BY JIMMY R. SMITH

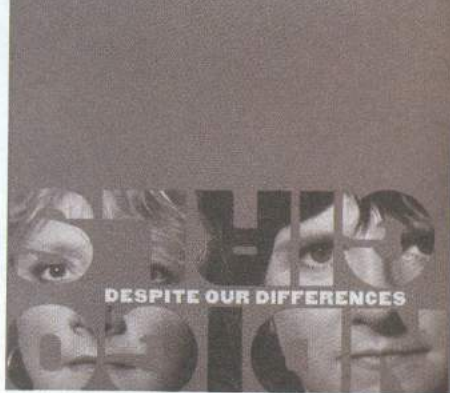

Well, Fall is in full swing and it's time for some of that lets-open-all-the-windows-and-air-out-the-house music. What works for me about his time is something a bit more organic, earthy, and cerebral. Something like, well...the new Indigo Girls album *Despite Our Differences*.

The duo came into prominence during that singer/songwriter era back in the, ahem, 80's. Their formula for success might not seem so revolutionary at first glance. But looking back, I think their success was due to an interesting stylistic dichotomy. Emily Saliers, comes from the more traditional Joni Mitchell school, with a gentler sound, and more complex musically, leaning more toward the abstract. While Amy Ray drew heavily from the singer/songwriter aspects of punk rock, and has cited influences such as the Jam and the Pretenders, for her more abrasive and direct approach. Together they provide a wonderful balance. This has allowed them to branch out into the mainstream while maintaining their hardcore following. They have sold over 12 million albums and garnered 7 Grammy nominations.

Despite Our Differences, their first album release since 2004's *All That We Let In* was produced by Mitchell Froom in LA. He's done some fabulous work in the past with artists like Elvis Costello, Paul McCartney, and Cheryl Crow. Of the album Saliers says, "the record has a very straightforward feel to it which is the best treatment for a group of songs that are emotional and honest. And even though Amy's and my songs are very different from each other's, the Indigo glue is still there."

The album features a few guest appearances, including Pink, who joins the duo on "rock and Roll Heaven's Gate." You might have noticed that the Indigo girls in turn sang on Pink's "Dear Mr. President" as well. If you are into artists like Lyle Lovett or Toad the Wet

Sprocket, then you will certainly love Indigo. And it's a really nice album.

Next up, you simply must not do without the new Madeleine Peyroux album, *Half the Perfect World*. Sister doesn't interpret songs, she possesses them. I've been a fan since her 1996 debut album *Dreamland*, in which the then-22-year-old singer brought insightfulness to material associated with Billie Holiday, Bessie Smith, and Patsy Cline. Over the 10 years since then she has continued amaze.

Whereas much of her earlier work drew on writers and singers from the first half of the 20th century, the bulk of this album focuses on artists and writers for her own lifetime, including Leonard Cohen, Tom Waits, Fred Neil, and Joni Mitchell. Her knack for choosing the perfect song is again key to the album's emotional impact. But her growth as a songwriter is equally important, and the album's 4 original tunes more than hold their own, raising the bar.

The opening track of the album "I'm All Right" brings the talents together of producer Larry Klein and Steely Dan's Walter Becker and is quite catchy. Peyroux's vocals bring insight into both covers and originals on the album and a theme emerges-many of the songs

explore romantic relationships from a distinctly female perspective. "This record has me taking more leaps in every song, partly because these are different kinds of songs than I've previously recorded," she says. Wonderful album!

A few weeks ago I told you that Lionel Richie was about to release a new album and I'm happy to report that we love it. It's hard to believe that this is only his ninth album by the multi-Grammy, Oscar, and Golden Globe winner since he launched his solo career in 1982 after a decade of hit-making with the Commodores.

Coming Home is indeed packed full of goodies. From the hit-bound first single, "I Call It Love" to the edgy groove of "Up All Night" (a collaboration between Richie and Chuckii Booker-known for his work with Janet, TLC and others) the result is evident. It's brand new, flawlessly fresh material from one of the greatest male vocalists of our time.

And just think. Before long, karaoke queens will at last have NEW Lionel Richie material to sing! But it's going to be difficult to top my 5-Southern Comfort-version of "Truly." And that's music...THIS WEEK IN TEXAS.

Aries
Now is not the time to be going out and spending your money foolishly. So hang onto your money and valuables this week. Another thing you need to not do right now is quarrel with anyone, even if you know you are right. It's all from experience, but now is not the time for it.

