BY JIMMY R. SMITH

As I sit here writing this week I must admit that I feel like getting on a plane and heading to New York for a weekend of non-stop dancing. Now I know you can dance here in Texas but it's just that you have to stop at a reasonable hour. I'm talking about one of those let's got out at 3AM and dance till

1PM nights here hun.

Or... you can just get out and get a copy of the new compilation from Mike Cruz, *Many Moods of Mike Cruz*. This packed-full double CD set comes with a truckload of morsels for a gurl. You got tracks from Inaya Day, Ohsha Kai, John Kano, Friscia & Lamboy, Richie Santana (you know he's adorable too), That Kid Chris, and even Luz Divina!

If you liked the *Arrival CD* last year then you will surely fall out over this one. Now this is what I call hot dance music, played by a true talent! And yes Ms. Cruz is PLU. (people like us....shhh!)

Now for something completely different...I was talking to the lovely Maiko Sakai over at Musicrama last week and she was telling me about this oh-so-glorious 3CD set that they have called *Divine Goddesses: Music With a Twist*. Now if you are a really gay person you might already have all this stuff. But if you are a newbie, then you really need to educate

yourself on this material. Go ahead now...put down some of that homo-bashing hip-hop that I can't believe you listen to and take in some Homosexuality 101 with this lovely set. You will find stuff from Judy Garland, Edith Piaf, Etta James, Dolly Parton, Lesley Gore, Doris Day, Bette Davis (yes a song from that bitch!), Tina Turner, Shirley Bassey and sooooo many more.

Sister, you just can't find anything out there more homo-proper than this! And best of all you can get it on Amazon for only \$16.99

brand new. Looking over the track listing you will find a veritable 'who's who' of music...stuff that you just can't be gay and not have somewhere in your little collection.

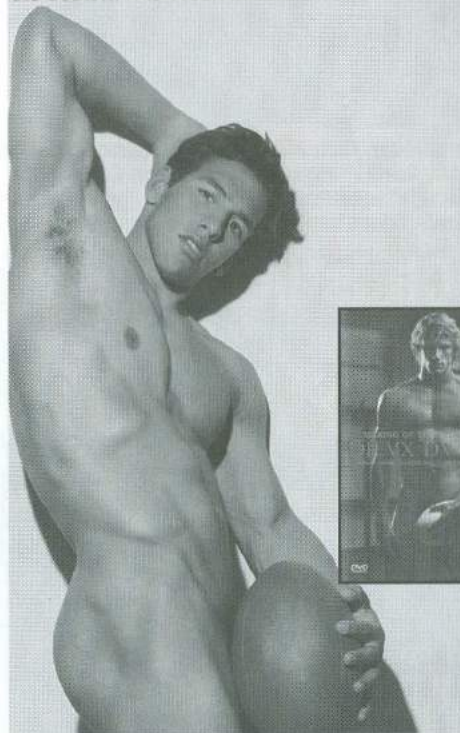

Another little item from Musicrama you can be thankful for are the *Dieux De Stade* Making of DVD series. *Dieux du Stade* (Gods of the Stadium) is the title of several very popular calendars published in

the 2000s featuring nude and semi-nude photographs of members of the *Stade Français* rugby union club, and in more recent years, players from other rugby union clubs as well as athletes from other sports. The erotic poses and high class photography has led to the annual calendars becoming widely sought after in the gay communities of Europe and all around the world. These DVDs are sort of a "making of" documentary for the calendars and make a great gay gift.

I think gay people have always had an enormous impact in the entertainment industry as tastemakers. It is an inarguable fact that their antenna for detecting what's new & what's hot is sharper, taller & extra sensitive compared to the rest of us. What fascinates me more is that gay people never lose passion in terms of searching for things that make them excited whether that's music, film, fashion, interior design or anything else.

Being in the dance music industry for 10 years, I can say that the gay market has been my biggest indicator of what's next. We all know where Madonna got the idea to vogue from, you know? In the process of identifying who can appreciate what type of dance music (to properly market products), it has become an automatic thing for me to just think, "What will be the reaction in the gay community?" After all, Samantha (from *Sex In The City*) said (about her boyfriend's Absolut Hunk Ad), "First gays and school girls, then the world!"

Hmm...weren't we just talking about that a couple of weeks ago?...thought so. And that's the beats...This Week In Texas.

Aries 21 March - 19 April

Your intentions are pure, and honest. However, being able to tell the difference from fantasy and reality is not easy for you. Workwise, when a guideline is set, you do it to the letter. You are a true follower, but not a leader. *March 21 Birthday-Rosie O'Donnell*

Taurus 20 April - 20 May

You may attract a lot of attention, which means a variety of relationships. You also make others jealous, and why not, stylish and fit that you are dear Taurus. You fit right on in with any crowd. *April 20 Birthday-Luther Vandross*

Gemini 21 May - 21 June

A perfect fit for a warm spring day, friendly and a little dynamo of activity, always surrounded by more than your fair share of friends. Reward yourself with a steamy bath, sweet dreams Sweetheart! *May 21 Birthday-Mr. T*

