firecracker Contest at the Round-up in Dallas; from the swimsuit contest at JR's, the Urban Cowboys at Santa Fe Trading Company, the Men at Work review at the Montrose Mining Company, the Super 4th of July Show starring Naomi Sims, Donna Day, Tasha Kohl and Hot Chocolate at Heaven, the Liberty IndependDANCE Party at

Rich's and the Crotchmonster Beer Bust at Ripcord in Houston to the Super Delicious Sunday Show starring Pauletta Leigh, Amanda Hall, Shady Lady, Casey Starr and Sweet Savage at the Paper Moon and the Romp & Stomp T-Dance at the Silver Dollar Saloon in San Antonio; and, from the Muscles

in Action review at the New Kon-Tiki in Galveston to Mr. East Texas contest, featuring MC Lady Shawn at Jamz in Longview, there were more than firecrackers going off and going on around the state in honor of the birth of our nation.

SAY, WASN'T THAT...Renowned spinner Howard Metz, Metz-Merizing the crowds at Village Station in Dallas; Edgar Ethyl, the Fitzhugh Weenie Queen at Zippers, also in Dallas; hotties Euphoric Heat at Santa Fe Trading Company in Houston; Lindsay Love, relinquishing her Miss Gay Southwest crown at the Hippodrome, back in Dallas; the Baltimore Bitches, aka Dena Malloy, Beaulah Lamont and Champagne Douglas, at The Copa in Ft. Worth; Richard Jones, Bobbi E. Shelton and Mark Cubstead, tickling the ivories at Michaels, in Dallas again; hirsute and scantily-clad Mark Jimenez capturing the Mr. Razzle Dazzle Dallas title at Fair Park, still in Dallas; Rikki O'Shea, Diana Wright, Robbie Roberts and Ron Sioux at Cousin's in Houston; and the Weather Girls at Heaven, also in Houston.

Finally, everybody loves a bejewelled headdress, and there were plenty of them going around 17 years ago, with Miss Gay Texas/USA Dyan Michaels crowning Constance Sinclair as the new Miss Gay Galveston; Lady of the Year Lisa Bryson crowning Kim Huffstatter as the new Ms. Gay Dallas; and Trella Thomas crowning Obsession as the new Dallas Newcomer of the Year. Talk about your crowning moments.... And that's the way it was, 17 years ago This Week in Texas.

TEXAS TEA

Alamo CiteA

Celebrations in Houston and Dallas may be a bit bigger, but when it comes to showing their Pride, the people in San Antonio take second place to no one. Throughout June, San Antonians have been as proud as peacocks, with the city's Pride Fest kicking off the festivities in the world-famous Hemisfair Park downtown, and this weekend's Pride Parade down the Main Street Strip providing a fabulous closing to the City's unique and hugely-popular revelry.

Much of the sense of merry-making that SA has been experienced is due to the untiring efforts of Ms. GDLSA and all-around fab gal, **Debbie Just Deb Browning**. Camera captured the smartly attired JD at The Saint, where she was hosting the first-ever Pride Idol contest finals. Dozens of fabulous entertainers entered the competition-a show of unity and talent that was amazing. So amazing, in fact, that the club's gorgeous and gregarious manager,

Jon K., felt compelled to lean on popular bartender **Christina "Pancakes" Buck** for support. Be sure to ask Jon his shoe size the next time you see him.... Seriously,

it's waayyin the double digits And don't forget the incredible **Chevelle Brooks** - a former Miss Gay USofA and Miss Continental Plus titleholder - has joined the club's stellar cast of illusionists. See her along with so many

current and former tiara sporters that *Drag Pageantry.com* reports a shortage of rhinestones on the open market.

Over at Heat there's no shortage of gorgeous men populating the popular libation lounge, making the beautiful interior even more stunning with a clientele that is second to none in terms of breath-taking examples of male pulchritude. Examples such as the stunning trio of **Mario Garza, Joe Cantu &**

Hector Gonzalez that our lens just naturally gravitated to. And, as if the beauty of the customers wasn't enough, staffers such as green-eyed lovely, Tristan make Heat

one of the most sizzling clubs in Texas. Be sure and be at the club on July 1st for the club's Third Annual Pride Party, featuring guest **DJ Seth Gold** from New York City, and on

July 4th, when the legendary **Jimmy James** another stunning specimen, will perform his entire concert-length show, which is usually reserved for such venues as the Majestic Theater. The club will have tables and seating for this special event, so make your reservations early-you don't want to miss any of it.

It's hard to believe that it's been almost 25 years since longtime San Antonio activist and philanthropist, **Hap Veltman**, opened his new downtown nightspot to replace the old San Antonio Country on Saint Mary's.