Taurus April 20 May 20
My dear Taurus, you are feeling extra sensual, magnetic and beautiful right now. You must have made a deal with Mother Nature. Go out and share your beauty with others and remain happy about life. What have you got to lose? Nothing ventured, nothing gained I always say.

Gemini May 21 June 21
Now is the time you realize you are well liked and depended upon by those around you. Stay fun loving, thoughtful and affectionate which sets you apart from everyone else. You are truly loved and it shows now more than ever. So go out and be seen this week.

Cancer June 22 July 22
You are very happy when you serve others and share in all that life has to offer. So this week, it's time for you to branch out and share your visions beyond your family, your extended family and your co workers. Try to develop some leadership at work while you are at it, just don't get roped into something that does not suit you.

Leo July 23 August 23
Take center stage right now. You are a born natural and now is the time for the light to shine down on you. Whether as a motivational speaker, a leader or just for the sake of taking the stage. Go for it and with much gusto and enthusiasm. Even if it's for a solo at your church in the church choir.

Virgo August 24 September 22
If ever there was a time for selecting someone to handle everyone's finances, you would be the perfect choice. You are very business oriented, credible and lets face it, we love your down to earth nature about you Dear Virgo. We greatly appreciate you looking out for all our best interests at heart.

Libra September 23 October 22
Happy Birthday my darling Libra. Overflowing with romance and fantasies galore, you are one to never ever hurry love. One to take their time getting to know their partner, savor every moment. But make sure they are not the clingy type, because we know you are not one to enjoy a needy mate.

Scorpio October 23 November 21
Well aren't you a busy little bee right now? Keep hustling like you are right now, and if you aren't you better hurry up and play catch up then. I know you are the little dynamo once you get a taste of the good life and all the riches that life has to offer. Especially the great rewards.

Sagittarius November 22 December 21
You are so lucky as your family admires you. I hope you know this, and if you didn't I am glad I was able to tell you. You know what is good for them. A born natural and leader, you don't need a uniform to give you authority. We are so lucky to have you with us in our lives.

Capricorn December 22 January 19
Sad and sentimental is what you are this weekend. Don't let it get the best of you. Your laughter and charm are what attracts those to you. It is a great healing power you have over those who you know. Just make sure you surround yourself with those who are honest and truly care about you.

Aquarius January 20 February 18
Go out this weekend and take a trip. Perhaps to New York and the Statue of Liberty? Fascinating places for a fascinating you I say. Plenty of action surrounds you, so why shouldn't it be somewhere fun and exciting. You love to travel and it shows, so take the time to get some more in just before the holidays.

Pisces February 19 March 20
Get "geared up" for the week ahead of you. You want things perfect as long as it's for you. So go out there and make it happen. You have the ability to go out there and do this for yourself, so jump up and make a go of it. Now is the time to get it done while the going is good.

Dear Diva

The Diva is in the house...

Dear Diva,

Hello, I really have never written such a letter to a person to answer in a magazine but, since this probably will get over-looked, I shall write my dirty little question to ya. My little brother came busting into my room while I was having sex with my girlfriend on my bedroom floor. We shooed him out, naked and quickly, and I dealt with the embarrass-ment with my girlfriend. Later, my little bro asks "Were you giving her a dirty Sanchez? Or was that a Filthy Lopez?" Now I know that a Danish Breakfast is scrambled eggs and Canadian bacon served on the vagina – which, I must say, is quite a morning delight. What the hell were all of these other freaky terms my little brother threw at me? Am I missing out on other interesting extracurricular activities?

Licking it in Laredo

Dear Lil:

Well, the Diva must admit that she is only just now learning about the Danish Breakfast. All this time, I'd assumed that it was a morning repast in Copenhagen, but thanks to you I now know that it – like so many other things – has a sexual connotation to it. So, thank you for adding to my database. Now, getting to your question...a Dirty Sanchez is, according to Wikipedia (one of the Diva's favorite research sites) a noun phrase describing the result of one partner having a "moustache" made primarily of fecal matter, applied by the finger or penis of the other sexual partner, while a Filthy Lopez, according to Urban Dictionary.com, occurs when one engages in anal sex resulting in the acquisition of a full goatee and sideburns. Now, if you consider either of these aborations to be an interesting extracurricular activity, then I certainly support you in participating. I, personally, find both practices best left to the big and little screen – since both concepts are the result of film or television projects – and not brought to real bedrooms. Of course, I might suggest that you share these predilections with your bratty little brother – it might prevent him from barging in on you while you're eating.

