BY JIMMY R. SMITH

Just a reminder that my birthday in November and if anyone wants to buy me these \$2500 dollar headphones, it's fine by me!

The exclusive Swarovski-made Rasa Crystal DJ headphones, designed by Donna D'Cruz and seen in the packaging of "Rasa Exotica III" and "Rasa Mello III," will soon be available via rasamusic.com

and select retailers for about \$2500.00. Colors available.

"Rasa Exotica III" (a clubby mix of global tracks) and "Rasa Mello III" (a soft and sophisticated chill-out mix) together serve as a great introduction—a portal—to the world of Rasa Music, the New York City-based record label and lifestyle brand. For those unfamiliar, think of Rasa Music as the US equivalent to the Buddha Bar or Hotel Costes brands of CDs, but with a true, visionary, spiritual core.

Entrepreneur, model and a jet-set DJ in her own right, the fierce D'Cruz created Rasa Music as an oasis in which one can escape the stress of city life and emerge calm, centered, rejuvenated—and educated. The Rasa Music catalog brims with ambient mixes, sophisticated world music collections, and chic lounge sets as well as chakra-balancing and meditation guides (with Rasa artist Deepak Chopra) and even scented Rasa Candles. Rasa Music is a lifestyle brand that is all about living well, feeling good and from time to time, rocking the party right.

From Marrakesh to St.Tropez, Ibiza and India Donna D'Cruz has DJed events for Tatler Magazine,

Cosmopolitan's 40th birthday, Art Basel 2005 as well as for celebs like Dolce & Gabbana, Diane Von Furstenberg, Colin Cowie, and Denise Rich who are not only fans, but friends.

"I have traveled the world picking up music from every corner of the globe. From French house to samba, soul, flamenco, bossa nova, hip hop, disco classics and oriental hip-shakers, sharing my musical vision is what I love best. There's nothing like seeing people with their hands in the air standing on their heads from the sheer joy of the music. Bob Marley said it best: 'The thing about music is that when it hits you, you feel no pain.'"

Donna D'Cruz's unusually varied personal background—born in South India of Euro Asian, Portuguese, Dutch, and Anglo ancestry—is emblematic of Rasa's pan-cultural viewpoint. Having spent the first part of her life in India, D'Cruz's family moved to Sydney, Australia. While growing up in Australia, D'Cruz was very conscious of being different from other Australians and eventually discovered a balance between assimilation and celebration of her own unique cultural identity. Since coming to America in 1991, she has signed and marketed music by Australian artists as well as musicians from around the globe.

"We wanted a place where we could explore music from different areas," D'Cruz explains. "Anything that is steeped in the traditions, spirits, and societies of the world—we want to be able to smudge the edges, and cross the boundaries that normally divide these elements. We're dedicated to creating bridges between isolated cultures because when we look deeply into the soul of any music, of any culture,

we find the commonalities that link the human community."

"That notion," she continues, "is reflected in our choice of the name 'Rasa,' a traditional Sanskrit word which means 'the essence,' 'the flavor,' or literally 'the sap.' We want to experiment with new combinations of the many flavors and seemingly singular elements—sound, passion—ideas that go into this thing we call music."

In addition to emphasizing adventurous multiculturalism, Rasa seeks to market music which possesses an intimate, personal flavor. "Rather than focus on faceless, synthesized music," D'Cruz admits, "we really want to hear a strong human element: voices and instruments which convey the emotional essence of diverse societies."

Ultimately, Rasa seeks to discover a wider mainstream audience for musical themes, which have long deserved greater exposure. "We want to take spiritual types of music out of musty crystal and incense shops and into the real world of city living, nightclubs, and beyond."

You know you can't always be about head-banging music in your life. Adn when it comes to a nice alternative to the club tracks, check out the Rasa stuff. And that's the beats...THIS WEEK IN TEXAS!

SCOPE

Aries March 21 April 19

You will have much luck this coming week. You may even end up with, if single, the right one for the moment. Enjoy it. Don't let anyone get the best of you before you can get the best of them. So get out there and paint the town red.