Originally built in 1891 as Turner Halle for the Turnverein, a German athletic association, the building has been everything from a USO center to a storage facility for the US post office - and, now, one of the most beautiful clubs, the Bonham Exchange, in the state - since then. Next month, the club celebrates its Silver Anniversary, but in the meantime, there's always something exciting happening down on Bonham Street. There's the fabulous Chick 'n Dick Show on Thursday nights, the club's wonderful cast of regulars and a bevy of beefcake beauties, Absolut Fridays with The Bonham Boys Club and even more hunky Go-Go Boys, Glow Stick giveaways and still more beefy beaus on Saturday nights, and **Niecy's** Pussycat Lounge Comedy Club on Sundays. And, for hump day, Wednesdays are all about Balls - billiard balls, that is - with tournaments and cash prizes. And for purely visual delights, there's always the gorgeous & oh-so-sexy **Lee Haines**, who just naturally attracts attention with his Christian Bale-esque good looks. Just ask goddesses **Della** and **Lorraine**, pictured with Lee. There's something for everyone at the grande dame of San Antonio clubs, the Bonham Exchange!

Essence was the site of one of the preliminary Pride Idol contests, and our Cruise Camera was naturally there to snap a photo that includes **Bobby G**, **Patrick Cummings**, **Gen Casillas**, **Michael D** and the ubiquitous **Deb Browning**. Also there that night were model, Mischka, and the club's new general manager, **Bob Fogg** - proving that all of the talent at the club wasn't just on the stage. Essence, by the way, is the starting point for this Sunday's Pride Parade at 9 pm, so be sure to stop in and start the parade off right!

While still on Main, no tour of San Antonio clubs would be complete without a stop at the Silver Dollar Saloon, where we found the hotspot's very own juggling bartender extraordinaire, **Peter**, dazzling both the Cruise Camera and a crowd of admirers.

Though rumor-mongers are mongering that not all of the liquor bottles that **Peter** juggles stay in the air, there's absolutely no truth to the rumor that in-

house showgirl, **Peaches**, has anything whatsoever to do with any presumed spillage. Be sure and say "Hello" to resident mix-master, **Shawn** who mesmerized the crowds with

hot tunes at the Pride Festival. **Shawn** spins the Best Dance Music on Thursdays and Sundays, as well as 80's video music on Monday and Tejano on Wednesday...Check it out.

Over at The Annex, happy hours are so popular that it's hard to tell whether all of the cars in the parking lot are for the club or for the Valero station across the street. We personally believe that it's due to the fact that **Draven Gonzalez** mixes the finest drinks

and serves them with the most purrrfect of smiles. Be sure and ask **Draven** about the new film that he's working on... no, sillies-not THAT kind of film.. though we would certainly be the first in line for one of that genre ourselves.

We mentioned the delicious **Serge** from 2015

in our last column, and now we have a photo of him to share with you to illustrate why we get so fark-lempft whenever we see him. Regrettably - for us, anyway - **Serge** is taken, but his beau, **Gabriel**, is so equally stunning that we can certainly understand why he chose him over us.

Meanwhile at Pegasus there's always something to do and see at the club, from its Sunday Brunch, the new Taco Flats menu, hamburgers - provided by community

members such as the Texas Spotlight staff **Ben**, **Jesse** and **Monica** & steaks on the patio, to the leather shop and country and leather cruise areas of the club. And if you don't want to participate and just want to look, well staffer **James** is definitely a feast for the eyes....

When we were still just young Trinity co-eds mumble-something years ago and used to work at the Sunset Boulevard, one of our favorite clubs to visit on our off nights was the old Faces nightclub on El Mio. For several years now, the club has been dubbed the Bermuda Triangle, and it's not just the name that has changed. The club is fantastic, with gorgeous and friendly ladies and specials every night of the week. Our Cruise Camera captured three of those gorgeous ladies during a recent stop. That's **KJ** on the left - she's the Karaoke host every Wednesday - bartender goddess **Lizz** in the center, and the Sexy Singing Bartender, or the artist formerly known as one, on the right. The Bermuda Triangle is definitely a place we don't mind getting lost in....

Now....get ready for the Parade!

DALLAS Big "D"TEA

Top off your weekend this Sunday at the EAGLE when Doug will host a wet boxer short contest for the independence day weekend. The patio opens at 4:00 pm. Oh my, it's a Thursday night and what's a guy to do? How about hitting Big Men's Club and Bear Night? Dallas Eagle welcomes Dallas' Big Men, Bear and Leather Clubs! Bear night starts at

10pm with JD and Gavin to serve you with drink specials and Perry playing retro music for your entertainment. And if you've been a naughty guy you better be there next Friday (the 7th) Discipline Corps. Hosts a bar night with a different topic every month. Starts at 10:00 pm.