Cancer 22 June - 22 July

Happy Birthday Dear Cancer. Stand up for your rights. Mostly a follower, you usually attract partners who are bossy or very self-important. What you need is compassion and to be treated as an equal by your Partner. *July 14 Birthday-Polly Bergen*

Leo 23 July - 22 August

Although a child at heart, you are well suited for mature, straight from the heart lovers. You prefer to surround yourself with those whose lives have purpose and direction. Communication ranks high in what makes a good partner for you. *July 23 Birthday-Marlon Wayans*

Virgo 23 August - 22 September

Work for you can be therapeutic since it gets your mind in productive gear, and continuing your Education will definitely improve your prospects of success! Keep in mind, you may want to talk to a psychologist or sail off on the Love Boat. *August 23 Birthday-Kobe Bryant*

Libra 23 September - 22 October

Truly a romantic, soulful and noble person you are. You have an aura of decency, vigor, love of justice and understand that life is what you make of it. You'll work hard to overcome obstacles, eventually making your family proud. *September 23 Birthday-Bruce Springsteen*

Scorpio 23 October - 21 November

You are either too much or not enough in love and may suffer from the blinding light of your own brilliance. You never take affections or relationships lightly and don't let emotional problems follow you into bed! *October 23 Birthday-Ang Lee*

Sagittarius 22 November 2 December

Your life should be light hearted but you have learned that often it isn't. You need more roles where you uplift others. Vacations can be long and frequent, or should be, and far from work and worries. *November 22 Birthday-Billie Jean King*

Capricorn 22 December - 19 January

Being born on the shortest day must mean something, less sunlight. You are a dignified, spiritual and reserved type and a lot stronger inside than you realize dear Capricorn. A real bundle of emotions can get the better of some of you. *December 22 Birthday-Diane Sawyer*

Aquarius 20 January - 18 February

Capable and versatile, you are a high achieving idealist. At work you are highly demanding about punctuality and pragmatic, and demonstrate your creative thoughts and ideas without expecting applause. *January 20 Birthday-Patricia Neal*

Pisces 19 February - 20 March

Look to the heavens, you don't just see stars, you see stories, mysteries and hopes. You are truly creative and there is harmony in you and a buzz that gives you rhythm. You are ahead of the times, ready to pluck a solution from chaos, and often do it in the company of close friends to you. *February 19 Birthday-Prince Andrew of Great Britain*

DEAR DIVA

The Diva is in the house.....

Dear Diva:

I've been in the same city for so long that I'm going insane. Where do you recommend going for some fun?
Ready for Action
Muleshoe, TX

Dear Homebody:

First of all, darling, the fact that you've opted to spend so long in so dreary a place is something that the Diva cannot even begin to fathom. Muleshoe? Good lord, honey, just shoot yourself and be done with it. But, seriously....the Diva has learned in her life that fun can be had wherever one is - even in Muleshoe. Organize a festive hat party, or get your friends together for a Dunk the Redneck booth at the neighborhood park. Go shopping at the neighborhood Wal-Mart in full face and heels - and a tube top. Live things up. But, if you simply MUST go somewhere else to find your action, then I would suggest Amarillo. Close enough to get to by wagon, but far enough away that you can let your hair down without Aunt Bessie finding out about it....

Dear Diva:

Who is the best drag queen you've ever seen?

Nosey Rosie
Seguin, TX

Dear Nosey:

The best in the whole world has to be Cher.

Dear Diva:

My boyfriend of 5 years feels that he wants to break up and go our separate

ways. What can I do to keep him?

Still in Love

Ft. Worth, Texas

Dear SILLY:

I'm so sorry to hear that your boyfriend no longer finds you appealing because, after all, the only reason a romance of 5 years comes to an end is because there's no fire in the oven to keep your man warm. It sounds to me as if you may have let yourself go...put on a few pounds, gotten a few laugh lines, forgotten to touch up your roots, or maybe even turned into your mother and have started to nag him or criticize him or take him for granted. And the Diva says, "Shame on you." You've just gotten to the silverware part of your anniversary gift guide, and you're quickly going to be finding yourself with a new man that will only merit a clock. (Please see the Table of Traditional and Modern Anniversary Gift Ideas to understand what the Diva is talking about.) The only way that you're going to keep your man is to be the man that he wants to spend the rest of his life with. While I don't suggest having plastic surgery and silicon implants to look like Jake Gyllenhaal, I do think that it's time for a little sprucing up on your part. Hit the gym, use toning moisturizers, dye your hair and for God's sake stop treating him the way that your mother treated you. And, learn how to give good head - that's a sure-fire way of keeping any man around for a long time!

Those are just a few words that others have used to describe our cover model this week, Rocky from Austin. Personally, we think that doesn't quite adequately describe the attributes of the man. When he's not attracting attention from his many admirers, Rocky enjoys the outdoors, fitness and spending time with his many friends - who, fortunately for them, are able to partake of all of the attributes that we've left out....

Rocky was photographed at The Midtowne Spa in Austin by Dane of X-Posure Photography assisted by Patrick McReynolds. Thank You to all involved...

members such as the Texas Spotlight staff **Ben, Jesse and Monica** & steaks on the patio, to the leather shop and country and leather cruise areas of the club. And if you don't want to participate and just want to look, well staffer **James** is definitely a feast for the eyes....