Taurus April 20 May 20

Don't be so sensitive this weekend. You are a very caring and loving person dear Taurus. Don't let your emotions get the best of you right now. It will all turn around for you soon enough. Remember you are loved by most, especially those that matter.

Gemini May 21 June 21

Truly versatile, this week may be the week to try things differently. Don't sit at home. Get out and enjoy yourself truly. Live it up and get out there and do something. Have fun. I promise you, you of all won't regret it one bit.

Cancer June 22 July 22

Go out and hunt Cancer. Find yourself someone, set your sights and happy hunting. Make an adventure of it all, just don't hurt anyone who may get in the way of your hunting expedition. All will be good and this will be a good weekend for you.

Leo July 23 August 23

Dear Leo, make this week a Circus for yourself and others. Be the Ringleader, throw on your hat and go to town. Make sure you invite your closest friends who will enjoy the thrill with you. Paint some of them up as clowns and see how many fit in the car, or the phone booth, if you can find an old fashioned phone booth.

Virgo August 24 September 22

What secret desires are you hiding in your heart? Well keep them close to it and whatever you do, don't let anyone know what they are. You will end up with what is stored inside you. Best wishes from one who knows secrets.

Libra September 23 October 22

Projects you started will all come to and end now. Your accomplishments will soar you to the top of your game. So on behalf of all, Congratulations. And for all this, life is throwing you a big surprise so enjoy it all. Take in the sunshine and bask in the glow of it all.

Scorpio October 23 November 21

One for always getting your way, but just stubborn you are dear Scorpio. As you grow, you will realize it's not so easy for you to get away with everything. So enjoy it while you can. After all, you are a nice stinger of a person. Good luck.

Sagittarius November 22 December 21

Far from normal, you have that magnetic personality that so many love to flock too. Exercise this weekend and help others if they need aid. Try to get out into the big city and enjoy some variety for a change. Try something different, or someone.

Capricorn December 22 January 19

You get bored way to easily, my dear Capricorn. I know you are trying to enjoy life, so get out there and do so. Take an adventurous trip and do something out of the ordinary for yourself. Just make sure you keep your eye out for trouble, for it may find you.

Aquarius January 20 February 18

Don't go over analyzing things to much this weekend. Don't let it get the best of you, and by all means don't go shedding any tears over him/her. Your heart is in the right place, just with the wrong person. It would be nice if they just understood you better. In time, they will Dear Aquarius.

Pisces February 19 March 20

Ever popular and sexy to boot, this may not bring you the love you are searching for this weekend, or will it? Go out enjoy yourself and take life by the horns. Or if you happen upon a Taurus or Aries, grab their horns and enjoy yourselves. You may enjoy what happens behind closed doors.

Dear Diva

The Diva is in the house...

Dear Diva,

I just have a little question to ask. I am 21 years old and lovin the bar scene. I met this guy at the bar and all was good cuz he ended up at my house. He told me that I could bang him till he rolls over and croaks. I'm a youngster and so my stamina lasted all of 4 maybe 5 minutes. Ka-boom and I was done. He then turns to me and tells me to take another turn at the ole love tunnel and this time he wants me to just hammer it. Well my tool wasn't at rammin speed so he placed a cock ring on me. This was a new experience for me, but I loved it. The only thing was that when I started to cum it felt like my rock-hard hard-on was gonna blow off. Is this normal when you use a cock ring? Or do I need to be checked out by the doc. I did like it it's just that I want to make sure everything is what it is.
Willing Student in Austin

Dear Feeb:

The problems of the young....good heavens! That's the way it's SUPPOSED to feel, silly. Think about it for a moment - better yet, here's a visual for you to ponder. You wrap a rubber band around your finger tightly and what happens? The portion farthest from your heart that is being blocked by the rubber band gets swollen (which, in your situation, is a good thing.) Then, it begins to throb...maybe even turns red, then purple. You've cut-off the circulation (remember Biology class, hun....the blood flows both from and to the heart!) so the blood that's supposed to go back to the heart doesn't do it. Which means that it's all stuck down there at the tip of your finger, with no place to go. Which also means that it's gonna start to throb - or, as you so eloquently put it - "blow off." Now, when it comes to your throbbing member - that's a good thing. Keeps you up and ready to go, if you get my drift. No, honey, you don't need to see your doctor. It's when the jewelry stops working that you need to make the appointment.

