FRESH BEATS

by Jimmy R. Smith

email Jimmy at
TWTdallas@aol.com

With all this new color in the magazine I just HAD to get into the spirit of Halloween this week! And yes, that's me all painted up! That's MISTER Dena to you!

I got an email the other day asking me how I [kept] track of all those remixes out there. Well it's actually quite simple. I have a list of my favorite remixers and

either log onto their websites to see what new projects they are working on, and another fabulous resource, as I have said many times over, is www.beatport.com. On Beatport you can search for a remixer, then when they come up in the window you can click various links to see what's new this week, month, year etc. Since you can search this way, it really makes shopping online the best way to buy Dance Music.

One of my absolute favorite remixers at the moment are THE FREEMASONS. The team consists of DJ/Producer/composer/remixers Russell Small (who is also one half of the House production duo Phats & Small) and James Wiltshire (who also works with Phats & Small but under the alias Jimmy Gomez). The duo is well known for using samples and loops from classic Dance and Disco songs and blending it in with the new sounds of today contemporary Dance genres. The name is taken from the Brighton pub Freemasons which they frequent. The duo also record and do remixes under the similar sounding *Fremdson* name, which is also the name of their newly-formed record label that was founded in 2005.

In 2005 the duo transformed Jackie Moore's 1979 #1 Billboard Hot Dance Music/Club Play track "This Time Baby", and Tina Turner's 2000 hit "When The Heartache Is Over" into an international club hit as "Love On My Mind".

They were also the remixers on Faith Evans'

2005 #1 Hot Dance Music/Club Play and #4 Dance Top 40 hit "Mesmerized". And if you've been bumping it up to that clever remix of Beyonce's "Déjà vu...yeap, them too!

Have you heard of Geyster? Geyster is a duo formed by Gaël Benyamin and Pernilla Grönlund in 1999. Their first cooperation occurred in 1998. At that time they both attended the M.I. (Musicians Institute) music school in Los Angeles. Together they founded their own band "The Kites", where they explored different musical genres through Gaël's compositions from pop-rock to funk and jazz and performed live in music clubs across Los Angeles. In 2002, the project seduced Joachim Garraud, successful producer/remixer (David Guetta, Jean-Michel Jarre...) who became with Gaël co-producer of the first album of Geyster. Signed with Virgin France, the band performed regularly promoting their first hit single "Bye Bye Superman" which was airplayed all over Europe the whole summer of 2003. Followed up 2 more singles ("It's About You" & "John Clay") and finally their first album "I Love 1984" released in spring 2004.

In 2005 Gael founded his own label; Somekind Records through which he has released "Under The Fuse Of Love" successful 12" EP and the first single of the new album called "Everytime I See Your Face" due for January 2007. Very hot record my friend!

Ok...now there are records and then there are R-E-C-O-R-D-S! And you have been fortunate to stumble across a jewel entitled "By My Side" by Flanders, then I am certain that you know what I am talking about!

The group is also known as Deflect. And judging from their myspace page (www.myspace.com/flanders2) they are actually sort of an alternative band. The group features Giuliana Fraglica as the lead vocalist and oh my, sister is the bomb! This is honestly the kind of record that deeply inspires me about dance music. If you haven't heard, the business of Dance Music is in the shitter. But when you hear a great record like this, it sort of makes all the negative business aspects fade away for a while. The version that you will want to look for on this item is the 7th Heaven mix...and it will surely take you there!

Hearing a song like this is as close as you can get to ecstasy without having to swallow a pill! And just think...your jaw won't hurt the next day. Aaaaaaaah!

And that's music...THIS WEEK IN TEXAS!

HOMOSCOPIES

Aries March 21 April 19

Sexuality for you is restless and never satisfied, since the act itself is never as good as the experience pictured in your mind. You do not realize that fantasies can not be real, so you blame yourself for your own lack of prowess for limiting the pleasure you share with others.

Taurus April 20 May 20

You look good, it feels good, so why not? You have no hangups when it comes to sex, Mr/Ms Bull. Tending to express yourself with your body more than with words, your lovemaking is not gentle, but long and slow. You are not one to stop no matter what you are doing in bed.