S4 is pulling out all the stops for a great holiday weekend. And just so you can keep the party going they will be open this Monday with NO COVER. The Rose Room is packed all weekend with their regular cast of lovelies plus this week's special guest from San Antonio, Janet Andrews. And make sure to hit the S4 on Wednesday cuz there's no cover 9-11 for 21 and up and you can win an iPod to play all your bootlegs on!!

Woody's is oh-so-fun! Make sure to stop in on Fridays for FNL with Da'Boyz, a night full of fun with bartenders Kiwon, Zach and Joao. There are tons of new comedy videos and hi-nrg music videos starting at 10pm. On Saturdays they break it up with the hot music videos downstairs and butch it up, showing sports broadcasts upstairs. Do you think they could smuggle a cam into the locker room?

That Throckmorton can always throw a party. Their open Wed-Sun at 5PM with a clever happy hour. Their staff of great DJs offer some of the best music around and the bartenders can throw down a mean cocktail! Flashback Fridays are a total hoot and holler with music from the 80's, 90's and beyond! 'It's a fabulous club. Look at all the fabulous people...waana dance?' (name that tune!) The best thing for a hangover is to have another drink. Well the Hidden Door opens at 7AM so there's your answer. The Hidden door attracts all type, shapes and sizes with one thing in common...A GOOD TIME! We caught Harvey carrying on with partygoers Michael and Jim...stop in and say howdy and see why they say it has one of the most fun patios in Texas.

Make a stop by Illusions over on Maple any night of the week for a hoppin' time. There's a dart tournament on Tues and Thurs and a pool tournament on Sundays for those of you with good aim after a few of those pitcher beers! And don't forget about their fundraising shows on Fridays and Female Impersonation at it's finest on Saturdays... always a great time!

Speaking of contests. Stop over at Mickey's on a Wednesday for the NAME THAT FRAME contest hosted by Wayne Smith. This movie trivia contest starts at 10:30 with 3 rounds and a winner every hour. We stopped in for happy hour where we caught up with Travis looking sooo cutie-fide behind the bar. We were wondering if he might be one of the prizes for the contest?

Mark this down...The Round Up Saloon will be hosting Texas' Hottest Cowboy on August 23rd! 2 winners will receive trip to San Francisco for 6 days / 5 nights for a national conference. We will post more details as we get them or log onto the Round-up site for details.

Ft. Worth Cowtown Tea

Nothing beats a great breakfast after a long night of revelry. So make sure to stop into the Stampede of Fridays and Saturdays for their full blown breakfast buffet. There are eggs, bacon, sausage, biscuits and gravy and its all you can eat. The cover for breakfast starts at 1AM and the shindig goes till 4AM. Who knows, you might even meet a little something extra. Then on Sundays don't forget about Raymond Gill's Naked Sunday party and Sunday Tea. The drinks flow from 11AM, the cookout starts at 4, and its music from the 70's, 80's, 90's and beyond! We recently caught Stampede co-owner Jerry Hawkins out on the patio having a few belts with Johnboy.

Stop by Best Friends tonight for the Phillies softball team cookout from 10-2AM on the patio. There's always something festive going

on at Best Friends. The club opens daily at 3PM for Happy Hour. Make sure you stop in and say hi to John. Sister can serve up a mean bloody mary!

The Station has informed Hot Tea that the fabulous shows have been moved over to Hot Shots. There's the Super Sunday Show at midnight every single Sunday and The Texas Star Talent search hosted by emcee Chanel LeMasters. The competition is stiff, but so are the drinks so it's even more fun! Q Cinema is hosting Showtunes night on Tuesdays. You can suck down some cheap draft beer and watch all sort of showtunes on the big screens... load of fun!

Pageant Tea-Mark your gay book for Saturday July 22nd. Promoter Steve Ray has let us know that the Miss Gay Fort Worth America Pageant will be held at Hot Shots. The contest is open to all Texas residents and you can email info@hotshotstexas.com for more info and to get an application. You can also contact Miss Ft. Worth 1989 Dena Malloy at 201.362.7737.

Houston Space CiTea

Houston Tea was back on the prowl this week for another round of great people watching and partying 1st stop this week was Rich's. The temperature was not only hot outside, but things were steaming up inside the club as Rich's welcomed Colt Video Superstar, Chris Wide, pictured here with club mgr Jerial Knight. Also on hand this evening were 4 fabulous bartenders eagerly serve you a cool drink to bring your back down to

normal. As if that was possible, with Chris Wide in the house We wonder if Chris and Jerial are planning on teaming up????