Dear Diva,

I was at the "Book Store" the other night when these guys that I was checking out started talking about a very taboo practice. Listening to it being talked about sounds gross, but even I love to swallow a good load straight from the fountain. Of course I'm talking about FELCHING. So do you have any insight on this extracurricular activity I have heard so much about?
Wing Ding in San Antonio

Dear Bird-brain:

Well now, let's see....how to describe this delicately. Okay, just pretend for a moment that you have a real life - one that doesn't include midnight rendezvous at your neighborhood lending library - and you work as a pastry chef in an Italian restaurant that specializes in the world-renowned cannoli, a tube-shaped concoction not unlike a burrito. This tempting taste-treat is filled, as is a burrito (one wonders why the Diva didn't use the burrito as an example, but it seemed just too-too trite,) with various creamy and luscious edibles. Well, if you - as the pastry chef - were to fill the pastry shell with these creamy and luscious edibles and then personally suck them out of the shell....well, you have just felched the cannoli, as it were. Personally, I find the idea of sucking-out something that one has just deposited in a receptacle rather absurd, since why would anyone take the time to deposit, only to immediately withdraw? But, to each his own, doncha know. Some chefs have different eating habits than others.

Do you have a social disorder, question or life problem? The Diva is there to help! Send any question or comment to:

CLASSIC

11 Years Ago This Week in Texas

Splish, Splash we were baring our buns eleven years ago this week in Texas....at Hippy Hollow in Austin, for the city's annual Last Splash festivities – a right of passage that is as much a part of our shared history in the Lone Star state as the Stonewall Riots were to New York

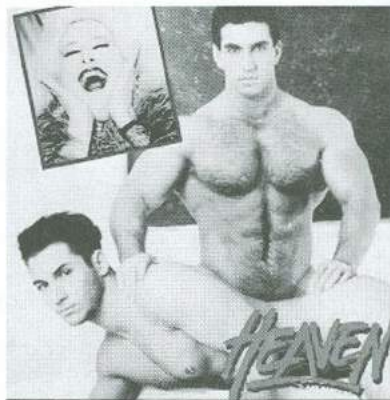

City and the nation. And, to celebrate this right of passage, we placed a glorious man named Dean Opper on our cover. The delicious Mr. Opper was also featured in *Fitness Plus* magazine, and while his buns weren't bared in our cover photo,

we certainly knew that there was a whole lotta splashing going on...

It wasn't just Splash Day that we celebrated, since it was also the Labor Day Weekend – three fun-packed days that brought Texassexuals out in droves to party, play and otherwise pursue passionate pleasures. From the Bartenders in Briefs at *Moby Dick* in Dallas; the live – not Memorex – performance of adult film superstar, Christian Fox, at the *Wild Club* in San Antonio; the Rear Entry Party at the *Montrose Mining Company* in Houston; the 20,000 Queens Under the Sea party at *Rich's*, still in Houston; the Decadance in Dallas soiree at *Brick Bar* in, well, Dallas; the RIP'D 95 party at *Mick's Place* in Austin; and, the Cowtown Leather Men Cookout on the patio of the Corral Club & Patio Bar in Ft. Worth, we were so busy with special events that labor was the last thing on our minds...