Gemini May 21 June 21

Oh boy. There is nothing, you won't try sexually. Having excellent physical coordination, Gemini's pick up any new sexual technique easily. However, all the kinks and positions are like toys to you, including toys. You will be into it for awhile and like most toys, get tired of it and be onto the next.

Cancer June 22 July 21

Most sensitive to sex during lovemaking. You want to feel cared for and safe. You love to be caressed with the same gentleness a mother would show her baby. Nurturing and pampering, you will be alot more playful once this side of you has been met. If a top, you will get into your partner's body and mind.

Leo July 22 August 23

You love being desired. In bed you want to be worshipped. Yet, it is not all one sided with you. Leo's want to be your sexual muse and inspire you to surpass your wildest imagination about what sex with him can be. A very attentive lover, and once you are his, your pleasure will be his pleasure and his will be yours.

Virgo August 24 September 22

You are driven so sexually that once one gets you into the bedroom, sometimes you never want to leave the room. Your partners are lucky with you in bed, for you love to anticipate their sexual needs. Aren't they lucky! But beware, until a Virgo can admit to love, it's all gymnastics for him.

Libra September 23 October 22

If you have incense, music and proper mood lighting, then you will attract a Libra. This will help them surrender. You as a Libra will follow them wherever your etoric imagination leads you. Libra's enjoy, showering, brushing their teeth and putting on some cologne before they hop into bed with you. And if you want to seal a deal with them, give expensive gifts.

Scorpio October 23 November 21

Scorpio you are not the easy sexual partner everyone thinks you are. You like to take your sex to a mystical experience, one that your partner will never forget. Much willing to experiment, but not in finding new positions and kinks for their own sake. Keep your sex exciting!

Sagittarius November 22 December 21

Sometimes you like to be given sweet kisses and then you turn around and want to have rough nasty sex on the dining room table. No guilt or no fuss, you prefer novelty over repitition any day of the week. After all, you are all that you were meant to be.

Capricorn December 22 January 19

My darling Capricorn, just because you jot down sex on your calendar does not mean you forgot or have to plan it in advance. You do this so you will remind yourself to make time for it you busy bee you. You have to reward yourself for self-control and self-denial.

Aquarius January 20 February 18

You are a shy one when it comes to your lovemaking. If your partner happens to suggest a particular fantasy or role-playing event, once your confidence is built up, you will reward him back with the kind of ever evolving, ever-energized sex life that most couples only dream of.

Pisces February 19 March 20

Spending time together cuddling, sharing a bath and just plain lounging around will build up to Pisces lovemaking at it's best. Make love in your own sanctuary, with some special lighting and music. You have a rich fantasy life share it with your lover and you will both be justly rewarded.

DEAR DIVA

Dear Diva,

I just thought since the elections are coming up that I'd like to know what is your take on the candidates and how 'bout that Kinky Friedman? I think he just might be the "kinky kind." He does have Willie Nelson on his campaign team.

Candidate for Crazy Town

Dear Koo-Koo Puff:

My take on the candidates is very simple. If they're Republican, they're all lying, cheating, muck-raking, page-poking, war-mongering predators that, quite frankly, must be destroyed. If they're Democrats, they're probably not much better – since both parties are controlled by corporate America – but, at least they're not who's been controlling the government for the past eight years. As for Kinky...I finally saw one of his campaign ads on TV the other day, and I have to admit that I found myself admiring his real-ness. It was refreshing to see a politician that didn't have the damned canned America the Beautiful music in the background, with images of the Twin Towers being leveled and his or her three blonde children romping through a field of daisies with their dog, Spot, while he or she preached about family values and protecting us against alleged terrorists that, if you believed their hype, are lurking behind every mailbox or telephone poll just waiting to snatch us from American soil and deposit us in the middle of some far-off jihad or chop our heads off for the next al-Qaeda video release. And, when Kinky did mention God's name, I didn't find myself cringing and wondering why He had forsaken us by allowing the spawn of Satan to run the country. As for whether or not Mr. Friedman is, in fact, kinky –

well, we did pretty well for eight years when Bill Clinton was having pizzas and blow-jobs delivered to the Oval Office, so I think maybe it's time our legislators promised us a little kink in every pot.