Dear Diva,

My best friend and I were getting wasted the other night at that night club in Ft. Worth - oh, yeah, the Stampede. Anyway, we saw Jimmy

Smith spinning some tunes. So as we conversed, we came to the conclusion that, if Rip Taylor and Liberace were to get into a fight to the death, Rip would win through the use of his corrosive confetti melting the piano homo down to size. What we need of the great and mighty Diva is the answer to this question: Who would win in an all- out death match between Barbra Streisand and Bette Midler. They both are very diva, very Jewish, they both have tremendous voices, and to top it off, they both have huge beaks and -dos. What does the Diva of divas have to say on the subject?

Perplexed in Plano

Dear Bigoted Drunk:

First of all, I must say how disappointed I am that anyone would find it necessary to point out in a public forum that Liberace was gay and that Bette Midler and Barbra Streisand are Jewish. Neither one of them are pertinent to the story or the question, so I can only assume that you have problems with both categories of human being, which is why you point out the two issues in your letter. Of course, that's just armchair psychology and somewhat Mumford-esque, but I do feel that it's important that you not get away with your Bush-like thinking. Having said all of that, there can be no question that the Divine Miss M would win the competition hands down. While La Streisand is definitely possessed of an enormous talent, her personality is so completely self-righteous, self-serving, self-aggrandizing and self-centered that it virtually blinds all but the most pedestrian members of our society into believing that she is a wonderful person when, in actuality, her temperament is akin to that of a harpy and a shrew, and I would rather have an audience with King George II then even begin to think of sharing a cocktail with Barbra. Ms. Midler, on the other hand, has a fun-loving spirit – hell, she began her career at the Continental Baths in New York City...yes, a gay bathhouse! – and anyone that boasts of those beginnings, and isn't ashamed to admit to them, is A-OK in my book. Plus the fact, Bette has always struck me as a scrappy little thing, and I've a feeling that she would get in a full battery of slaps, nail scratches and hair-pulling long before La Streisand's prominent proboscis ever came down from its lofty dwelling-place.

Dallas

Bryony Lavery's powerful play, *Frozen*, opens next month at Theater Three, beginning with preview performances on Friday, October 20th and running through November 5. Directed by Robin Armstrong, the play focuses on journalists covering child abductions and the abductions themselves. What this playwright has bravely and powerfully accomplished is nothing less than an exploration of the nature of evil. However unnerving the facts of such abduction cases are, it is the force that the facts represent which are reckoned with in this astonishing, prize-winning play of stupendous moral force. Only three characters are portrayed: the mother, the abductor, and an American criminologist. By the end of the play, we are, astonishingly, led from utter darkness to the light. Reservations are available through Theatre Three's box office: 214-871-3300.

It's not too early to begin planning what you're going to wear for Gay Bingo's Horror Classics event, being held on Saturday, October 21 at the Lakewood Theater, 1825 Abrams Parkway in Dallas. GayBINGO is hosted by Dallas' own Patti LePlaeSafe, and features the BVD's (Bingo Veri fying Divas), drag queens on skates working

the crowd from the floor. Proceeds from the games support the programs of the John Thomas Gay & Lesbian Community Center, which include educational programs, youth programs, domestic violence programs, women's health issues and fun-ed programs. Gay Bingo is sponsored by American Airlines and The Melrose Hotel. For more information, visit the Center's site at www.resourcecenterdallas.org.

CLASSIC

Nine Years Ago This Week in Texas

Despite the presence of hot and humpy **Todd Kinard** on our cover nine years ago This Week

in Texas, less masculine members of our community – clad in sequins and beads and long, lustrous lashes – were a significant part of our magazine, as they have been since the early days of the gay rights movement. From **Lauren Taylor**,

Lauren Colby, **Celeste Martinez** and **Whitney Paige** at *Charlie's* in Austin and **Victoria West** at *the Saint* in San Antonio; to **Valerie Lohr** at *JR's* in Dallas and **Lady Bunny** at *Rich's* in Houston; through **Shawna Roberts**, **Stacey Taylor**, **Nicole Stevens** and **Misty Duvall** at *Inergy* in Houston and **Chevelle Brooks**, **Vanessa Casti** and **Donet McKim** at the US of A At-Large Send-off show at the *Voodoo Lounge*, still in Houston, those of the femme mimic set graced our pages and stages across Texas as an integral part of our entertainment options.