SAY, WASN'T THAT....Justin David and Juanita Bernal, two-stepping their way to celebrity at the *Round-up* in Dallas; the dynamic duo of **Chuck Mason and Sean Manning** ogling the contestants in the Tan

Man contest at *JR's*, still in Dallas; divine *danceurs de dique* **Niko, Rod Young** and **Zak** displaying their oh-so-obvious talents at *Zippers*, yet still in Dallas; **Chi Chi LaRue, Tom Katt** and **Marco Rossi** exhibiting incredible assets at *Heaven*, in Houston; cutie-patooties **Val Rodela** and **Angie The Double D**, mixing assorted refreshing adult beverages at the grand opening of *Inergy's* new location, also in Houston; hunk-o-ramas **Sean McAtee** and **Bill Pesota** viewing the tanlines on the other hunky men at the Splish Splash Party at *BRB*, once again in Houston; the luscious **Ken**, looking...well, luscious, at the *Eagle Mountain Saloon* in San Antonio; Kourtney Balboa, checking IDs at the *Alamo Station*, again in San Antonio; studly staffers **Daren** and **Scott**, turning heads at *Oilcan Harry's* in Austin; and

gorgeous Wrangler-sporting club manager **Karroll Parker**, tuning the TV's to Monday Night Football at the *651 Club* in Arlington. Finally, News-worthy items in the magazine included stories about the planning for the San Antonio Lesbian & Gay Community Center; the availability of 200 tickets – out of 3,000 – for the upcoming Black Tie Dinner in Dallas; the preview party for the opening weekend of the Austin Film Fest; and the abolition of Dallas' Health Department Literature and Program Review Committee for their controversial distribution of needle kits and condoms in the battle against AIDS.

Where's Anderson Cooper when you really need him?

And that's the way it was, 11 years ago This Week in Texas.

EVENTS

Dallas

Tennessee Williams has long been recognized as one of the greatest American playwrights, and one of the reasons for that is his play, *Vieux Carre*, which begins preview performances at Theater Three on September 14. Based on Williams' own early life before he found fame and a limited fortune, the play takes place in New Orleans in the late 1930's, and details the experiences that Williams himself had in his relationships with the other tenants of the boarding house in which he lived. A memory play, the character dubbed simply "The Writer" reflects that "I couldn't consciously, deliberately, have selected a better place than here to discover -- to encounter my true nature." Jeffrey Schmidt directs the play, which runs through October 15. For information or to reserve tickets, call the T3 box office at 214-871-3300.

It's time to break out the tuxedos and beaded gowns in preparation for Big D's 25th Anniversary Black Tie Dinner, being held this year on Saturday, November 11 at the Adam's Mark Hotel. This year's keynote speaker is Golden Globe and Academy Award-winning actress, Geena Davis, and pop icon Alan Cumming will receive the 2006 Elizabeth Birch Equality Award for his global efforts to fight discrimination and encourage equal rights. Tickets for the event, which is expected to be sold out, were awarded on a lottery basis last week, August 26th. The Dallas Black Tie Dinner is the largest in the nation, and during its history has donated over \$9.1 million dollars. The beneficiaries of this year's event include the Human Rights Campaign Fund nationally, as well as organizations such as AIDS Resources of Rural Texas, AIDS Arms, Dallas Legal Hospice, Equality Texas Foundation, The Women's Chorus of Dallas and Youth First Texas. For more information about this exciting and worthwhile event, visit their website at www.blacktiedinner.org.

The final crew-supported training ride for the upcoming Lone Star Ride Fighting AIDS cycle event will be held next Saturday, September 9, from 8 a.m. to 1 p.m. on a course that will take participants from Hurst through Euless and on to Bedford, Texas. The training ride is being held in preparation for the official Lone Star Ride being held September 23-24 from Dallas to Glen

Rose on day one of the event, and from Glen Rose to Ft. Worth, via Cleburne, on the final day. The beneficiaries of this year's ride are the AIDS Outreach Center of Tarrant County, AIDS Services of Dallas and the Resource Center of Dallas. To participate or volunteer, or for more information, contact Michael Bailey at mabail@rcdallas.org, or Mavis May at mmay@rcdallas.org.