D.

Dear Diva,

Me and my girlfriend got a dog together after we moved in together 2 years ago. Well, now she is seeing some tramp and basically we are no more. My question is who should get that darn dog. We both want the dog and are good care givers for the dog. What should I do? Kill the cheating bitch and keep the dog?

Femme Fatal

Dear Bitch-lover:

First of all, honey – your grammar is horrible. The correct verbiage is "My girlfriend and I," NOT as you so eloquently stated, "Me and my girlfriend..." Oh, no thanks necessary, dearie...I'm here to point out those little things, you see, to make you a better person and, hopefully, to elevate you to an employment position that doesn't involve wearing a hairnet and changing the grease every thirty-six hours. Now, as to the more pressing issue of your pooch and your pussy, please don't even begin to tell me that both of you are good care-givers for your little four-legged friend – you just called your precious pet a "darn dog" for heaven's sake, which leads me to believe that there's a great deal of animosity brewing under the surface that may just turn into pet abuse. And, because of the cavalier attitude that you take in referring to your little one, I have no concern for you or your erstwhile girlfriend – my only concern is for your pampered pooch. Get ahold of the Dog Whisperer and a Pet Psychic and ask the pooch which bitch it wants to live with!

8 Years Ago This Week in Texas

Boo!

Did we scare you? Well, if we didn't, please know that the clubs and businesses of Texas eight years ago This Week in Texas did their level best to ensure that Texassexuals had big parties and events to attend to put a ghoulish grin on our faces and a devilish dirge to tap our pointy toes to.

Parties and events such as The Street Party at the Crossroads of Dallas; the All Black Spooktacular at the Saint in San Antonio; Terror in the Boneyard, back in Dallas; the Scary Fairy Contest at the Annex, once again in San Antonio; The Haunted Mine at the Montrose Mining Company in Houston; Two Nights in Purgatory at Toyz, still in Houston; The Gathering of Nosferatu's Children at Rich's, once again in Houston; the annual Halloween is Such a Drag soiree at the Bonham Exchange, back in San Antonio; The Fog Party at Club Houston in, where else, Houston; Trestle Maria at The Trestle in Dallas; and, the Rodeo Hoedown at Eagle Mountain Saloon, yet again in San Antonio.

And, as if parties and events weren't enough to keep us spooked during the gay holiday, theater-goers in Houston had the rare opportunity to witness an exclusive production of the terrifying The Pitchfork Disney at Stages Repertory Theater, while film-lovers throughout the state could gorge on popcorn while viewing "a new kind of horror flick, Love is the Devil, the story of the sick relationship enjoyed by "disgusting" gay artist Francis Bacon and his burglar-cum-bed-mate, George Dyer in an hour-and-a-half of rub

ber necking at a wreck that's difficult to look away from.

Well, we were scared...

SAY, WASN'T THAT...Jaime Perry and Nikki Hunter, capturing the Miss Austin International and Miss Travis County International crowns at Charlie's in Austin; cutie-patootie Ross Moore and stud-muffin Dwayne Adams dancing the night away at Village Station in Dallas; Kathy Jack, dolled-up as Morticia Addams at Sue-Ellen's Addams Family-themed Halloween shindig at Sue Ellen's, still in Dallas; the "always scary" Sweet Savage and the similarly frightful Vanessa Duvall, hosting a special Halloween weekend show at Bamboleo's, yet still in Dallas; Reno Wist, adding fright to the Two Nights of Fright at

JR's in Houston; Ashley Houston snaring the Miss Gay Energy crown at the club that gave the crown, once again in Houston; Kristian Klein, adding Mr. Gay Universe to his curriculum vitae at Evolution in Galveston; Monique Johnson, blowing out the flamelets on her mumble-something birthday cake at Toyz, back in Houston; Dick and the boys, checking the costuming of all the contestants in the contest at 2015 Place in San Antonio; dastardly Dan and gruesome Greg, getting in the Scary Fairy spirit at the Annex, still in San Antonio; and dancing divas Corinna Foxx and Tessa Matthews livening things up at the Saint, once again in San Antonio.