Other entertainment options available to the glitterati included **Wayne Smith's** Tribute to the

Budweiser competition at the *651 Club*, back in Ft. Worth; the Krewe of Olympus' *Fats Do Do '97* Cajun Festival on Mason Street, once again in Houston; the TGRA show at the 2015 Place in San Antonio; and the Miss Texas State At-Large Pageant at *Bamboleo's*, yet again in Dallas.

SAY, WASN'T THAT: Newly-crowned Miss Camp America, **Ted Roundtree a.k.a. Jessica Flame**, sporting her new bejeweled headdress at the Under the Big Top circus extravaganza in Houston; club manager **Jerry Resseque**, letting cover model **Mark Wolff** know how he felt at *Heaven*, still in Houston; butt-pumpers **Jake Andrews** and **Tyson Cane** exxxclusively signing autographs at *Alternatives of Adult Video Megaplexxx*, yet again in Houston; hunky **Phil** and **Ab** breathing at *The Eagle Mountain Saloon* in San Antonio; **Kendall**, measuring the harnesses at *The Forum* in Austin; birthday boy **Marshall**, blowing out the candles on his mumble-something birthday cake at *'Bout Time*, still in Austin; **L'il Debi** spinning the tunes that kept the college cuties dancing at *The Edge*, again in Austin; oh-so-studly *danceur de dique*, **Ricco**, arousing the interest and other vital organs of patrons of *The Blue Flamingo*, yet again in Austin; hunky mix-master **Keith Hunt**, slinging the refreshing adult beverages at the *Round-up* in Dallas; Big **Mike Castagne**, passing out towels and other necessary devices at the *Midtowne Spa's* 21st Anniversary blow-out, again in Dallas; too-too-precious **Robby Burns**, admiring the assets of staffers and dancers at *Crews Inn*, still in Dallas; and, **Tip Branson**, measuring the men for all of their leather needs at the leather shop of *The Brick*, once again in Dallas.

The NEWS of the day focused on the loss of most federal and state funding for the AIDS Hospice in Corpus Christi, as well as the Quilt Panel Dedication Ceremony by the Dallas Metroplex NAMES Project at the city's renowned Cathedral of Hope.

Talk about your precious moments!

Finally, when we had a few extra minutes, we headed straight to the dance floor, and when we did we danced to those tunes that resident Fresh Beats columnist, Jimmy Smith, counted as his Texas Ten – tunes such as *Got 'Til It's Gone* by **Janet Jackson**; *Work it*, by **Da Mighty Dub Kats**; *Mo Money*, by Notorious B.I.G.; and, *Honey*, by Mariah Carey.

And, honeys, that's the way it was, nine years ago This Week in Texas.

It's football season!

Time for all the tight ends and wide receivers to hit the fields. From the NFL to college campuses around the nation, everyone is getting into the football spirit. While Columbus Day weekend brings the annual Red River Shootout between the Universities of Texas and Oklahoma to Dallas, there's also another big football event coming to town. This year, Dallas will be the proud host of Gay Bowl VI, the annual flag football championship tournament.

What started in 2002 with three teams meeting in Los Angeles to play football has grown into sixteen teams from fourteen cities around the country, including Dallas' own Mickey's Texas Bulls and new teams from Houston, Ft. Lauderdale and Detroit, all competing to determine the champion of the National Gay Flag Football League. For three days, October 6-8, the competition will rage at Trinity View Park in Irving, until only one team is left standing, holding the championship trophy.