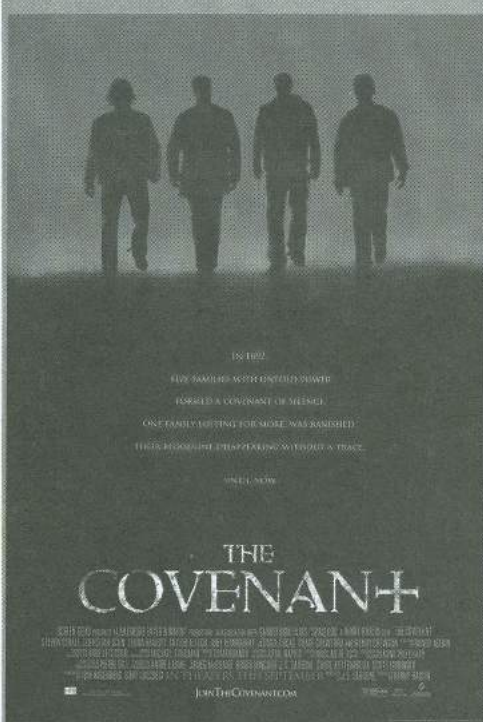

Houston

The Bering Support Network hosts a variety of AIDS/HIV Services groups, including the Lunch Bunch each Tuesday from 11 a.m. to 12 p.m. in Room 214 of the Bering Memorial United Methodist Church, located at 1440 Harold at Mulberry. The group is a walk-in support group for persons living with HIV/AIDS who have retired or are not working. Group is followed by lunch (at your own cost) at a local restaurant. For more information contact Jerry Goree at 713-526-1018. BSN also hosts Houston's longest running HIV/AIDS support group, which meets every Wednesday night from 6:30 to 8:30 in Fellowship Hall for a pot-luck dinner followed by a brief meeting and discussion groups. For more information on this group, contact Daniel Garces at 713-526-1018.

To commemorate the 25th Anniversary of the discovery of the AIDS virus, Theater New West

proudly presents a new staging of Larry Kramer's riveting and powerful moral drama, *The Normal Heart*, at the Bering & James Gallery, 805 Rhode Place, #500. At the heart of the play, the element that gives this powerful political piece its essence is love--love holding firm under fire, put to the ultimate test, facing and overcoming our greatest fear: death. Gallery owners Austin James and Blakely Bering have opened their doors, and their hearts and, together with artistic director, Joe Watts have created an intimate theater experience: "theater in the square", with only 2 rows of ten seats each, in each of the four sections; you experience this powerful production as if you were "living" it with the cast. Performances run on Fridays and Saturdays through September 30th. Tickets are \$10-25, and can be reserved by calling 713-522-2204.

TEXAS TEA

Capital CITEA

Well, guys and gals, it's finally here! Last Splash week-end, Austin's salute to all things hedonistic! It's time to grab those bikinis and Speedos and head out to Hippy Hollow at Lake Travis – just so you can take them off! And just because the water levels are down, doesn't mean we can't get down, so get ready for our exclusive Cruise Camera to peek-out of a bush near you! We'll be watching....

While we're on the subject of watching, we just love to watch bodacious 'Bout Time drink dispenser pour out refreshing adult beverages. He gets all hot and sweaty, just the way we like our men, and let us tell you that we're not alone in our opinion – just about everyone that sets foot in the door of the club feels the same way. There has been the odd stray puppy or kitten that hasn't felt that way, but we humanoids just can't get enough of this oh-so-sexy man! Wow!

Wow! is something that everyone that goes to the newly-reduced Midtowne Spa keeps saying – even the building inspector, who dubbed the club "Awesome!" And y'all know bureaucrats – they don't like much of anything!

Dropped into Charlie's the other night to see our very good friend, Scott. Why is he our very good friend? you ask. Well, not only is he one of those good-looking chappies that make you want to give-up the single life forever, but he also happens to pour a mean drink. How mean? Well, let's just say that there's a very good possibility that we're engaged, that's how mean! Of course, we can't remember...and, that's really mean. We feel just awful. We completely forgot to help Oilcan Harry's dishy Daniel celebrate his birthday last month. I mean, Big D is one of the few reasons why we don't mind that the North won that pesky little war, seeing as how he's from Connecticut and all. Wonder what he'd look like in a uniform....hmmmm.