Finally, Fresh Beats columnist Jimmy Smith couldn't decide which was a more significant Halloween event - the US release of Cher's stunning comeback Euro-hit, Believe, or the release of "outlandish ingénue" Jimmy James' new single, It's Morning Again. Considering the work both of them had had, even at the point, we firmly believe they both qualified as scary...

And that's the way it was,
8 years ago This Week in Texas.

When we want big-name entertainment in the field of satire, pantomime and the dance (as Naomi Sims used to say,) we always dash over to the Saint on the Strip, 'cause that's where some of the biggest names in the biz hang-out - big names like the incredible Candi Stratton, who just happens to be a local gal, doncha know, but now resides in Sydney, Australia where she is the toast of the Gold Coast as Down-Under's supreme Cher impersonator. We caught up with the mag mimic during her exclusive Texas tour stop, and it was great reliving the old days with her - not that she's old, of course. We're old, but she still looks fagulous! As does studly GM Jon Koehler, striking

staffer Matthew Devereaux and Thing illusionist Sam Smith, who were all bowled-over by Ms. Stratton's amazing illusion. Stay tuned to this space for upcoming news of epic proportions about some major - huge, really big - talent coming to the club in the oh-so-very near future!

While we're on the subject of huge, really big, remember a few weeks ago, when we told you about the appearance of the huge and really big talents of Gage Weston and Luke Garrett over at the Heat? Remember? Well, we're through with the pictures now,

TEXAS TEA

so we can present them to you for your enjoyment, edification and enlightenment. Girls, we ask you - how do you get so much muscle and pack it into one body? No, we don't know...we're asking! Whatever the ultimate solution, those men are fine...truly fine! Someone else who is equally fine is the delicious mix-master extraordinaire, Randy Bettis, who jetted into SA

recently for a night of music and merry-making at the club, and also posed for two photos that reveal his - and super staffer Carlos' - best assets. Good Mary Jane Louise, Mr. B is *muy magnifico*! Rest assured, he'd be doing more than spinning if we ever got our hands on him....

Speaking of sexy, the Bonham Exchange is bringing it back each Wednesday night, as the club returns to the mid-week scene with hot male dancers and a Hot Chest contest for men AND women at midnight. And if you think the cash prizes don't bring out some of the best bodices in the city, don't kid yourselves, y'all. There's chest in them thar hills! And all of this happens after sexy Sevi's sensuous Happy Hour from 4-9 p.m. Okay, we're officially aroused....

Something else that always arouses us is Leather Night each Friday and Saturday at the Annex, San Antonio's Cruisin' River City Connection. There's just something about seeing sexy men in cow-, raw- and Naugahyde that really gets us going. And if we hang out long

TEA BY THE SEA

Gurls, it's hard to believe that Sixx is celebrating its two year anniversary already. We remember when it was just a little club-let of Three! They must be doing something right, 'cause now they're a big grown-up Sixx, and they're celebrating with a fun-filled, jam-packed week of events, including the Miss Sixx 2007 pageant, hosted by Dion Summers, and a week's worth of all-star cast shows. Babies, we know the house will be packed the whole week because we are promised an amazing show each night – as if the shows at the club aren't always amazing, right? So make sure you're there with Aaron Davis and the Sixx crew as they celebrate their two years of Sixx-cess! And, congratulations to Aaron and all the crew for two fantastic years!!!!

Meanwhile, over at Q's, there are huge – really big – changes going on, and one of the biggest is that now we don't have to pay a cover anymore – which, of course, means that we'll have more *picetas* to spend on truly important things like cocktails, doncha know. On top of that, the club has a new manager, Scott – aka, Cha Cha Daniels! Yes, THE Cha Cha Daniels – y'all know her, right? And, as if that isn't enough to warm the cockles of your heart, then you might also like to know that Thursday nights are now Latino Nights at the club, and that mix-master extraordinaire Sketch now plays his extraordinary dance hits at the club! No cover, Latin men and Sketch – what more could we social guys and gals ask for??? Oh, and just so's ya know...the club's big Halloween bash is going to be ON Halloween – which is just where it should be....