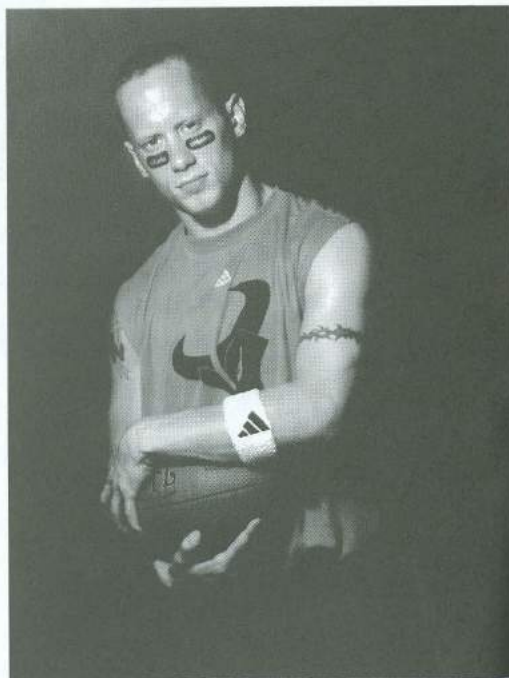

The action all starts with the opening ceremony at 9:15 am on Friday, October 6, featuring Dallas City Councilman Ed Oakley participating in the ceremonial first touchdown. Games begin daily at 9:30 am, running well into the late afternoon, with the final championship game scheduled for 1:30 pm on Sunday, October 8. Midday entertainment will feature Dallas' Cheer Team and Phillip Bryan's Flaggers. And bring money, as the Resource Center of Dallas will be selling concessions to raise funds for their very important organization.

As a special note, be sure to catch the Texas rivalry game as Mickey's Texas

Bulls battle the Houston Hurricanes for state bragging rights on Saturday at 11:00 am!

Off the fields, there will be plenty of opportunities to meet and mingle with all of the hot players. The Radisson Dallas Love Field, the official hotel of Gay Bowl VI, will host the "Chill Factor Pool & Bar" party on Friday from 4:30 to 7:00 pm. Open to the public, this will be a great time to get up close and personal with players from all of the teams. The Radisson is also hosting the Gay Bowl VI Awards Banquet on Sunday from 5:00 to 7:00 pm. Tickets to attend the banquet are \$20 and can be purchased by sending a request to info@gaybowlvi.com.

For more information about Gay Bowl VI, the tournament, schedule and other events, visit www.GayBowlVI.com.

TEXAS TEA

Capital CiTEA

Austin is full of institutions – governmental, educational...you name it – but one of THE most important institutions in the city, particularly to the GLBT community, is the Austin Baptist Women, a group of alleged

"ladies" so much a part of the city's lifeblood that, had Ann Richards not been so unceremoniously dumped as governor, they might actually have a street named after them.

Well, guys and gals, the Women recently celebrated their twentieth anniversary, and our Cruise Camera was naturally on-hand to capture the big show that the girls presented at the Rainbow Cattle Company in honor of the big event! From Betty Bea and Trudy to Mrs. Ezy

Campbell, the house was packed with all the folks that have been so instrumental in the ABW's ability to raise over six million dollars for AIDS charities through the years. Fagulous event, y'all!

Though we love the ladies, our diet can't consist of just femme mimicry, so we often head to Charlie's, where we're always excited, enticed and otherwise enthralled by the Incredible Manwatch Dancers that appear at the club six nights a week. Gurls, we watch and they are definitely ALL men! And, as if that isn't enough, our very dear friend Nadine Hughes hosts her luscious wet underwear contest each and every Monday night, and we're always on hand to check out the goods, as it were. It doesn't hurt that the delicious Glenn Eddy is also on hand, especially because we always love checking out his goods! Yes, baby!

We've always loved martinis and now, thanks to Oilcan Harry's, we usually get our fill of them every Monday night when we go to the club for Gong Show Karaoke. And, we also love getting a 4 Horsemen from studly staffer Jorge to take the edge off of all the martinis we consume. Of course, we never perform – the

thought of possibly being gonged always leads us right back to the bar for another martini – but we sure love watching everyone else sweat through their performances.

And, while we're on the subject of sweating, the work-out facilities at the Midtowne Spa certainly make us dew right up, and it's not only because of the fact that luscious lugs like Alfie can be found making the

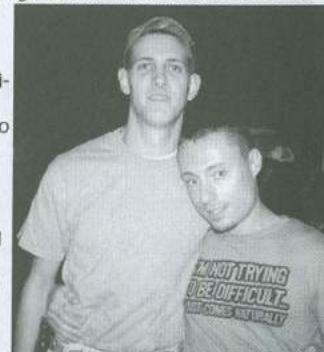

most of their workouts there. Honeys, the mere sight of a Stairmaster leaves us simply dripping, never mind actually getting on one. We leave that to dedicated fitness fanatics like Alfie....