Shirtless, that's how we always seem to find him – shirtless. Every time we go to the Cockpit Club, that's the state of dress (or, is it undress?) that our always-mentioned bartender, Ty, can be found in. We simply

felt compelled to tell you that, just in case you were worried about it. We can only assume that he takes his cues from the club's bevy of buffed beefcake, one of whom – let's just call him Mighty Nine – so completely fills his G-string that it's rumored that local zoning laws have to be amended to accommodate him. Just ask Chris & Kiwi, both of whom seemed to get a good chuckle out of our efforts to measure said G-string to ensure that it was to code.

.See ya at the Lake!

Alamo CITEA

Our Hot Tea coverage of River City USA begins at a little old club that goes by the name of Essence, right at the gateway to the Main Avenue Strip. We've been told by those style-makers that make it a point to know such things that there are literally 18,500 reasons to visit the ever-changing and growing-in-popularity party place. While we can't list all of them in this column, we will let you know that at least two of the reasons are club general manager, Bob Fogg, and the adorable *mannequin d'homme*, Mischka, pictured in our Cruise Camera photo. Mischka, for those of you that don't know, has been on a whirlwind tour of New York and Los Angeles, hoping to score a lucrative modeling contract with a big agency. The third reason just has to be Carlos, one of the club's adorable staffers, who has the distinction of possessing the city's most unique laugh....start your engines, girls!

Speaking of engines, and we were, we'll just bet that those of you living in the hinterlands outside the SA Metroplex had no idea that one's engines barely have

time to heat up on the short drive that it takes to get to...drum roll, please...the Heat (Didn't see that coming, did ya?) Yes, this popular club is just a hop-skip-and-a-jumpin'-Jenny from Essence – which is a very good thing, considering how over-Heated we always find ourselves whenever we're at the club. The divine dance hall is always teaming with sexy, gorgeous and otherwise delicious men, not unlike the humpy trio of Chris

DeVivies, Rudy Hernandez and Omar Guerra that we spotted on the patio during a recent sojourn there. And, if they're not enough to melt your butter, then just drop by the Chill bar any afternoon and take a peek at bodacious beauty, KC, who always makes us feel like ordering lobster. Get it? Melted butter...oh, never mind!

Moving on....to Bonham X where the too-too-perky mixologist to the stars, Paul, holds sway over a legion of fans that includes your very own Alamo CITEA staff. A great personality, a smile that lights-up the sky – and not bad-looking if you ask us. Well you did, so there....

Oh, just so you know, trumormongers are mongering that there will soon be a luscious lady on the cover of our magazine, and that said *femme fatale* may just be signing copies of her cover for the wonder women that make Bermuda Triangle the near-north side's party palace. Head-honcho (or, is it honcha?) Jill is planning it all now....And, now you know.Finally, those of you that live for the art of satire, pantomime and the dance (as Naomi Sims used to say) know that the one club in town that presents more shows of illusion than just about anywhere

else on the planet – including those featuring newly-crowned Entertainer of the Year, Erica Andrews, who we just happened to capture in a Cruise Camera photo with her truly significant other, TWT cover model Jonathan, and the devastating Kourtney Devereaux – is the Saint, where Elizabeth Arden is more than just a red door. Coming up next week....coverage of The Red Party and other scintillating soirees.

Until then, stay peppy, perky and proud!

TEA by the Sea

Corpus ChristEA: Did y'all make it to Alan's birthday soiree at Q's? Well, we certainly did and, as always, we had just the best time – as did the hordes of revelers on hand to help the club's chief mover-and-shaker celebrate his mumble-something birthday. It's odd, though...we could have sworn he just had a birthday. Must be we're getting old – gaydass knows Alan never does! Our trusty Cruise Camera was on hand to document the big event, and captured Rikki and Carlos toasting the man of the hour! You're looking good!