Capital CITEA

Okay, ya know how life throws you a curve ball every once in a while when you least expect it? Well, our curve ball this week was when we dropped our camera in Town Lake and lost all of the wonderful pictures that we had accumulated for our column this week. But, being the troupers that we are, we still sat ourselves down to pen our column...we're so dedicated. Please forgive us for the lack of visuals, but we'll do our utmost to make our comments so descriptive that you'll feel as though you can see what we're talking about...

So, first up – it's Halloween, babies! Can we hear an A-men for Halloween? A-Men. And, now that we've mentioned men, one of our very favorite men in the entire world is Johnny Depp. He just looks so sexy in his little pirate outfits, doncha think? So, when we found out that our friends at Oilcan Harry's are hosting a Pirates of the Caribbean-themed Halloween weekend, we circled all the days between now and the hallowed date in our gay planner. We just KNOW that there's going to be a Johnny Depp look-alike on hand, so you can be sure we'll be grabbing a big bag of Dubloons to tempt him with. Aye, see you at the Caribbean buffet tonight, mateys. Well, that was corny....

Speaking of corn...well, maize, anyway...Rain is having a Cowboys and Indians Halloween extravaganza that brings together two of the things we love most about men – beautiful gluteus maximii in tight Wranglers and toned and tanned bodies in loin clothes and feathers.

For something completely different, we always run out to Chimney Rock to Club Inergy for Santa Canta Jueves – that's Sing Sing Thursday, for those not trilingual – when Melissa Clinton hosts the club's open mike sing-along. Melissa is a diva, and some of the talent that takes to the stage is the bomb, babies. Always a good time at Inergy!

One of the most important elements of a good time is an O-Ring. No, not the defective element that brought the Challenger shuttle down a decade ago but, rather, the macho metallic accoutrement that packs more power to your punch, as it were. And the best place we've found to get these mighty mangear items is Blackhawk Leather, tucked right into the Ripcord over on Fairview. And, if you're a really good man, you can even get one of the 'cord's hot staffers to help you slip the ring on!

Further comment on good times: That's what we always have when we go to the world-famous and locally luscious Brazos River Bottom, where boot-scootin' and tight Wranglers are always required. We caught up with some particularly tight jeans painted on the posteriors of four lovely lugs by the name of John, Andy, Kelly and Kurt one recent Saturday night and, despite our attraction to bulging zippers, we found ourselves with the almost insatiable urge to spit-polish both John's and Kurt's ropers – which, by the way, were visual proof of the cause of the bulging zippers. Ahem.

Meanwhile, over at Tony's Corner Pocket, the club is now hosting an amateur strip contest each and every Friday and Saturday night, and it's your chance to see visual proof of just what's hiding under the zippers of some of the hottest guys in the Bayou City. Tony has done an incredible job of transforming the former Keys West into a fabulous and festive pleasure palace, and we're as pleased as the proverbial punch to welcome the club to our nightlife scene!

Finally, the long-awaited opening of the Powder Room at Rich's has finally occurred, and we were naturally there to capture the event for posterity. The dizzy, ditty yet otherwise divine Anita Bump ruled the room, of course, and provided yet another reason why the Fannin Funhouse is such a popular potable pit for the marvy masses...Gotta love anyone named Anita Bump, doncha know!

all that but with fewer calories, honey! Even the sign was groovy, baby. But, what do you expect from the most successful nightclub owner in Texas, we ask you?

And while we're on the subject of success, no one can argue that JR's Bar & Grill, just a hop,

skip and a twirl from SoBe, is one of the country's most successful GLBT nightclubs and attracts some of the

perkiest, peppiest and prettiest beings of every gender. Part of the reason for that is the Sunday Professional Male Strip Contest, hosted just the other night by the always professional and never stripped Kara Dion, whose legion of fans includes just about every stud in H-Town including the fab four of Stephen, Shawn, Jose and Norman that we ran into. Norman's perky pecs are in our Hunk-o-Meter Hall

Fame, by the way.