Speaking of fitness fanatics, there are a few of you out there that actually enjoy watching Dallas Cowboy and Houston Texans football games for the action on the field, versus the sight of hunky men in crack-revealing tight pants. And, just for you, Rain provides the screens necessary to see those cracks – plus complimentary fajitas so that you have something tangible to munch on. And as if those Sunday games weren't enough, the club also hosts UT game-watching events each Saturday, for those of you that prefer your gridiron guys a little younger. The pants remain the same, however...thank all that is gay!

Dropped into the Cockpit Club to meet their newest flight attendant, a gorgeous hunk by the name of Clint that not only made our mouths water but also kept us completely at a high altitude the entire time that we were there.

Those in the know say that Clint is a "hysterical crazy bitch" and we're here to tell you that we don't care how crazy, hysterical or bitchy he is, he makes us feel like we're flying first class all the time! In fact, we're hoping to

renew our membership in the Mile High Club soon!
 Finally, we happened to run into former TWT cover model, Jeremy, with his oh-so-hot new significant other Seth the other night, and we have to admit that we took a certain amount of pride in the fact that he's found happiness with someone that we approve of. We think it's important that our family members marry into families with big buckles, doncha know....

Dallas Tea

Anyone wanna get naked? Well almost naked. Then join the Dallas Area Male Nudists over at Eagle tomorrow night at 10PM. It's their monthly club night so there's lots of baring and daring going on. They are also gearing up for the big Leather Sir contest next weekend...pop in and see what up?

We spotted Randal Kinnear, Mr. South Central Leather Sir 2006 out on the strip in front of Woody's during the

parade partying with Mera ...so that's where all those popsicles were coming from! Woody's is getting ready for the big Hurry Date Event on Nov 15th. Make sure you go to www.hurrydate.com and see what it's all about...who knows? You might end up married!

Grrrrrrrrrrrr...the bears are going wild over at TMC starting next Wednesday, when the club will begin the Bears Gone Wild-Bear Chest contest at 11Pm. There's cash for the winner and we're sure it's gone be a hot time.

We sashayed over to Stars last week where we found Jesse chumming it up with Ken the doorman. We also

found out that they will be starting the Super Star Karaoke Contest on October 4th. The contest goes thru December and offers a cash prize every week to the winner. The last one standing in December wins a thousand bucks!

This weekend the Rose Room has scheduled D'Range as their special guest Friday and Saturday night. Last time we were in we had a fabulous time with all the girls. The art of Female Impersonation is alive and well in Dallas....take a look at that goddess Whitney Page tear-

ing up as usual!

That JR's is always a good time. We stopped in last week for lunch and had a nice little burger and took advantage of the wireless hot spot. Well it was a hot spot long before wireless came along actually. Just take a look at these two hotties we found up on the patio!....blazing!

Cowtown Tea

In Ft. Worth the party is always hopping. Last Sunday Best Friends

hosted the GPW Miss Drag Race Show and a fabulous time was had by all. Check the club's website for info all the great upcoming events like cook-outs and benefit shows-a-plenty. Our party cam caught BF staffer David, manning the front door on our last visit.

The Copa Cabana is known for some pretty HOT nights. Last week the court was there and people were heard to have been disrobing! What's that song? Now on Thursdays and Fridays they are letting in the 18 and over

crowd....heeeeere chickie chickie! Make sure and get in and dance to some of the lovely tunes of DJ ISH-A....ain't

he a cutie?

Over at Stampede, they are always putting out...with free stuff we mean. Last Sunday the Miller girls were in the house and giving out all sorts of free goodies. And with their Sunday leather giveaways you can almost walk out with a new leather wardrobe! Don't forget that they are now open from 7AM Wed thru Sat so you can get your Bloody Mary's as early as you like. We recently ran into a blast from the past MISTER Donna Minske (Kieth), pictured with his real sister Donna! Yay!

Everyone is still talking about the fabulous show at Changes last Sunday with Aretha, Wells and her cast of lovelies. Make plans to attend each month on the 4th Sunday for the Super Sunday Show. Oh...and did we mention they've got some new hot dancers? Stop in and see 'em!

Alamo Ci"Tea"

Gurls, when the Bonham hosts a party they really host a party - especially when one of the reasons for it is the natalversary celebration of the club's owner, Kenneth. Also hosting the Freshmen Magazine's 15th

Anniversary party with free goodies galore! The Lady

Niecy and Mr. Lee pulled out all the stops, and even invited Freshman Magazine cover model and Rascals Video star, Johnny Savage, to help Big K blow out the candles on his birthday

cake. We, of course, were blowing other things, but that's a whole 'nother story....