We ran into our very good friend, Aaron Davis, at the Miss Gay Texas US of A pageant in Houston a few weeks ago, and we could swear that she walked off with a plaque of some sort. What was it, gal? Best Promoter? Best Promoter? Best Dressed? Whatever it was, you looked mah-ve-lous, sista! Congratulations!

GalvestEA: We would be remiss if we didn't report that the fab-favorite of Galveston, CC Ryder, is now back at the Kon-Tiki, doing what she does best – entertaining folks! We caught up with her recently when she was hosting an evening of song at the club's Wednesday Karaoke contest, and let us tell you she's better than ever. Of course, we have to admit that we were just a tad bit blinded by delicious staffer, Kyle, but trust us – we noticed CC, too! Thanks, Trish and JP, for keeping the memories alive!

Speaking of memories, we always make a few of them whenever we have the pleasure of staying at either the Island Jewel Bed & Breakfast or the Lost Bayou Guest House, but that's mostly because we have a bit of a crush on Brian, Forest and Phil. We can just imagine what fun it would be to romp in the surf with them...and one of these days, we're gonna do just that! Of course, someone will have to watch the inns....well, that was a buzz-kill. Guess we'll just have to take turns.

Cowtown Tea

Well the speculation over a new club on South Jennings is over. Hot Tea has learned that the space across the street from the former Hot Shots location will indeed not be a club as we had learned before...it seems that the owner of the building has leased it to a company for a car lot! GO FIGURE.

However, we at Hot Tea are happy to welcome a new Ft. Worth club anyway this week. It's called Copa Cabana and it is located on South Main near the intersection of Rosedale. We have been into club and are happy to report that we indeed found a good time. The Latin-themed club was bouncing to the Music is DJ Israel last Tuesday and we were more than happy to stay a while and gawk at the hot dancers like Stephen and Phillip...ay papi!!!

We popped over to Changes last week to see how Don and the gang were doing. We were also quite content there to gaze at the dancer as well. That is until Jabba threw on some of his new tunes that he just brought in. We just had to rush the DJ booth to see what it was. Jabba (below left) has been an FW fave for some times now ever since the old Magnolia days. Stop in and hear why.

Of course you know there was no way we were going to miss that Grand LaFemme contest at Stampede. There was cast of thousands and it seemed like there was

about another thousand in the bar! We hopped backstage where we caught up with La Tasha La Moore (Miss Le Femme 2001), Victoria Lynn (Miss Kamp Kween Emeritus in background) La Tasha's Hubby... (no idea what his name is) and Caresse Riata (Miss Everything we can think of). As the dust settled the winner was Raven St. James...goddess!

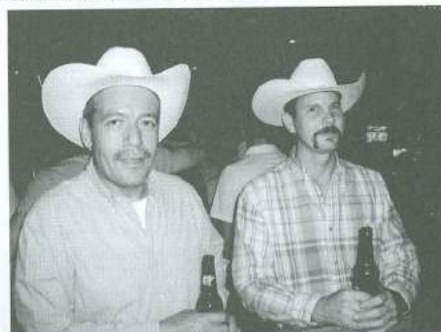

Big "D" Tea

Just when you thought Pride was over...and we know the Freedom Parade is just around the corner...don't forget that that Southern Pride is right after! We are excited about this year's Dallas Southern Pride. This year's theme is "Dallas Southern Pride Paparazzi 06: IN FOCUS". Dallas Southern Pride's mission is to build awareness of pride in the Same Gender Loving (SGL)/ Gay, Lesbian, Bisexual and Transgender (GLBT) community of color. Also, to create a funding source and support for organizations which are addressing health, educational, and economic issues adversely affecting our community. The dates are Sept 28-Oct 2.

This Sunday the lovely Empress XXIII Donna Dumae and the United Court of the Lone Star Empire, Inc. presents 10th the annual "Friends Helping Friends" a benefit show for AIDS Services of Dallas over at the Eagle. Donna has informed hot tea that there are some special surprise performers for this special 10th year of the event. Make sure you stop and visit with Tony, who is one of the friendliest door guys in Big D.