Not to be outdone in the manly-man category, the Montrose Mining Company is so filled with testosterone that our voices lower several octaves and we often find ourselves breathless just walking in the door. Of course, when the first thing one sees upon entering is beefcake beau Davier, it's not surprise that we're breathless. Just ask the thrilling trio of Ross, Tony and Charlie that we ran into recently during the club's renowned Trash Disco Sunday, recently – they'll tell you. About the breathless part...not our trashiness on Sundays.

enough, we just segue right into Sunday, when our digestive juices get flowing thanks to the succulent Willie Burgers on-hand at the libation lounge beginning at 6 p.m. And, just like Willie, they're only two bucks a pop!

Oncoming segue...We popped over to Bermuda Triangle the other night to see our very dear friend, Deb Browning – she's the promotions director there, doncha know – and as always we had the bestest time mixing it up with the lovely ladies that just love to hang-out on El Mio. And club owner, Jill, always makes us feel so welcome. So, who says we can't all get along?????

Recently, there was a freaky Fetish Ball at Essence in celebration of sexy staffer Bobby Crenshaw's mumble-something birthday, and the Cruise Camera was naturally there to capture the moment for posterior...uh, posterity. Dudes and damsels, there was leather and chains and cages...the whole nine yards. Why, they even had sexy men in the almost all-together chained up and such. So, that's what a fetish is, huh? Whatever, it was fabulous – and we'll take TWO of the sexy men in the almost all-together, please!

Finally, we just adore Pete "Noxzema Jackson" Jones, don't you? So, naturally, we try to hang-out with him as much as possible and follow him practically to the ends of the earth to do so. Well, during a recent GDLSA function – he's a very vital and active member, you see – we caught up with the ebony stud over at the Pegasus of fame and renown as he stood guard over the tantalizing taste-tempters provided for the event. Tell us, Noxie...why do you have to be a heartbreaker?

Space CITEA

What a feeling -here's believing - you could have it all, doncha know, at the incredible Flashdance party at SoBe recently, as evidenced by the plethora of pleasing pix captured by our cruizy Cruise Camera during the big event. From divine *danceurs de dique* such as pistol-packing David and Fernando, to suitably-suited divas such as the hip HP, Flashdance was

Now, if that doesn't make you want to do your famous Brokeback Mountain moves, we don't know what will. We have just one question...has there ever been an adult video produced that features Cowboys and Indians??? Ah, who cares...we'll just go see it in person at Rain....

Meanwhile, over at Charlie's, our very dear friend Jaime Perry tells us that the Lavaca Street libation lounge is totally decked-out and ready for the holiday rush that the club is expecting. We asked the divine Miss P what she planned on being for the gayest of all holidays, and she responded - "Honeys, I'm a goddess 365 days of the year - why change for Halloween!" Our sentiments exactly, dahlin'! Now, if we can just make sure that the gorgeous Michael Clay - he of the Michael Clay Band set - is sporting his tight Wranglers, we'll be oh-so-happy. Just say yes to crack, baby!

Back to the subject of adult videos, if you don't mind....and, really, who does mind?...one of our favorite places to find same - and a host of other tempting and tantalizing gifties - is Lobo, right there on Gay Guadalupe. And this weekend, in addition to the grab bag items for men that it provides, the exotic emporium debuts its new Grrrl x Boi boutique, featuring gore goods for the luscious ladies of Austin, including "The L Word" designer's Parisa Parnian's fab frocks and accessories. Now, if they'd just put in an espresso bar, we'd be all set....

We

were'n't quite certain what we were going to dress ourselves as this weekend, so we dashed over to visit with another very good friend, Miss Rainbow Cattle Company Alix Courtney, who always knows how to dress for any occasion. We wanted to borrow one of her outré outfits and, of course, have her do our hair and make-up, but needless to say her book was completely filled. What in all that is gay we're actually going to look like is now anyone's guess.

Finally, we will definitely be visiting the Cockpit Club this weekend, if only to see our new very favorite flight attendant, David, who is not only adept at pouring perfectly pleasing potent potables, but also happens to be something of an artist and musician and all-around gorgeous guy. Personally, we don't care what he dresses up as this weekend - we're infinitely more interested in his un-dressing, doncha know! Oh, honeys....