Hot Tea traveled down the street to Meteor where we caught Joe and Mark cozily cuddling with one another and enjoying a great night at one terrific bar. If you haven't been to the trendy watering hole on Genesee, we suggest you drop by - the club is absolutely stunning, and the service impeccable.

Heading down to the Ripcord, we found the happy trio of B.J., John and Jose enjoying the great drink specials and the hot men coming and going from one of H-Towns cruisiest bars. The Ripcord is a Houston tradition, with hunky leathermen and cowboys and...is it hot in here? One stop at the club will show you exactly what we're talking about....

We happened to walk right next door to J.R.s and, as we entered the club, we were greeted by bartenders Elias, Reid and John ready to pour their great wines and spirits - plus a Texas-sized helping hospitality. We certainly

envy Reid, being in between two such beautiful staffers...but, if you know Reid like we know Reid, you'd understand why he's always at the center of things of great beauty. Just steps away from J.R.'s and Santa Fe is South Beach. This eclectic club is known for it's spectacular décor, hot men, Martini bar and waterwall and of course, you can't miss the hot bartenders such as Jason - Y-U-M-M-Y

Imagine THAT in one of those SoBe bathing suits, won't you? If you need a change from the norm - or, just want to admire Jason - South Beach is definitely your party place!

Vivianas NITE CLUB

4624 Dacoma - Houston Texas - 77092 713-681-4101

Our next top was Cousins. We happened to drop in during one of the club's popular drag shows and caught Ashley Houston, Vanessa Harper & Shayla enjoying a great night of fab entertainment. Be sure to drop in to the club for the best in female illusion -

and tell Mama Ron Sioux that Hot Tea sent you.

Santa Fe was the place to be out this week and Hot Tea was glad to drop in. Our eyes immediately caught the attention of oh-so-handsome guys Stephen and Bradley whose smiles lit up the night. Be sure to check out the Karaoke and great drink specials that happen here every week!

The staff of the Montrose Mining Company was in full force and eagerly awaiting it's patrons to come on in and enjoy what many consider to be one of Houston's best watering holes. You can get some great drinks and also see the hottest male dancers in Montrose. Party revelers abound in this club.

Tipping over to EJ's, Hot Tea photographers found club diva and emcee, Virginia Slymms as she was doing her duties emceeing the weekly Amateur Male Stripper contest. You can certainly find some hot men and great drink specials here. Be sure to pop in and check out the new outdoor patio.

Hot Tea was invited over to Club Energy for a great pageant. We dropped in for the Miss Goddess US of A pageant as two lovely contestants vied for one of the newest preliminary titles which sponsors them both to the Miss Gay Texas USofA pageant in August. The evening's crowning moment was captured by Hot Tea with the new Mr. Gay Texas, Jordan Matthews, Miss Gay US of A at Large, Raven St. James, 1st Runner-up Olivia Gardner, Miss Goddess US of A, Michelle DeMarco, promoter Safire and Miss Gay Texas US of A Tera Mathews. Congratulations from Hot Tea!

Houston's newest club is now owned same great folks who own and operate Club Energy..

Crystal is the hottest place to party at during the week. There are two clubs, two D.J.'s - which only means twice the fun. Be sure to check out their "Fresas Y Chocolate" on Wednesday nights with drink specials, hot staffers and customers to make hump day really hump!

Austin Capital CITEA

No night out in Austin is complete without a stop into the venerable 'Bout Time, where our very dear friend, Marshall, does his level best to make sure that everyone has a good time. For those interested in a recording contract, former Mr. Gay Texas, AJ Kline, hosts his inimitable Karaoke show - though how anyone can pay attention to song lyrics with him in the house, we'll never know. And, for those that want to get out of the hot Texas sun and cool off, Derek is the always-popular daytime libation-maker that will cool you off with some of his intoxicating beverages. Don't forget that the club has its own volleyball court, so bring a team or just some friends and play with the balls....

Downtown, Charlie's is always the place to see and be seen, especially by all the hot and preppy men that Austin is so famous for. We love us our starched shirts. Part of the reason the club has so long been an attraction for all the beautiful UT men is its line-up of nightly events that are sure to please even the most studious of...well, students. Our personal favorite reason to visit the club is for its Wet Underwear contest each Monday night, hosted by the infamous Nadine Hughes, as well as for the gorgeous Manwatch dancers that perform five nights a week. And, if those two events displaying the manly attributes of some of Austin's hottest men isn't enough for you, there's always Austin's Original amateur strip contest, hosted by Jame Perry, on Tuesdays. Ummmmmm... the only thing we love more than starched shirts is seeing men take them off!