"New Place to Hang" alert...we ran into Hector, co-owner of Ay K Rico last week and were informed that the club was changing to XOXO Bar. They have lots of great things in store so head over to Wycliff and scope it out. Meanwhile, we headed over to Phases on Oak Lawn last week for the open mic night and Emmy Party. We left our TWT cam at the office but we wanted you to know what a fabulous time we had. We'll plan on going this Thursday for Linda & Larry Petty's "Music of World War II" show and report back with some images from that...promises to be a great time!

Got your denim ready? The Roundup's annual Dallas Does Denim Party is a week from Sunday and is the club's official Pride kickoff event. There's gonna be plenty of food and entertainment as well as load of cowboys to mingle with like Ricardo and Larry, who we carried on with on our last visit.

Woody's has Wanda! That's right, every Wed there's Wanda and special guests at 11PM. Make sure you stop in and see what all the fuss is about. After the show you can stick around and see plenty of great music videos! Whether its DVD giveaways, concert tickets, or their legendary Monday Karaoke, there's always something fun at Mickey's. And don't forget about Retro Sundays with DJ Brian H. And you get get a cheap drink from one of their

SoBe's biggest (and we do mean BIGGEST) asset, the incredibly-endowed mixologist, Ryan. Damas and

dudes, how in all that is gay are we supposed to concentrate on vital things like cocktails when we've got those two mounds of male muscle staring us in the face? Huh? How are we? Oh, our dear Mary Louise, we've had the EMTs by six times already just looking at his photo - imagine what we were like the night we snapped our cruizin' Cruise Camera! Now, we really do need that cocktail...

Though Ryan is a hard (tee-hee) act to follow, Cruz, Iliana and Chino - the three lovelies that attend to our every need at Club Crystal - aren't exactly hard on the

eyes, either. In fact, we carried our trusty hunk-o-meter to the club one recent night and are pleased to report that Chino's pecs are, in fact, proportionately the same as Ryan's. Of course, Chino is a few inches shorter...just kidding!

But, we're not kidding about his pecs. Don't let that shirt fool you - there's gold in them thar hills! Or, at least pecs in them thar pockets!

Something that definitely isn't questionable is the goddess-like quality that Club Bartini owner, Leann, exudes whenever she walks into the room. Our very dear friend Vida Boheme might call it statuesque, but honeys we call it elegant. Why, our CC lens just about popped when she posed for us with mix-masters Julia and Rico. And, for the one or

hottie drinkolists like the hot Dannee...yumm-mm! (on both accounts)

Space CITEA

Okay, we start off this week with a bit of gratuitous but oh-so-satisfying semi-nudity - because we're fags, and that's what we do - with a photo of

two of you that don't know, there's a reason the club is named Bartini....gurls, what they can do with potato juice!

A big Space CITEA welcome to the new kids on the block, La Academia, a salsa-serving, merenge motivating cha-cha palace that's literally wowling those that love a little spice in their nightlife, and making even those with milder predilections stand up and take notice. Just look at the Latin loving that's going on in the corner between birthday boy Rikkardo

and his Terra, the boy giftie. Okay, nobody say anything frivolous for the next few moments - they're having a significant experience. Oh, and the ladies? FIERCE!

Okay, we're off - got to get our platform shoes, polyester pants, silk shirts and gold chains out of the attic for Rich's Trash Disco party next week. Well, how could we not - after all, we LIVED Trash Disco when it was still hot in the oven, and a little stroll down memory lane is always a camp-and-a-half. What? You're not going? Well, what kind of fags are you?? Denying your heritage that way....Oh, you ARE going? Oops.....never mind. Guess we'll see you there!

Therefore, TWT policy stipulates that we will not and cannot knowingly accept any advertisements suggesting solicitation. It's the law. Also State Law prohibits nonlicensed massage therapists from using terms such as "massage," "Swedish," "acupressure," "Shiatsu," "reflexology," "body rub," "back rub," "body massage," or any term which indicates bodily contact.