Big "D" Tea

Here we are. Halloween Weekend once again and not a thing to wear. Before long we will be carving turkeys

and returning horrible Christmas gifts like Avon cologne from Aunt Betty. Don't try it. Everyone has one of those and you know it!

Tomorrow night Illusions hosts the Diva Devo Halloween show with Nicole Jacobs. We caught Illusion's manager Michael Whiteside outside the club

the other day as we were driving by. He told us about some pretty festive event coming up...visit their site for more info.

The party was on last weekend at Woody's, the place was slammed with some pretty hot guys and everyone loves that Friday night format of hottie bartenders mixed with festive comedy videos and hi-NRG music at

the club. As we stumbled out the door we fell into fellow revelers Lety, Francisco, and Mindy. Note the empty Corona bottles...busted!

The Halloween Parade may be Saturday but the Caven-ers are gonna wear it all out again on Tuesday. Costume Contests happen at 11p in each of the four Caven Clubs and winners go to the midnight finals at Station 4 to compete for cash and prizes. Speaking of

Phases, we ran into our festive sisters at JR's last week. Check out Miss Jesse and Sean working the stairwell with their comrades. Dallas is doing you right!

Phases has a new baby...and it's grand! That's right a new grand piano was delivered last week to the popular Oak Lawn drinkery. If you thought the shows were wonderful before, just wait 'til you hear them now! Phases boasts some of the finest live entertainment in Big D... and we at Tea agree!

Everyone knows that we turn the clocks back tomorrow night and get an extra hour to par-tay. Make sure you don't forget or you might be late to the Sunday party at The Round Up. The Round Up's own James Maggard presents his annual Halloween Party & costume contest. Proceeds benefit REBA.

Everyone loves a good shot. And over at Alexandre's that's no exception. Last week we found out the hard way after a little visit with Zack! We'll get you next time my little pretty! Do you know the Alexandre's has free wi-fi? Now you do...nothing better than chatting at happy hour.

As we were running out away from another shot we ran into Dallas recording C e a s a r Cordova with his pal Angel, both looking ever so handsome walking down the street, Check C e a s a r's music out on myspace hot!

The Leather Knights of Dallas, with the help of the Dallas Eagle, and Club Dallas, hosted their 13th Annual Camelot run and fundraiser the first weekend of October. In the tradition of the Leather Knights, the weekend was filled with cocktail parties, games, and a fundraising command pageant to pick the Dragon Lady

of the Realm, with all proceeds benefiting the Greater Dallas Council on Alcohol and Drug Abuse. With their help the Knights managed to raise \$3539.00 for GDCA-DA and presented them with a check at the Dallas Eagle on October 17th.

While some might consider Friday the 13th unlucky, those who attended the Oak Lawn Triangle Dedication that night might beg to differ. We've cursed the barricades forever, but now the glorious triangle at the corner of Cedar Springs and Oak Lawn is finally done, marking the official entrance to Oak Lawn. We offer kudos to Dallas landscape architect, Cheryl Baez, whose design incorporates a lovely monument and oak garden. The monument shares its name with the Legacy of Love Endowment Fund, which provided more than \$50,000 of the structure's \$225,000 price tag.

This was a project of the Gay and Lesbian Fund for Dallas. The Fund bundles gifts of many individuals, families and corporations to help fund local Dallas area non-profit organizations and programs. For more information on their many projects as well as info on how to donate, visit www.glfdd.org. And PLEASE don't pull a Donna Day and drive into the monument if you leave the bar a bit, well...you know.

TWT POLICY

Because prostitution is illegal in Texas, State Law prohibits the placement of any such ads. Therefore, TWT policy stipulates that we will not and cannot knowingly accept any advertisements suggesting solicitation. It's the law. Also State Law prohibits nonlicensed massage therapists from using terms such as "massage," "Swedish," "acupressure," "Shiatsu," "reflexology," "body rub," "back rub," "body massage," or any term which indicates bodily contact.