When we were still just young Trinity co-eds mumble-something years ago and used to work at the Sunset Boulevard, one of our favorite clubs to visit on our off nights was the old Faces nightclub on El Mio. For several years now, the club has been dubbed the Bermuda Triangle, and it's not just the name that has changed. The club is fantastic, with gorgeous and friendly ladies and specials every night of the week. Our Cruise Camera captured three of those gorgeous ladies during a recent stop. That's **KJ** on the left - she's the Karaoke host every Wednesday - bartender goddess **Lizz** in the center, and the Sexy Singing Bartender, or the artist formerly known as one, on the right. The Bermuda Triangle is definitely a place we don't mind getting lost in....

Now....get ready for the Parade!

DALLAS Big "D"TEA

Top off your weekend this Sunday at the EAGLE when Doug will host a wet boxer short contest for the independence day weekend. The patio opens at 4:00 pm. Oh my, it's a Thursday night and what's a guy to do? How about hitting Big Men's Club and Bear Night? Dallas Eagle welcomes Dallas' Big Men, Bear and Leather Clubs! Bear night starts at

10pm with JD and Gavin to serve you with drink specials and Perry playing retro music for your entertainment. And if you've been a naughty guy you better be there next Friday (the 7th) Discipline Corps. Hosts a bar night with a different topic every month. Starts at 10:00 pm.

S4 is pulling out all the stops for a great holiday weekend. And just so you can keep the party going they will be open this Monday with **NO COVER**. The Rose Room is packed all weekend with their regular cast of lovelies plus this week's special guest from San Antonio, Janet Andrews. And make sure to hit the S4 on Wednesday cuz there's no cover 9-11 for 21 and up and you can win an iPod to play all your bootlegs on!!

Woody's is oh-so-fun! Make sure to stop in on Fridays for FNL with Da'Boyz, a night full of fun with bartenders Kiwon, Zach and Joao. There are tons of new comedy videos and hi-nrg music videos starting at 10pm. On Saturdays they break it up with the hot music videos downstairs and butch it up, showing sports broadcasts upstairs. Do you think they could smuggle a cam into the locker room?

That Throckmorton can always throw a party. Their open Wed-Sun at 5PM with a clever happy hour. Their staff of great DJs offer some of the best music around and the bartenders can throw down a mean cocktail! Flashback Fridays are a total hoot and holler with music from the 80's, 90's and beyond! 'It's a fabulous club. Look at all the fabulous people...waana dance?' (name that tune!) The best thing for a hangover is to have another drink. Well the Hidden Door opens at 7AM so there's your answer. The Hidden door attracts all type, shapes and sizes with one thing in common...A GOOD TIME! We caught Harvey carrying on with partygoers Michael and Jim...stop in and say howdy and see why they say it has one of the most fun patios in Texas.

Alyssa Edwards in the Oak Lawn cross-roads recently. Layla is a former Miss Gay USofA and Alyssa is a former Miss Gay Texas.

F/W Cowtown Tea

Well they don't call it cowtown for nuttin'. These girls love to cook out over here! Pop over To *Best Friend's* next Saturday for the Stonewall Democrats cookout from 10pm-2am. Best Friends has a great patio, that is when you tear yourself away from that festive dance floor on a Saturday long enough to get out there! Owner **Scott** has let us

know that on Sunday July 23rd, the will be meeting at the club at 3pm and encourages all to get involved with planning next year's events. That's right they are already starting!

Who will it be? Who will it be? Coronation

is nearly here and the candidates are campaigning away to become royalty. Our TWT-cam caught up with Emperor Candidate **John Kroll** out in the patio of the *Stampede* with partner **Travis** and friend (former Emperor of Houston) **Daryl**. *Stampede's* patio is famous for a great time every time it's open and don't forget the breakfast buffet every Fri and Sat from 1-4AM. Good drinks and a fun time can always be found at the *Stampede*.

We have heard that *Changes* will be doing a new Sunday show on the 4th Sunday of every month starting in July. Stop in and see what cast regulars **Aretha Wells** and **Amber "Diva" Daniels** have in store for you. *Changes* is a cozy place where you can hang out and talk or get up and dance to some good ol gay music played by **DJ Jabba**.

Hot Shot's Wednesdays are the place to be for a gander and some hot bois and the Student Body Strip Search. Winners compete for cash and the chance to come back and dance on the boxes on Saturday. Our TWT-party cam caught the lovely **Christina Star** taking time away from

boxing lessons to catch the Wednesday night festivities. Make sure to be there on the 26th when the club will host a **TWT** cover model contest along with the regular strip contest...should be edible. And finally don't forget about the *Miss Gay Fort Worth* to be held at the club NEXT Saturday the 22nd.. Miss Gay Texas **Layla LaRue** will be on hand as will tons of former Miss Ft. Worth's (some coming out of drag-retirement), Names to look for are **Cherry Monroe**, **Charity Case**, **Ashley Rhone**, **Dena Malloy** & many more...let's see if these bitches can still do it!