Meanwhile, at the 2015, FROGS hosted a benefit

show that saw the return to the stage of Terri Thomas after waaaaayyyy too many years of retirement. And, when she praised the Salvation Army from her porcelain throne, the house was literally brought down around her! For the one or two of you that don't know, FROGS is a new charitable organization that is raising funds to purchase toys for abused, underprivileged and sick children during the Christmas season. Terri promises that she will NOT be toting her toilet during the gift distribution....

As if the FROGS fundraiser wasn't enough to bring out the benevolent folks in town, the ladies at Bermuda Triangle - BT, for those in the know - recently hosted, in conjunction with Mix 96.1's Crystal Stone, a benefit for this weekend's SAAF AIDS Walk, raising over \$5000

in the process! That's Crystal in the Cruise Camera photo, with the delicious Amanda and the delectable CJ - who were the proud winners of the autographed Blue October guitar. Coming up at the club on October 1 is a very special benefit, hosted by promotion's director Deb Browning, and featuring live bands from 4 - 11 p.m. Proceeds from the event will benefit both the Diversity Center and Gen Casallis, who was recently injured in a serious car accident and faces a mountain of medical bills....Best wishes to Gen for a complete and quick recovery!

On the subject of Deb Browning, she now hosts San Antonio's Got Talent each and every Monday night at the Saint, providing a venue for live and comedic performances - and, gurls, it rocks! And the crowds just keep getting better - even the dollies show up for it, including the lively, lovely and luscious Sweet Savage, who also just starred in the Miss Gay Texas America Pageant as one of the formers...seen with one of her many,

MANY admiring fans after witnessing some incredible talent.

We were on a mission to find the hottest man in San Antonio the other night, and ran by the Heat where we found the perfect specimen of male pulchritude, Joe. He was on a bear hunt that night, and wouldn't you know we just shaved!

We're now letting all of our hair grow again, and plan on landing the luscious lug immediately! The Heat's very own Vikki has proven to be one of our most popular covers... see her for an autographed copy before they run out! More beautiful females will grace our cover soon...

Finally, the construction crews at Essence just keep improving the place, and the latest redux includes walls and walls of video monitors and plasma TV's. Dames and dudes, it looks like a Circuit City up in there. Our cruizy Cruise Camera snapped a shot of the staff, who are all holding up well considering how hard they've been working at remodeling. That's DJ Rose, showgirl Si Si Malone St. John, club head honchette Lyndsey, GM Bob Fogg and a luscious lady whose name bled off our napkin when we spilled our jumbo economy sized vodka seven. Great job, guys! Oh, and trumormongers

are mongering over the recent spotting of Rena and Adam dancing the night away at the club with a person that was NOT their husband. Scandalous!

Space CITEA

On our quest to view and otherwise observe beautiful people, we dashed to Rich's on the very night of their Justin Timberlake CD release party...and, we

found - as we always do - gorgeous guys and gals to

take our breath away. In our exclusive Cruise Camera photo, we've captured Chris, Leana, Falon, Jason and Marcela - and babies, if you think JT is the new King of Sex, let us please tell you that Chris and Jason are giving him a run for his money....the hunk-o-meter registered a full 10, gurls....

And the fun didn't stop there, 'cause we ran into a

veritable bevy of bodacious beaus at La Academia when we arrived for their Mexican Independence Day celebrations. From the customers to the performers, we were treated to a veritable buffet of beauty. And that hunk-o-meter is tore down....

The gorgeousness didn't stop there, 'cause we went to JR's where there's always more semi-naked beef than at a Playgirl

Magazine centerfold reunion. And one of our particularly favorite semi-naked hunks just happens to be the stunning Vince, who we captured with equally stunning customer and fan, Rodney. Babies, we could swing from those pecs, you here us?

Finally, Blur might sound like a place that one's vision is adversely affected, but we were perfectly clear about the humpy hunks that greeted us during a recent visit to the club. David and

Justin made us feel all warm and cozy...and we're thinking that THIS Justin might actually be the true new King of Sex....just a thought!

Join us next week when we double dish on Tea By The Sea!

Texas law clearly requires that only bona fide, state-certified masseurs can be listed in this category. Therefore, TWT policy requires that all masseurs must publish their state-certification number within their advertisements and that a photocopy of such license be on file at TWT.
